**STAFF AND COMMITTEE REPORTS**

**CEO Report-Verbal**

D. Bell updated the board on the latest legislative news regarding potential mergers and funding match for the Florida Coalitions. Merger discussion is off the table with the State legislature for now with the exception of the potential merger of St. Lucie and IRMO. This potential merger is being driven by the Executive Director of St. Lucie and is not in the State legislature plan. The funding match will remain at 6% versus the 8% proposed and without the requirement that Coalitions would have to engage in significant fund raising activities. Lift Putnam and the Putnam County School district was briefly discussed as well in regards to media reports surrounding the sale of the Campbell building.

ECS (Episcopal Children’s Services) On-Site Monitoring:

- The 2017/2018 First Quarter Monitoring was performed October 30 – November 13, 2017. This monitoring included all OEL required “eligibility” criteria, the Annual Data and Data Security Systems review, and the Fiscal Non-Direct Costs review. The final report was completed December 6, 2017. From this monitoring there were 10 compliance issues. Seven of the issues were programmatic and routine in nature. The eighth issue involved an incorrect provider payment and the provider payment rate schedule which has now been corrected by OEL. The last two issues were fiscally related. All applicable corrective action items were completed and received before the final report.

- The 2017/2018 Second Quarter Monitoring was performed January 29 – February 9, 2018. This monitoring included all OEL required “eligibility” criteria, Data and Data Security Systems updates, Quality Contracts, and the Fiscal Non-Direct Costs review. 2ND QUARTER EARLY LITERACY REPORT
J. Whitson submitted her report on the following:

Highlights:
Ancient City Kids Day – October 28th at St. Francis field in St. Augustine. We provided books for Episcopal Children’s Services staff to hand out at their table. We also collaborated with the Kiwanis club of St. Augustine by providing volunteers to help give out and fit bicycle helmets. Fifteen Hundred people attend this annual family event.

Early Literacy Outreach:
ELC Days at Sykes Farms and Amazing Grace Crop Maze – Three special field trips were scheduled in October. Twenty-nine providers came and brought 520 children. The children enjoyed fall agricultural themed activities, which included a corn maze, hayride, visiting farm animals up close and much more. Each child received a FREE copy of the book “Spookley the Square Pumpkin” or “The Three Little Racing Pigs.” The teachers received a bag full of a variety of FALL themed books. ELC volunteers provided an extra special FALL craft as well adding to the festivities.

Read for the Record – October 19th. This is an annual reading event put on by Jump Start and the Pearson Foundation with the purpose to break the world record of reading the same book on the same day to the most children. An email was sent to all providers encouraging them to participate. The ELC provided them with a FREE copy of the book and activity packet to go with it. This
year’s book was “Quackers” by Liz Wong. Eighty centers participated in this event where providers read to 5,226 children.

**Themed Literacy Programs:** Fall 2017 brought the kickoff of two new themed literacy programs, the Eric Carle “World of Colors” program created by outreach assistant Sandi Dunnavant and the “Space” program created by Joan Whitson and volunteer team. These programs are rich in early literacy concepts so important to children’s development. One of the main goals of these programs is to model for teachers good practices and to provide them with a teachable curriculum that they then can further implement in their classrooms. Each child receives a FREE book as well that goes with the theme.

**Eric Carle program:** Sandi and her volunteer team presented seven programs in Clay County. Having an outreach assistant in the ELC Clay office has really expanded our literacy outreach in Clay, Nassau and Baker counties.

**Space program:** Joan and her volunteer team presented three space programs in Putnam County.

**Mother Goose program:** AKA “Sandi Dunnavant” continued to put on her programs centered on rhyming and the importance of teaching children nursery rhymes.

**Meet the Master’s program:** Joan and team presented three of these programs centered on teaching children about the ARTS.

**Reading Pals:** 65 reading volunteers continue to read weekly to children in preschools in St. Johns, Putnam and Clay Counties. During December, each volunteer was presented books to give to their children as Christmas gifts. Over 1,100 books were distributed.

BOARD COMMENTS
D. Bell introduced and welcomed the two guests from RCMA Putnam County, Susan Crachett and Shakira Brinson. The situation involving the resignation of the Executive Director from ELC Polk County was discussed, specifically the reasons leading to his resignation and why he was potentially eligible for severance pay. The question was raised by several board members that in this situation, would ELCNF’s new Severance Policy be required to pay. D. Bell assured the Board that was not the case, that the policy is triggered only in the event an employee’s job was impacted due to a merger, acquisition or reorganization whereby the employee loses his/her position. There is no ability to collect severance due to termination for cause. R. Coleman suggested that the Coalition might consider providing Sexual Harassment Awareness training to staff as a refresher. D. Bell agreed and this will be done.

Highlights included a fantastic breakfast for the children and family members, live music spun by a DJ and a Character dance. The children were entertained by their favorite Characters such as Cinderella, Spiderman, Superman, Dora the Explorer and many more! Over 250 people attended, making this event a rousing success in raising funds to support the many local children’s charities that Kiwanis supports. The ELC received a $1,000 donation from the proceeds of this event.

**ELC Early Educators Conference:** The ELC hosted its fifth annual Early Educators Conference on January 27, 2018 at the Thrasher Horne Center in Orange Park. The theme of this year’s conference was “Full Steam Ahead” and the keynote speaker was Dr. Rebecca Isbell, noted Early Childhood Consultant and author of numerous books and articles related to creative development, play, language, literacy and child development. The afternoon provided educational breakout sessions on topics such as “Preventing Combustion (dealing with Trauma)” and “The Art in Music and Movement”. Our Educators received continuing education credits for attending these sessions and valuable tools and resources to use in their classrooms! Over 280 educators attended this event.

**Teacher of the Year 2017:** Congratulations to the 2017 ELCNF teacher of the year Margie Tedder, a VPK teacher at Village Academy in St. Augustine. Margie has been a dedicated pre-school teacher for over 30 years, highly skilled and innovative, incorporating a variety of teaching methods daily to prepare her students for even greater success in kindergarten and beyond! She was honored on January 27, 2018 at the Educator’s conference with a $500 cash prize from Kaplan Early Learning Co., our teacher of the year sponsor.

**Early Literacy Outreach:**

**Florida Literacy Week:** The ELC participated in the annual simultaneous reading event held on January 25, 2018 by encouraging all providers to read the 2018 book pick “Big Al” by Andrew Clements. **Children’s Week:** In honor of Children’s Week, Episcopal Children Services hosted six different literacy programs (one in each of our six counties) featuring the book character Pete the Cat. Over 800 children attended these events and received a FREE Pete the Cat book to read with their family members.

**Dr. Seuss Week:** In celebration of Dr. Seuss’s birthday, on March 2nd, seven Dr. Seuss themed literacy programs were presented in preschools that entered a special drawing at the Early Educator’s conference. Each child received a FREE Dr. Seuss book and each classroom received a variety pack of Dr. Seuss books with activity resources to go with the books.

**Themed Literacy Programs:** The ELC Outreach team was in full swing putting on 40 themed literacy programs during this quarter. The programs included “Meet the Masters”, “Mother Goose”, “Space”, “Dr. Seuss” and “Eric Carle’s World of Colors”. These programs are proving to be highly successful and a wonderful addition to our outreach programming. Nearly 900 children participated in these programs in 22 different schools. Each child has received a FREE book or bag of books and the teachers are receiving a fantastic resource bag filled with teaching supplies to continue to teach the theme presented to future children in their classrooms. APPROVAL OF CONSULTING AGREEMENT WITH LAUREN CARPENTER*-HANDOUT

Recommendation:

Lauren Carpenter will provide the necessary support to the Finance Manager by reviewing general ledger entries, including performing quality analysis and other analysis as needed.

The scope of this work will include creating required reporting formats, reviewing data input, reversing entries that recorded twice during the implementation process of MIP and reviewing all general ledger entries with the Finance Manager.

This contract shall be for the period of May 2, 2018 to November 30, 2018 at the rate of $30.00 per hour, plus mileage and the contract value is not to exceed $4,000.00.

If this is not done, the following would occur:

- ELCNF Finance Manager has not been trained on the creation of reports, reversing entries and budget input. This contract is more cost effective than the telephone support currently utilized with MIP.

2. R. Williams motioned to approve the Consulting Agreement with Lauren Carpenter. J. Stanton seconded the motion. No discussion-motion passed unanimously.

APPROVAL OF EPISCOPAL CHILDREN’S SERVICES 2018/2019 PRIMARY SERVICE PROVIDER CONTRACT*

Recommendation:

As the Coalition has been satisfied with Episcopal Children’s services (ECS) delivery of services in contract year 2017/2018 (and all prior years), the Coalition will continue contracting with ECS for 2018/2019.

2018/2019 will be ECS’s third year of a possible three-year term from the RFP (Request for Proposals) awarded by the ELC Board of Directors March 16, 2016.

If this is not done, the following would occur:

The Coalition would not have a Primary Service Provider contracted for 2018/2019.

3. V. Delcomyn motioned to approve the Episcopal Children’s Services 2018/2019 Primary Service Provider Contract. R. Williams seconded the motion. T. Matheny recused herself from voting. No discussion-motion passed unanimously.
APPROVAL OF THE REVISIONS TO THE EARLY LEARNING COALITION OF NORTH FLORIDA’S ANTI-FRAUD PLAN FOR 2018/2019*

Revisions:

1. Changed the fiscal year of the Plan and revision date.
2. Added “The due process procedures for providers are provided for in the contract between the ELC and the provider, pursuant to Rule 6M-4.610. F.A.C.”
3. Deleted the designation of staff (“Family Services Coordinator”) who will provide annual and new staff training.
4. Added that fraud can be reported by e-mail provided in parent packets.
5. Added the word “hotline” to phone number for reporting potential fraud.
6. Added that the Family Service Coordinators can provide monthly unscheduled reviews of staff work products.
7. Added more contact information for Project Compliance Specialist.
8. Changed “Director of Child Care Connection” to “Project Compliance Specialist” for updating information in the Fraud Referral System for appeals.

If this is not done, the following would occur:
OEL would not have the most accurate and current Coalition Anti-Fraud Plan for 2018/2019, and the Coalition would be out of compliance.

4. R. Williams motioned to approve the revisions to the Early Learning Coalition of North Florida’s Anti-Fraud Plan for 2018/2019. T. Little seconded the motion. No discussion-motion passed unanimously.

APPROVAL OF 2017-19 SCHOOL READINESS PLAN AMENDMENT #15*

Revisions:

The following item was revised to update regulations:
- Attachment I I ECS SRAD01 IT Policy 041718 (Added instructions regarding encrypting confidential data sent to external agencies and encouraging internal users to post to the OEL state-secured share point.)

- Attachment V A ELC 1819 ECS Monitoring Plan narrative 030718-showing edits

If this is not done, the following would occur:
- The Coalition’s School Readiness Plan would not be in compliance with OEL requirements regarding sub-recipient I.T. policies.
• The Coalition would not have a Parent Sliding Fee Scale effective 07/01/18.
• The Coalition’s School Readiness Plan would not be in compliance with OEL requirements regarding monitoring plan/schedule of sub-recipient.

5. V. Delcomyn motioned to approve the 2017-19 School Readiness Plan Amendment #15. T. Little seconded the motion. T. Matheny recused herself from voting. No discussion-motion passed unanimously.

REVIEW OF FINANCE MANAGER REPORT, DECEMBER 2017
INFORMATIONAL

APPROVAL OF ACCOUNTING AND FINANCIAL POLICIES AND PROCEDURES REVISIONS*

Revisions:

The following revisions were from the staff annual review of policies:

F107 – Security, in the last section “General Office Security”, added that a security code (along with a key) is required for access to the offices of the Coalition after hours.

F206 – Cash Receipts and Segregation of Duties, in the “Checks” section, made corrections where “cash” was referenced instead of “checks” and corrected the process from electronic deposits to in-person deposits.

If these revisions are not approved, the Coalition would not have the most accurate and updated Accounting and Financial Policies and Procedures.

2. V. Delcomyn motioned to approve the Accounting and Financial Policies and Procedures Revisions. T. Little seconded the motion. No discussion—motion passed unanimously.

APPROVAL OF REVISIONS TO THE COALITION’S CONTRACT MANAGEMENT AND MONITORING POLICIES AND PROCEDURES*

Revisions:

CM302 – Contract Requirements,

• Under “Contract Provisions” section replaced Audit Requirements with the 17/18 OEL Grant Agreement updates for this section.
• Under “Certifications and Assurances” section replaced “II. Federal or state-required assurances – applicable to OEL SUBRECIPIENTS” listing with the 17/18 OEL Grant Agreement updates for this section.

If these revisions are not approved, the Coalition would not have the most accurate and updated Contract Management Policies and Procedures as well as the School Readiness Plan attachment(s) that include this policy (#CM302).

3. V. Delcomyn motioned to approve the revisions to the Coalition’s Contract Management and Monitoring Policies and Procedures. T. Little seconded the motion. No discussion—motion passed unanimously.
APPROVAL OF CONSULTING AGREEMENT WITH INES ANDRADE*-HANDOUT

Overview:

Ines Andrade will provide the necessary support to input and implement the MIP Non Profit Fund Accounting software for ELC North Florida as needed.

The scope of this work will include creating required reporting formats, reviewing data input, reversing entries that recorded twice during the implementation process and reviewing all general ledger entries with the Finance Manager.

This contract shall be for the period of February 12, 2018 – March 9, 2018 at the rate of $25.00 per hour, plus mileage and the contract value is not to exceed $2,500.00.

ELCNF Finance Manager has not been trained on the creation of reports, reversing entries and budget input. This contract is more cost effective than the telephone support currently utilized and ELCNF will benefit in having an experienced MIP user reviewing all entries.

4. T. Little motioned to approve the consulting agreement with Ines Andrade. V. Delcomyn seconded the motion. No discussion-motion passed unanimously.

APPROVAL OF NEW ELCNF CLAY COUNTY OFFICE LEASE*-HANDOUT

Staff requests board approval to lease a new office space for the ELCNF Clay County Office. The new lease will begin on February 15, 2018 and end on January 31, 2019 with an option to renew for an additional 12 months.

The space is 600 square feet with two large offices, half bath and storage area for supplies. The total rent is $700 per month and includes internet and water. The office will house our Clay County Outreach Assistant, our Clay County Reading Pals resource room and library as well as provide a conference area for training.

The current office our Outreach Assistant resides in cannot accommodate the expansion of programs and resources necessary to provide optimum quality outreach programs and services to Clay County.

5. T. Little motioned to approve the new Clay County Office space. T. Matheny seconded the motion. No discussion-motion passed unanimously.
APPROVAL OF REVISIONS TO THE COALITION’S PERSONNEL POLICIES AND PROCEDURES MANUAL*

Revisions:
HR204 - Employment Reference/Criminal History Checks, revised two sections under “Criminal Background Screening Procedure to match language in the 2017/2018 OEL grant agreement regarding re-screening deadline and if an employee, volunteer or contract staff is arrested.

HR403 – Paydays and Direct Deposit, removed language regarding actual, physical paychecks and replaced with language that states all employees must enroll in direct deposit. This was to save processing costs for the alternatives of direct deposit.

HR610 – Employment Termination,
• Deleted entire wording in paragraph “Layoff and Severance Benefits” and added the following: Please refer to policy #HR611 Severance Plan and Summary Plan Description for an explanation of severance benefits should an employee be involuntarily displaced from his or her position in the event of a merger, acquisition, consolidation or other staff reduction.

HR611: Severance Plan and Summary Description
• Added this NEW policy that contains the entire Severance Plan Policy and Employee Severance Agreement.

This policy is being revised due to historical (and current) legislative attempts to force a reduction in the number of coalitions throughout Florida, and thereby attempting to force mergers of coalitions who do not volunteer to merge.

This revision will add a benefit for employees who are impacted and lose their jobs and ensure temporary financial stability should the ELC of North Florida ever be forced to merge with another coalition by OEL.

6. T. Little motioned to approve the revisions to the Coalition’s Personnel Policies and Procedures manual. M. Allen seconded the motion- No Discussion-motion passed unanimously.

REVIEW OF BOARD MEMBERSHIP
Informational; no comments.

COMMITTEE ABSENTEEISM LOG
Informational; no comments.

COMMITTEE COMMENT
Dawn updated the Committee on the latest news regarding a potential merger of ELCNF and ELC Duval; that it was unlikely this was being entertained given the State Legislature was nearing the end of its session and there was no further news or action on this. The only discussion of a potential ELC merger in Florida was St. Lucie and IRMO but that it was not part
of the Legislature’s proposed plan. She advised the Committee that she would continue to keep them updated on any issues that surface as the legislative session nears the end on March 9.

SPECIAL CONDITIONS

A. Accessible electronic information technology
   The ELC hereby agrees that by entering into this agreement, ELC will, whenever practicable, collect, transmit and store agreement, program and project-related information in open and machine-readable formats rather than in closed formats or on paper as provided in 2 CFR §200.335, *Methods for collection, transmission and storage of information.*

B. Allowable costs
   In accounting for and expending grant funds, a recipient and/or subrecipient may only charge expenditures to the grant award if they are:
   (a) in payment of obligations incurred during the approved grant period,
   (b) in conformance with the approved program services,
   (c) in compliance with all applicable statutes and regulatory provisions,
   (d) costs that are allocable to a particular cost objective,
   (e) spent only for reasonable and necessary costs of the program, and
   (f) not used for general expenses required to carry out other responsibilities of the ELC.

C. Assignments
   OEL shall at all times retain the ability to assign or transfer its rights, duties or obligations under the agreement to another State of Florida governmental agency; in the event that this occurs, OEL shall give prior written notice to the ELC. The ELC agrees not to assign the responsibility for the agreement to another party without OEL’s express written approval. The ELC agrees to notify OEL prior to change to the ELC’s early learning programs service delivery provider, if applicable. In the event OEL or a state of Florida agency approves the ELC’s transfer of obligations, the ELC retains responsibility for all agreement-related work and expenses. In addition, the agreement shall bind the ELC’s successors, assigns and legal representatives to any legal entity that succeeds OEL’s obligations. The ELC’s agreements and contracts with subrecipients must contain this agreement’s special conditions and audit requirements. The ELC’s agreements with subrecipients shall only include applicable scope of work provisions of this agreement.

D. Awards and volunteer recognition
   If the ELC’s board authorizes, the ELC may incur expenditures to award suitable framed certificates, pins and other tokens of recognition to:
   1. Retiring employees whose service with the ELC has been satisfactory, in appreciation and recognition of such service, as s. 110.1245(3), F.S., describes. Such awards may not cost more than $100, plus applicable tax, each.
   2. ELC employees who demonstrate satisfactory service to the ELC, in appreciation and recognition of such service, per s. 110.1245(4), F.S. Such awards may not cost more than $100, plus applicable tax, each.

   4. Volunteers who have offered continuous and outstanding service to state-administered programs. The ELC may honor, reward or encourage such volunteers for their service, per s. 110.503, F.S. Such awards may not cost more than $100, plus applicable tax, each.

E. Background screening
   The ELC shall have written policies and agrees to comply with the following:
   1. The ELC shall conduct employee background screening in accordance with the requirements in this section (E.).
EXHIBIT I
SPECIAL CONDITIONS

2. “Qualified entity,” as defined in s. 943.0542, F.S., means a business or organization, whether public, private, operated for profit, operated not-for-profit or voluntary, that provides care or care placement services, including a business or organization that licenses or certifies others to provide care or care placement services.

3. An ELC is a qualified entity and therefore, shall register with the Florida Department of Law Enforcement (FDLE). The entity shall have all employees assigned to work on this agreement screened in a manner consistent with s. 943.0542, F.S.

4. The ELC shall require any subrecipient, contractor, or subcontractor it retains that also meets the definition of qualified entity to likewise register and have all of the employees it assigns to work under the terms of this agreement screened in a manner consistent with s. 943.0542, F.S. The ELC shall ensure that background screening of subcontractors is complete prior to providing services under the contract.

5. The ELC shall obtain the following documentation for new employees prior to their first day of employment. For monitoring and audit purposes, the ELC shall maintain on file verification for all ELC personnel and any applicable subrecipient or contractor’s personnel, if applicable and unless excluded as described below, assigned to work on this agreement.

5.1. Documentation the individual complies with the background screening standards set forth in s. 435.04, F.S.

5.2. The highest level of education claimed, if the position requires.

5.3. All applicable professional licenses claimed, if the position requires.

5.4. Applicable employment history, if the position requires.

5.5. To be in compliance, employee background screenings must be from no earlier than five years before the employees’ ELC employment date.

5.6. The ELC shall update the background screening every five years on or before the anniversary date of the prior background screening check and thereafter if the individual continues performing under this agreement.

5.7. The ELC shall repeat the background screening if there is a 90-day lapse in employment from working on this agreement. The ELC shall rescreen the person before assigning the person to this agreement.

5.8. The ELC shall arrange for and pay all the costs for employee background screenings.

5.9. The ELC shall require each employee it assigns to this agreement to notify the ELC within 10 calendar days of being arrested for any criminal offense.

5.10. The ELC shall review the alleged offense within 48 hours of notification, determine if the offense is one that would exclude the employee under a level 2 screening and, if so, remove the employee from work on this agreement. If the 48-hour period falls on a Saturday, Sunday, or Federal holiday, the determination shall occur the next business day.

5.11. The ELC shall not allow the employee to return to work on this agreement until cleared of all charges that would exclude the employee under a level 2 background screening.

5.12. ELC board members and volunteers who interact with children on an intermittent basis for less than 10 hours per month are not required to be background screened as long as a person who meets the background screening requirements of the agreement has the board member or volunteer in his or her line of sight during any interaction with children. Background screening costs for board members and volunteers are allowable ELC expenditures.

5.13. The ELC shall require, if applicable, its subrecipient or contractor to:

5.13.1. Notify the ELC within 10 calendar days of an employee being arrested or removed from working on the contract for any criminal offense.
EXHIBIT I
SPECIAL CONDITIONS

5.13.2. Review the alleged offense within 48 hours, determine if the offense is one that would exclude the employee under a level 2 screening and, if so, remove the employee from work on the contract. If the 48-hour period falls on a Saturday, Sunday, or Federal holiday, the determination shall occur the next business day.

5.13.3. Not permit the employee to return to work on the contract until cleared of all charges that would exclude the employee under a level 2 background screening.

6. Any subrecipient, contractor or subcontractor who does not meet the definition of “Qualified Entity” but who has staff that will perform duties under contract with the ELC and are permitted access to a child care location while children are present, or will have access to confidential information about the children in care or their family shall comply with all of the above.

7. Any contractor or subcontractor who does not meet the definition of “Qualified Entity” and who has staff that will perform duties under this agreement but will have absolutely no interaction with nor be present around a child in care nor will they have access to any confidential information about either a child in care or that child’s family is not required to submit its employees to a background screening.

8. Written policies may exclude reference to subrecipient, contractor or subcontractor if not applicable. However, if an ELC contracts with a subrecipient, contractor or subcontractor during the term of this agreement then the policies should be updated to include reference.

F. Breach of security/confidentiality

As defined in Chapter 282.0041 F.S., “Security Incident” means a violation or imminent threat of violation, whether such violation is accidental or deliberate, of information technology security policies, acceptable use policies, or standard security practices. An imminent threat of violation refers to a situation in which the state agency has a factual basis for believing that a specific incident is about to occur.

As defined in Chapter 501.171, F.S., “Breach of Security” means unauthorized access of data containing personal information. Good faith access of personal information by an employee or agent of the ELC does not constitute a breach of security, provided that the information is not used for a purpose unrelated to the agreement or subject to further unauthorized use.

As defined in Chapter 282.0041, F.S., “Breach” means a confirmed event that compromises the confidentiality, integrity, or availability of information or data.

1. The ELC agrees to comply with s. 501.171, F.S., related to the security of confidential personal information and understands that the ELC for this purpose will be considered a third party agent as referenced in this statutory section.

2. The ELC shall immediately notify the Office’s Inspector General and Information Security Manager of any Security Incident, Breach or Breach of Security of which it becomes aware by its employees, subcontractors, agents or representatives. Notwithstanding requirements of s. 501.171(3), F.S., within 24 hours of the incident the ELC shall provide written notification to the Office’s Inspector General and Information Security Manager that identifies: (i) the nature of the unauthorized use or disclosure, (ii) the confidential information used or disclosed, (iii) who made the unauthorized use or received the unauthorized disclosure, (iv) what the ELC has done or shall do to mitigate any deleterious effect of the unauthorized use or disclosure, and (v) what corrective action the ELC has taken or shall take to prevent future similar unauthorized use or disclosure. The ELC shall provide any additional information, including a full written report, as reasonably requested by the Office.

3. If the Office, at its sole discretion, determines that the ELC has failed to comply with any confidentiality provision of this agreement, or determines that prompt and satisfactory
EXHIBIT I

SPECIAL CONDITIONS

corrective action has not occurred, the Office has the unilateral right to suspend the agreement
until it is satisfied that corrective action has been taken, or terminate the agreement. If this
agreement is terminated, the ELC must immediately surrender to the Office all confidential
information and copies thereof obtained under the agreement and any other information
relevant to the agreement.

4. The ELC understands and agrees that all reasonable fees and costs necessary for the Office to
remedy any breach of confidentiality due to the conduct of the ELC, including its employees,
subcontractors, agents, affiliates, or any individual within the control of the ELC, shall be the
responsibility of the ELC. The ELC shall cooperate in the defense and settlement of such
claims. The obligations of this section shall survive the expiration or termination of this
agreement.

5. The ELC understands and agrees to the confidentiality and security provisions of this
agreement regarding the requirements to safeguard the confidentiality of the information which
is the subject of the agreement, and which is considered a material condition of the agreement.
In the event that requirements to safeguard the information, unauthorized disclosure of the
information, or the confidentiality of the information are compromised in any way, the ELC
will be subject to penalties as follows:

5.1. Criminal Penalties: The ELC including its employees, agents, contractors, subcontractors,
affiliates or any other individual that breaches the confidentiality requirements of this
agreement are subject to any state or federal criminal sanctions provided by law,
including, but not limited to penalties as provided for in s. 119.10, F.S., the Florida
Computer Crimes Act (s. 815.04, F.S.) or any other applicable state or federal laws or
regulations.

5.2. Civil Remedies: In addition to criminal sanctions, the ELC including its employees,
agents, contractors, subcontractors, affiliates or any other individual who breaches the
confidentiality requirements of this agreement or applicable laws are subject to any and
all civil remedies available to the Office and the state of Florida.

G. Confidential data

1. The provisions of the Florida Public Records Act, Chapter 119, F.S., and other applicable state
and federal laws will govern disclosure of any confidential information received by the state of
Florida. See 2 CFR §200.337, Restrictions on public access to records, and 2 CFR §200.82,
Protected Personally Identifiable Information (PHI), to review federal grant program
instructions.

2. The ELC acknowledges that each agency, organization or individual receiving confidential and
exempt records in order to carry out official functions must protect the data. Those with access
to confidential data must not permit persons other than those authorized to receive the records,
to obtain children’s or their parents’/guardians’ personal identification.

3. The ELC shall develop processes and procedures to secure the confidential data.

4. The ELC, including its employees, subcontractors, agents, or any other individuals to whom
the ELC exposes confidential information obtained under this agreement, shall not store, or
allow to be stored, any confidential information on any portable storage media (e.g., laptops,
thumb drives, hard drives, etc.) or peripheral device with the capacity to hold information
without encryption software installed on the devices meeting the standards prescribed in the
National Institute of Standards and Technology Special Publication 800-111
with this provision shall constitute a breach of this agreement’s terms.
H. Contingency statement
An annual legislative appropriation determines the state of Florida’s payment obligation under the agreement.

I. Cooperation in investigations
The ELC shall fully cooperate with OEL and any other state or federal authorities on any fraud or other types of investigations. This includes, but is not limited to, producing any requested documents and providing witnesses to testify when requested.

J. E-Verify
1. The ELC shall use the U.S. Department of Homeland Security’s E-Verify system to verify employment eligibility for new hires. Failure to do so shall be cause for OEL to unilaterally cancel this agreement. Also, the ELC agrees to include in related subcontracts a requirement that subcontractors performing work or providing services pursuant to the contract utilize the E-Verify system to verify employment of all new employees hired by the subcontractor during the contract term.

2. The ELC agrees to provide the Office, within thirty (30) days of the effective date of this agreement, documentation of enrollment in the E-Verify program in the form of a copy of the E-Verify “Edit Company Profile” screen, which contains proof of enrollment in the program. (This page can be accessed from the “Edit Company Profile” link on the left navigation menu of the E-Verify employer’s homepage.)

3. The ELC further agrees that it will require each subcontractor that performs work under this agreement to enroll and participate in the E-Verify program within ninety days of the effective date of the agreement or within ninety days of the effective date of the contract between the ELC and the subcontractor, whichever is later. The ELC shall obtain from the subcontractor(s) a copy of the “Edit Company Profile” screen indicating the enrollment in the E-Verify program and make such record(s) available to the Office upon request.

4. The ELC further agrees to maintain records of its participation and compliance with the provisions of the E-Verify program, including participation by its subcontractors as provided above, and to make such records available to the Office.

K. Fiscal and administrative control
The ELC shall not assign nor subcontract direct fiscal or administrative control or responsibility for the agreement to another party. The ELC shall at no time assign control over administrative functions to any individual or organization other than the ELC. The ELC is solely responsible for maintaining all fiscal records and shall retain direct management of, direct access to, and complete control over all fiscal and administrative functions and records.

1. The ELC may contract with a vendor for general accounting and human resource functions; however, such contracts shall specify that the ELC shall have immediate accessibility to all records and documents. The vendor must, by law, maintain required confidential data.

2. The ELC shall notify OEL within 48 hours that the ELC formally initiated a contract for services’ alteration or termination, approached another ELC to discuss a possible merger or directly offered early learning services that another entity previously provided on the ELC’s behalf. The ELC shall also notify OEL within 48 hours if the ELC’s board approves any motion to alter or terminate a contract for services, approach another ELC to discuss a possible merger or directly offer services that another entity previously provided on the ELC’s behalf. A contract for services is a contract for system support or direct enhancement services. Once the ELC’s board approves, the ELC shall, at a minimum of 90 days prior to the service transition, submit a School Readiness Program Plan amendment to OEL for review and approval, if appropriate. The School Readiness Program Plan amendment shall outline the transition for
EXHIBIT I
SPECIAL CONDITIONS

services. The change may alter the status of relevant portions of the plan from “approved” to “approved with conditions” while the ELC implements its board-approved changes.

3. In emergency situations when the ELC is unable to meet this section’s notice requirements, the ELC shall immediately notify the OEL Financial Administration and Budget Services Manager of any action altering or terminating a contract for services or requiring the ELC to directly offer services another entity previously provided on the ELC’s behalf. For purposes of this section, “emergency situations” are those circumstances that qualify for emergency action under s. 287.057, F.S., and the ELC shall follow the statutory requirements for emergency procurement. The ELC executive director or board chair must prepare a written statement certifying the emergency as valid. The ELC must prepare the written statement of an emergency within thirty (30) days of the contractor or ELC beginning to render the service and must state the particular facts and circumstances that precluded the execution of the written agreement before the rendering of the service.

L. Florida Abuse Hotline reporting
In compliance with s. 39.201, F.S., any employee of the ELC or its subcontractors shall immediately report such knowledge or suspicion to the Florida Abuse Hotline on the statewide toll-free telephone number (1-800-96ABUSE) if the employee knows or has reasonable cause to suspect that a child is:

1. Abused, abandoned, or neglected by a parent, legal custodian, caregiver, or other person responsible for the child’s welfare or that a child is in need of supervision and care and has no parent, legal custodian, or responsible adult relative immediately known and available to provide supervision and care; or,

2. Abused by an adult other than a parent, legal custodian, caregiver, or other person responsible for the child’s welfare; or

3. The victim of childhood sexual abuse or the victim of a known or suspected juvenile sexual offender.

M. Force majeure and notice of delay from force majeure
Neither OEL nor ELC shall be liable to the other for any delay or failure to perform under the agreement if such delay or failure is neither the fault nor the negligence of the OEL or ELC or their employees or agents. This holds true if the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods or other similar cause wholly beyond the party’s control, or for any of the foregoing that affects subcontractors or suppliers if there is no available alternate supply source.

However, in the event of delay from the foregoing causes, the OEL or ELC shall take all reasonable measures to mitigate any and all resulting delays or disruptions in the OEL or ELC’s performance obligation under the agreement. If the delay is excusable under this paragraph, the delay will not result in any additional charge or cost to either OEL or ELC under the agreement. In the case of any delay the ELC believes is excusable under this paragraph, the ELC shall notify OEL and describe the cause of the delay or potential delay in writing within ten (10) calendar days after the cause that creates or will create the delay.

The foregoing shall be the ELC’s sole remedy or excuse regarding the delay. The ELC must provide notice in strict compliance with this section to receive the remedy. OEL, in its sole discretion, will determine if the delay is excusable under this paragraph and will notify the ELC of OEL’s decision in writing. The ELC shall not assert a claim for damages, other than for an extension of time, against OEL. The ELC is not entitled to an increase in the agreement price or payment of any kind from OEL for direct, indirect, consequential, impact or other costs, expenses
EXHIBIT I
SPECIAL CONDITIONS

or damages. These include, but are not limited to, costs of acceleration or inefficiency due to delay, disruption, interference or hindrance from any cause whatsoever.

If any of the causes this section describes suspended or delayed performance, in whole or in part, after the causes have ceased to exist, the ELC shall perform at no increased cost, unless OEL determines, in its sole discretion, that the delay will significantly impair the agreement’s value to OEL or the state. In which case, OEL may do any or all of the following actions:

1. Accept the ELC’s allocated performance or deliveries, provided that the ELC grants OEL preferential treatment for products or services subjected to allocation.

2. Purchase from other sources (without recourse to and by the ELC for the related costs and expenses) to replace all or part of the products or services the delay affects. The OEL may deduct the purchases from the agreement funds.

3. Terminate the agreement in whole or in part.

N. Governing law
State of Florida laws applicable to agreements and contracts implemented and wholly performed within the state shall construe and govern the agreement for all purposes. The judiciary system of the state of Florida shall determine all disputes, claims or any other matters. The venue of any and all actions pertaining to this agreement shall be in Leon County, Florida.

O. Indemnification
The ELC shall be liable for and indemnify, defend and hold OEL and all of its officers, directors, agents and employees harmless from all claims, suits, judgments or damages that arise from the ELC or any of its agents, subcontractors or employees’ acts, actions, neglect or omissions during the early learning programs’ performance or operations under the agreement or any subsequent modifications thereof. This includes attorney fees and costs. This indemnification holds whether liability is direct or indirect, and whether damage is to any person or tangible or intangible property.

P. Independent coalition status
In the ELC’s performance of its duties and responsibilities under the agreement, it is mutually understood and agreed that the ELC is at all times acting and performing as an independent contractor and not as a division or subpart of OEL. Nothing in the agreement is intended to or shall be deemed to constitute a partnership or joint venture between the parties.

Q. Insurance and risk mitigation
1. The ELC shall maintain liability insurance coverage on a comprehensive basis and hold such liability insurance at all times during the existence of the agreement and any renewal(s) or extension(s) of it. By execution of the agreement, the ELC accepts full responsibility for identifying and determining the type(s) and extent of liability insurance necessary to provide reasonable financial protections for the ELC and the clients to be served under the agreement.

2. The ELC shall maintain errors and omissions insurance on its board members.

3. The ELC shall maintain fidelity bonding of its fiscal personnel.

4. The ELC shall maintain a disaster recovery plan within its continuity of operations plan (COOP) for unforeseen circumstances whether they are natural or man-made disasters. (Reference Exhibit II Scope of Work D.4.).

5. The ELC will have and continuously maintain all other types of insurance as required by law.

6. In the event that any of the coverage described above is canceled by the insurer for any reason, the ELC shall immediately notify the Office of such cancellation and shall obtain replacement coverage acceptable to the Office and provide proof of such replacement coverage within ten (10) calendar days after the cancellation of coverage.
EXHIBIT I
SPECIAL CONDITIONS

7. All insurance policies shall be with insurers qualified and doing business in Florida. The Office shall be furnished proof of coverage of insurance by standard ACORD form certificates of insurance upon request.

8. In accordance with 2 CFR §200.310, Insurance Coverage, the ELC shall provide equivalent insurance coverage for real property and equipment acquired or improved with grant funds as it does for real property and equipment acquired or improved with non-grant funds.

R. Intellectual property rights

1. All data OEL creates or the ELC receives from OEL, whether electronic or hardcopy, during the duration of this agreement is OEL’s property. The ELC shall surrender it to OEL at no cost to OEL upon expiration, termination or cancellation of this agreement (see 45 CFR §75.322, Intangible property and copyrights). The following terms and conditions apply to all grants recipients, unless explicitly waived.

1.1. With respect to all products created by the ELC pursuant to this agreement, said materials will be the property of OEL.

1.2. To the extent that any product constitutes a “work” within the meaning of U.S. copyright laws, 17 United States Code Service (U.S.C.) 101, et seq., it shall be a “work for hire.” In the event that a court of competent jurisdiction determines that a product or material is not a work for hire as a matter of law, the ELC shall assign and convey to OEL all rights, title and interest in the product or material and require its employees and subcontractors to do the same.

1.3. The ELC agrees that its employees will not assert any ownership of the product produced pursuant to this agreement. The ELC shall be responsible for acquiring necessary releases or establishing appropriate contract provisions in its dealings with employees and subcontractors in order to secure OEL’s rights.

1.4. Any claim by the ELC of ownership of pre-existing copyrights should be explicitly stated in the project documentation.

1.5. The ELC agrees that if it hires any third party to perform any work pursuant to this agreement, the work shall be on a “work for hire” basis and shall not in any way infringe upon OEL’s ownership of the product.

1.6. The ELC agrees not to convey any rights in the product to a third party.

1.7. If the ELC hires a third party to perform any work that involves the use of pre-existing intellectual content owned by the third party, the third party shall expressly assert its ownership of the content and shall grant the ELC and OEL the non-exclusive license to use the product.

2. A licensing agreement or other agreement regarding the use of intellectual property developed pursuant to this agreement may be developed between OEL and the ELC in order to further the use of the products in the educational community.

3. Pursuant to 45 CFR 75 Appendix II, Contract Provisions for Non-Federal Entity Contracts Under Federal Awards, the ELC agrees that to the extent applicable under this agreement to comply with the following:

That contracts or agreements for the performance of experimental, developmental, or research work shall provide for the rights of the Federal Government and the contractor in any resulting invention in accordance with 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative agreements”, and any implementing regulations issued by the awarding agency. See this link for complete details if applicable: Rights to Inventions. If any discovery or invention arises or is developed in the course or as a result of work or services performed with
EXHIBIT I
SPECIAL CONDITIONS

funds from the agreement, or in any way connected with early learning programs, the ELC shall refer the discovery or invention to OEL.

4. Pursuant to s. 286.021, F.S., if the discovery or invention arises or is developed in connection with the use of state funds, OEL will refer it to the Department of State to determine whether patent protection will be sought in the name of the state of Florida. Any and all patent rights accruing under or in connection with the performance of the agreement are hereby reserved to the state of Florida.

5. Pursuant to s. 286.021, F.S., and subject to claims of the HHS, any and all copyrights accruing under or in connection with the ELC’s execution of its duties under the agreement, funded by early learning program funds, are hereby reserved to the state of Florida.

6. Pursuant to 45 CFR §75.322, the HHS reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish, or otherwise use, and to authorize others to use, for Federal Government purposes the copyright in any work developed with federal funds through the agreement and any rights of copyright which the ELC or its sub grantees or contractors purchase with such federal funds.

7. Pursuant to federal and state laws, the ELC will not violate the copyrights of any third party during the performance of the scope of work for this grant award. The ELC further warrants that as to each deliverable produced pursuant to this award, ELC’s production of the deliverable(s), and the Office’s use of the deliverable(s), will not infringe on the copyrights of any third party. This provision applies to each work of authorship in which copyrights subsist pursuant to 17 U.S.C. Sections 102 – 105 and to each exclusive right established in 17 U.S.C. Section 106. In furtherance of this provision the ELC additionally warrants the following:

7.1. As to each work of software or other “information technology,” as defined in s. 287.012(15), F.S., in which copyrights subsist, the ELC has acquired the rights by conveyance or license to any third party software or other information technology, which was used to produce the deliverable(s).

7.2. As to each image and sound recording incorporated into a deliverable, the ELC has acquired the necessary rights, releases, and waivers from the person whose image or sound included, or from the holder of the copyrights subsisting in the literary, musical, dramatic, pantomime, choreographic, pictorial, graphic sculptural, motion pictures, audiovisual work or sound recording from which the included image or sound recording was taken.

S. Logo usage
1. ELCs shall only use OEL logos that have been approved by OEL. This section does not apply to ELC logos.

2. ELC shall update electronic OEL logos used locally in electronic materials to the current OEL-released logo within sixty (60) calendar days of release with the exception of the electronic OEL-related logos embedded in the OEL-approved system software. ELC shall notify OEL in writing of any circumstances resulting in a delay in updated logo implementation.

T. Mandatory reporting of fraud and criminal activity
In accordance with 45 CFR §75.113 (also 2 CFR §200.113), Mandatory disclosures, the ELC and its approved subcontractors must comply with and inform its employees of mandatory reporting requirements. Each employee of the ELC and any subcontractor (subrecipient or contractor) providing services in connection with this Agreement shall disclose to the OEL Inspector General in a timely manner and in writing all violations involving fraud, bribery or gratuity violations potentially affecting this agreement and/or the related federal/grant program(s). OEL is required to
EXHIBIT I
SPECIAL CONDITIONS

The ELC shall comply with the terms of s. 216.345, F.S., and 2 CFR §75.454, Memberships, subscriptions, and professional activity costs, when incurring costs related to paying membership dues, subscriptions and licensing fees.
Payment information, which must contain a statement that the records of memberships, subscriptions or licenses for which the ELC paid, maintained at the ELC shall be public records pursuant to s. 119.01(3), F.S. The organization paid must provide this statement. This public records requirement applies only to the portion of activities of the organization(s) that pertain to the public federal/state grant programs the ELC funded.

V. More restrictive conditions
Pursuant to 2 CFR §200.207, Specific conditions, if the ELC is found to be in noncompliance with fund source requirements or determined to be “high risk” by OEL, the ELC shall be subject to the imposition of more restrictive conditions.

W. Notification of legal action
The ELC shall notify OEL of legal actions taken against it or potential actions such as lawsuits related to services provided through this agreement, that may impact the ELC’s ability to deliver the contractual services or that may adversely impact OEL. The ELC shall notify OEL in writing within twenty-four (24) continuous hours of becoming aware of such actions or from the day of the legal filing, whichever comes first.

X. Office of Minority Business Enterprise Report
OEL is dedicated to supporting, tracking and increasing its small minority business enterprise spending with prime contractors and subcontractors as s. 287.0943, F.S., requires. The ELC shall submit the Minority Sub Contractors Utilization Summary report quarterly, regardless of whether the ELC has spent the funds with a small, minority-, women-, and service-disabled veteran business enterprise subcontractor for the quarter. See Exhibit VI for report submission location and due date requirements.

Y. Order of precedence
If there is any conflict between the provisions in the agreement and the standards the CCDF State Plan sets forth and federal and state law (in which case, OEL may modify the agreement from time to time), resolution will occur in the following order of priority. If a lower priority law contains a stricter requirement, the stricter requirement prevails.
1. Federal law.
2. State law.
3. The agreement.
4. The CCDF State Plan.

Z. Personnel
1. Changes in key personnel
The ELC shall notify OEL in advance but no later than five (5) working days after any changes in the ELC’s telephone number (parent line and main line), email or physical address or key personnel positions. Key personnel positions include the executive director, the director of program operations and the finance officer. Changes in key personnel may include, but are not limited to, resignations and other employment terminations, and approved leaves of absence of six (6) weeks or longer. 2. Personnel costs – time distribution
The ELC shall base charges to federal projects for personnel costs, whether treated as direct or indirect costs, on payrolls documented in accordance with generally accepted practices from and approved by a responsible official(s) of the contractor/grantee. Such generally accepted practices must comply with the instructions provided in OEL’s Cost Allocation Guidance. When employees work on multiple activities or cost objectives (e.g., more than one federal grant program, a federal grant program and a non-federal grant program, an indirect cost activity and a direct cost activity, two or more indirect activities that are allocated using different allocation bases, or an unallowable activity and a direct or indirect cost activity), the distribution of their salaries or wages will be supported by personnel activity reports or equivalent documents that meet the following standards:

2.1. Reflect an after-the-fact distribution of the actual activity of each employee.
2.2. Account for the total activity for which each employee is compensated.
2.3. Prepared at least monthly and must coincide with one or more pay periods.
2.4. Signed by the employee and/or supervisor that has first-hand knowledge of the employee’s performed tasks.

AA. Policy Compliance
The agreement requires ELC compliance with the following referenced OEL Program Guidance and with any subsequent revisions, which are hereby incorporated by reference:

SS. **Warrant of ability to perform**
The ELC warrants that, to the best of its knowledge, there is no pending or threatened action, proceeding, litigation or investigation, or any other legal or financial condition that would in any way prohibit, restrain or diminish the ELC’s ability to perform under the agreement. The ELC shall immediately notify OEL in writing if its ability to perform is compromised in any manner or if it becomes involved in any litigation during the term of the agreement.
TT. Whistleblower’s Act
In accordance with s. 112.3187, F.S., the ELC shall not retaliate against an employee for reporting violations of law, rule or regulation that creates and presents a substantial and specific danger to the public’s health, safety, or welfare. Furthermore, the ELC shall not retaliate against any person who discloses information to an appropriate agency alleging improper use of governmental office, gross waste of funds, or any other abuse or gross neglect of duty on the part of any agency, public officer, or employee. The ELC shall inform its employees that they and other persons may file a complaint with the Office of Chief Inspector General, the Office’s Inspector General, and the Florida Commission on Human Relations or the Whistle-blower’s Hotline number at 1-800-543-5353. A. General statement

1. Purpose and general information

This agreement establishes terms and conditions with which the ELC agrees to comply in exchange for federal and state funds from OEL. Within its service area, the ELC shall operate the VPK Program and the SR Program, which includes the CCR&R Network, the Inclusion Warm-Line Program, child eligibility and management of child care placements, the ELPFP, additional quality enhancement services and the CCEP Program. The ELC shall comply with federal and state statutes or rules superseding the provisions of this agreement.

OEL, at its sole discretion and upon written request by the ELC, will consider offering an extension for any listed tasks, timelines, or deliverables. Notification of any deliverable extension granted shall be provided in writing by the OEL grant manager to the ELC.

2. Funding and budget

OEL shall notify the ELC of its funding allocations under the agreement by way of Notice of Award (NOA). OEL shall provide an NOA, which will state the award period, to the ELC for the SR and VPK Programs. Noncompliance with the terms and conditions of this agreement and the NOA may result in the ELC losing grant funds or the OEL suspending or terminating the agreement or disallowing costs. OEL has the authority to amend the ELC’s NOA to reallocate funds.

3. Major goals

3.1. Develop a comprehensive, research-based, developmentally appropriate, state and local SR Program, which involves the parent as the child’s first teacher, serves as a preventive measure for children at risk of future school failure, and enhances the educational readiness of young children. The SR Program should be of assistance to parents in preparing their children, who may be at risk, for educational success, including, as appropriate, early care and education, health/developmental screening and referral.

3.2. Make the SR Program available to families, based on eligibility or other factors, in a variety of settings (e.g., private, faith-based, family child care, public) to meet each family’s needs.

3.3. Help economically disadvantaged, working families afford quality early learning services.

3.4. Enable eligible parents to participate in workforce training, pursue higher education and remain in the workforce so that they may achieve economic self-sufficiency.

3.5. Offer training, technical assistance, consumer education and information to providers and families about child development and other topics related to early learning and community resources, as appropriate.

3.6. Facilitate a coordinated system of care for children impacted by these programs.

3.7. Provide a statewide pay for performance funding initiative that

3.7.1. Increases payment rates for providers that exhibit quality.

3.7.2. Incorporates local participation in supports that increase the quality of early learning experienced by children in the SR Program.

3.7.3. Generates statewide data used to target quality improvement.

3.8. Assist and support VPK and SR providers’ capacity to address and enhance each child’s ability to make age appropriate progress in an appropriate range of settings. This development should include, but not be limited to language, cognitive capabilities, emotional, social, regulatory and moral capacities.

3.9. Ensure contracted providers are compliant with all statutes and rules governing the SR Program and/or VPK Education Program and issuing corrective action for noncompliance.
EXHIBIT II

SCOPE OF WORK

B. Terms and definitions

1. Accountability Monitoring Report – Annual report that identifies monitoring observations about the coalition’s overall administration and implementation of early learning programs in the areas of Coalition Governance (CG), Operations and Program Management (OPM), Child Care Resource and Referral (CCR&R), Educational Services Delivery (ESD), School Readiness (SR), Voluntary Prekindergarten (VPK), and Data Accuracy (DA). The report informs on whether or not the coalition met service delivery and operational requirements or was non-compliant. For non-compliant observations, the report identifies recommended corrective actions that may include questioned costs that result in repayment by the ELC.

2. Bright Beginnings Online Reporting System – A Web-based online information system supported by the Office of Early Learning that houses the online reporting system for the VPK Assessment. The system provides VPK administrators and teachers with a user-friendly tool to track children’s progress in attaining the skills based on the Standards for Four-Year-Olds, inform instructional strategies and provide assessment reporting for parents and other stakeholders.

3. Child Care Authorization Form – Form granting authorization for SR services, distributed from local referring agencies to families meeting requirements of the following SR priorities including:

3.1 A child younger than 13 years of age from a family that includes a parent who is receiving temporary cash assistance under chapter 414 and subject to the federal work requirements.

3.2 An at-risk child younger than 9 years of age.

3.3 A child of a parent who transitions from the work program into employment as described in s. 445.032 from birth to the beginning of the school year for which the child is eligible for admission to kindergarten in a public school under s. 1003.21(1)(a)2.

3.4 An at-risk child who is at least 9 years of age but younger than 13 years of age. An at-risk child whose sibling is enrolled in the school readiness program within an eligibility priority category listed in s. 1002.87 (1) paragraphs (a) and (b) and subparagraph (c)1 shall be given priority over other children who are eligible under this paragraph.

3.5 A child of a parent who transitions from the work program into employment as described in s. 445.032 who is younger than 13 years of age.

4. Child Care Executive Partnership (CCEP) Program – The CCEP program extends child care availability through dollar-for-dollar matching funds from local governments, employers, charitable foundations and other sources. ELCs with committed matching funds may apply for CCEP participation (s. 1002.94, F.S.). The CCEP program is a public/private partnership program that helps employers meet the needs of a growing segment of their work force – working parents. Through the program, federal and state funding is “matched” with contributions from local governments, charitable foundations and/or private businesses on a dollar-for-dollar basis to provide child care services to participating families. The program helps communities expand child care funding for lower-income working families and helps employers increase profits by providing valuable work-life benefits for employees. The program’s annual budget, fund distributions and policy decisions about administering the program are prepared at the state level. At the local level, ELCs make funding decisions, administer the program, manage contributions and determine eligibility for families who want to participate.
EXHIBIT II

SCOPE OF WORK

5. Child Care Resource and Referral (CCR&R) Network – A free service for any family living in or preparing to move to Florida that helps families identify and select quality child care and early education programs and offers consumer education and community resources. ELCs provide resource and referral services for families and childcare providers in their local areas. These local resource and referral programs:

5.1 Act as the “front door” to families, providing early learning information and referrals and community resources.

5.2 Verify legally operating provider information is up-to-date in its service area within the SSIS, in accordance with Rule 6M-9.300, F.A.C..

5.3 Provide consumer education and other information regarding available community resources and financial assistance programs to all families, including those applying or recertifying for SR or VPK programs, families placed on the waitlist for services, and families with children who have disabilities or special healthcare needs.

5.4 Offer start-up and on-going training and technical assistance for providers.

6. Child eligibility – Managing child care placement services to allow eligible families and children to receive the determined level of child care services. The ELC or contracted subrecipient determines eligibility for the SR and VPK Programs and manages the families’ and children’s program participation.

7. Classroom Assessment Scoring System (CLASS®, CLASS) – An observation-based program assessment instrument and associated system that measures teacher-child interactions. CLASS is a registered trademark of Teachstone Training, LLC.

8. Composite CLASS score – A score determined by averaging 50% of CLASS observations by care level at a participating provider including each CLASS dimension except Negative Climate.

1.1. OEL shall make payment to the ELCs according to s. 215.422, F.S., Rule 69I-40, F.A.C. that govern time limits and requirements for payment of vouchers by state warrant. The expenditure of funds must be authorized by law and the expenditure must meet the intent and spirit of the law authorizing the payment.

1.2. The ELC shall submit monthly reimbursement requests for allowable expenditures no later than twenty five (25) calendar days following the last day of the previous month.

1.3. The ELC shall base the requests on actual allowable expenditures used to complete the required tasks. Reimbursement requests should also identify the services performed by including unduplicated number of children served during the reporting period for all direct services.

1.4. The ELC shall submit reimbursement requests to the OEL grant manager for approval in compliance with the most recent version of OEL Program Guidance 240.06 – Reimbursement Requests.

1.5. The ELC shall provide sufficient detail, as the OEL reimbursement request instructions describe, for OEL to comply with federal and state reporting requirements and pre-/post-audit requirements.

1.9. On June 30 of each year, OEL will certify outstanding obligations by certified forward budget in compliance with s. 216.301, F.S. Refunds submitted after June 30 for the prior award year do not restore budget or provide certified forward budget. OEL shall pay reimbursement requests submitted after June 26 for the prior award year, for which no certified forward budget remains, from the current award. The certified forward budget reverts on September 30 each year and is not available after that date for paying reimbursement requests.
EXHIBIT II
SCOPE OF WORK

2. Final reimbursement request
   2.1. The ELC shall submit a final reimbursement request for use of certified forward funds for a
        prior fiscal year no later than September 20 following the award period ending, unless
        otherwise authorized.
   2.2. The ELC shall reconcile all expenditures submitted for reimbursement to the ELC’s
        accounting system and shall maintain supporting documentation for all expenditures. The

        reimbursement transactions to the OEL Uniform Chart of Accounts and the ELC’s general
        ledger and shall use the appropriate program and OCA to identify them.
   2.4. OEL may monitor the agreement by validating reimbursements in relationship to provided
        services and reviewing the records and contracts related to those reimbursements.

3. Advance payment request
   3.1. The ELC may request approval from OEL for release of advanced funds to the ELC based
        on the ELC’s projected cash needs.

        OEL Program Guidance 240.01 – Cash Management and Rule 6M-8.205, F.A.C.

        need for two (2) consecutive months.

        Budget Allocation by Other Cost Accumulators (OCA) form.
   5.3. The initial Budget Allocation by OCA shall reconcile to the annual Budget Report.
   5.4. The ELC’s OEL-approved Budget Allocation by OCA may be amended as needed, subject
        to review and approval by the OEL grant manager.
   5.5. If the ELC proposes a budget amendment that affects the School Readiness Program Plan,
        the ELC shall seek and receive OEL’s approval of a plan amendment before the ELC may
        implement the budget amendment or expend funds related to the amendment.

8.2.3. The OEL grant manager shall review the ELC’s CAP and provide approval or disapproval in writing to the ELC within five (5) business days. If disapproving, the response from OEL shall include details of the CAP deficiencies requiring correction before the CAP can be approved.

1. During the course of any state fiscal year, the Office, the Florida DFS, the Florida Auditor General, HHS, Inspector Generals of federal and state agencies, the Comptroller General of the United States or any of their duly authorized representatives may review operations of and records from the ELC.

2. Any of the above-listed reviews may identify questioned costs. The ELC shall have an opportunity to substantiate or appeal the finding or questioned cost(s). Any unresolved questioned costs may become disallowed federal and state program costs. Section 17.04, F.S., and 2 CFR §200, require ELCs to repay disallowed federal and state program costs. Contractors/grantees may not pay disallowed costs with federal grant, state grant or matching funds.

3. The ELC agrees that legal expenses and related costs in the defense or prosecution of any claim or appeal against the state government or any of its agencies are not reimbursable costs. However, 2 CFR §200 Subpart E allows reasonable legal expenses and related costs required in administering early learning programs within administrative expenditure limitations for SR and VPK Programs.

B. Monitoring

1. Monitoring activities. The Office is responsible for monitoring grant, subrecipient and contract supported activities to assure compliance with Federal requirements and that performance goals are being achieved. In accordance with 45 CFR §75.342 (also 2 CFR §200.328), Monitoring and reporting program performance, subrecipient monitoring must cover each program, function and activity. Each ELC shall submit the completed ICQ and any other supporting files considered necessary electronically to the report recipient indicated in Exhibit VI – List of Reports. If the ELC does not have access to the OEL SharePoint site, OEL will provide alternative written instructions.

C. Audits

1. Federally-funded

This section is applicable if the ELC is a state or local government or a non-profit organization as defined in 2 CFR §200. A web site that provides links to several Federal Single Audit Act resources can be found at: Federal Single Audit Act Resources.

1.1. According to the Subpart F-Audits 45 CFR §75.501(a), non-federal entities that expend $750,000 or more during the non-Federal entity’s fiscal year in Federal awards must have a single or program-specific audit conducted for that year in accordance with the provisions of this part and other applicable federal regulations. Guidance on determining Federal awards expended is provided in 45 CFR Part 75.502 (2 CFR §200.502).
EXHIBIT III
AUDIT REQUIREMENTS

1.2. The Office’s Notice of Award indicates Federal resources awarded through the Office by this agreement. 1.3. The ELC is responsible for submitting the Single Audit Reports and the required federal Data Collection Forms (SF-FAC) electronically to the Federal Audit Clearinghouse within the earlier of thirty (30) days after receipt or nine months after the fiscal year’s end of the audit period.

1.4. If the ELC expends less than $750,000 in federal awards in its fiscal year, a federal Single Audit is not required. If the ELC still elects to have an audit conducted in accordance with the provisions of 2 CFR §200, then the cost of the audit must be paid from non-federal resources (i.e., the ELC must pay the audit costs from resources obtained from non-federal and non-state entities).

2. State-funded
This part is applicable if the ELC is a non-state entity as defined by s. 215.97(2), F.S. — The Florida Single Audit Act. Additional information regarding the Florida Single Audit Act can be found at: Florida Single Audit Act.

2.1. The Office’s Notice of Award indicates State resources awarded through the Office by this agreement. In determining the State awards expended in its fiscal year, the ELC shall consider all sources of State awards, including State resources received from the Office.

2.2. In the event the ELC expends $750,000 or more of state financial assistance in any fiscal year, the ELC must have a state single or project-specific audit conducted accordance with the Florida Single Audit Act; Chapter 69I-5, F.A.C.; Rule 61H1-20.0093, F.A.C., Chapter 10.550 – Local Government Entity Audits or Chapter 10.650 – Florida Single Audit Act Audits Non-profit and For-profit Organizations.

2.3. State financial assistance does not include federal direct or pass-through awards and resources received by a non-state entity for federal program matching requirements.
EXHIBIT III

AUDIT REQUIREMENTS

2.4. If the ELC expends less than $750,000 in state financial assistance in its fiscal year, a Florida Single Audit is not required. If the ELC still elects to have an audit conducted in accordance with the provisions of s. 215.97, F.S., the cost of the audit must be paid from non-state resources (i.e., the ELC must pay the audit costs from resources obtained from non-federal and non-state entities).

2.5. Pursuant to s. 215.97(8), F.S., state agencies may conduct or arrange for audits of state financial assistance that are in addition to audits conducted in accordance with s. 215.97, F.S. In such an event, the state awarding agency must arrange for funding the full cost of such additional audits.

2.6. Find additional information regarding the Florida Single Audit Act at the Florida DFS website State Single Audit resources.

3. Special Audit Testing Requirements

3.1. It is essential that the audit firm test the Coalition's monthly reconciliation of its financial records to the Single Statewide Information System (SSIS). Finally, a statement must be included to indicate the auditor's work papers include documentation to verify tests of these tasks were performed and such work papers are available for review by OEL staff upon request.

3.2. If such testing was not completed, or if these statements are missing from the annual audit report, the auditor's annual procedures will be considered incomplete/deficient and the Coalition will receive notice of such in the OIG's annual Management Decision.

3.3. All funds administered by the Coalitions must be included in the audit coverage. This includes funds that are provided to any auxiliary entity over which the Coalition exercises controlling influence, such as a foundation. For purposes of this Agreement, all foundations or other similar entities are considered to be affiliated organizations and, in some instances, may need to be classified as a component unit.

3.4. For any affiliated organization, at a minimum the audit report should disclose the entity's mission/purpose and summarized financial data including total assets, liabilities, net assets, revenues, expenditures, and the entity's relationship to the Coalition's activities. The auditor may need to provide other disclosures and presentations (such as consolidated financial statements) as appropriate after giving proper consideration of applicable accounting standards pronouncements regarding reporting of related entities such as FASB Statement of Position (SOP) 94-3.

SPECIAL CONDITIONS

A. Allowable costs
In accounting for and expending grant funds, a recipient and/or subrecipient may only charge expenditures to the grant award if they are:
(a) in payment of obligations incurred during the approved grant period,
(b) in conformance with the approved program services,
(c) in compliance with all applicable statutes and regulatory provisions,
(d) costs that are allocable to a particular cost objective,
(e) spent only for reasonable and necessary costs of the program, and
(f) not used for general expenses required to carry out other responsibilities of the ELC.

B. Assignments
OEL shall at all times retain the ability to assign or transfer its rights, duties or obligations under the agreement to another State of Florida governmental agency; in the event that this occurs, OEL shall give prior written notice to the ELC. The ELC agrees not to assign the responsibility for the agreement to another party without OEL’s express written approval. The ELC agrees to notify OEL prior to change to the ELC’s early learning programs service delivery provider, if applicable. In the event OEL or a state of Florida agency approves the ELC’s transfer of obligations, the ELC retains responsibility for all agreement-related work and expenses. In addition, the agreement shall bind the ELC’s successors, assigns and legal representatives to any legal entity that succeeds OEL’s obligations. The ELC’s agreements and contracts with subrecipients must contain this agreement’s special conditions and audit requirements. The ELC’s agreements with subrecipients shall only include applicable scope of work provisions of this agreement.

C. Background screening
The ELC shall have written policies and agrees to comply with the following:
1. The ELC shall conduct employee background screening in accordance with the requirements in this section (C.).
2. “Qualified entity,” as defined in s. 943.0542, F.S., means a business or organization, whether public, private, operated for profit, operated not-for-profit or voluntary, that provides care or care placement services, including a business or organization that licenses or certifies others to provide care or care placement services.
3. An ELC is a qualified entity and therefore shall register with the Florida Department of Law Enforcement (FDLE). The entity shall have all employees assigned to work on this agreement screened in a manner consistent with s. 943.0542, F.S.
4. The ELC shall require any subrecipient, contractor, or subcontractor it retains that also meets the definition of qualified entity to likewise register and have all of the employees it assigns to work under the terms of this agreement screened in a manner consistent with s. 943.0542, F.S. The ELC shall ensure that background screening of subcontractors is complete prior to providing services under the contract.
5. The ELC shall obtain the following documentation for new employees prior to their first day of employment. For monitoring and audit purposes, the ELC shall maintain on file verification for all ELC personnel and any applicable subrecipient or contractor’s personnel, if applicable and unless excluded as described below, assigned to work on this agreement:
   5.1. Documentation the individual complies with the background screening standards set forth in s. 435.04, F.S.
   5.2. The highest level of education claimed, if the position requires.
   5.3. All applicable professional licenses claimed, if the position requires.
EXHIBIT I

5.4. Applicable employment history, if the position requires.
5.5. To be in compliance, employee background screenings must be from no earlier than five years before the employees' ELC employment date.
5.6. The ELC shall update the background screening every five years on or before the anniversary date of the prior background screening check and thereafter if the individual continues performing under this agreement.
5.7. The ELC shall repeat the background screening if there is a 90-day lapse in employment from working on this agreement. The ELC shall rescreen the person before assigning the person to this agreement.
5.8. The ELC shall arrange for and pay all the costs for employee background screenings.
5.9. The ELC shall require each employee it assigns to this agreement to notify the ELC within 10 calendar days of being arrested for any criminal offense.
5.10. The ELC shall review the alleged offense within 48 hours of notification, determine if the offense is one that would exclude the employee under a level 2 screening and, if so, remove the employee from work on this agreement. If the 48-hour period falls on a Saturday, Sunday, or Federal holiday, the determination shall occur the next business day.
5.11. The ELC shall not allow the employee to return to work on this agreement until cleared of all charges that would exclude the employee under a level 2 background screening.
5.12. ELC board members and volunteers who interact with children on an intermittent basis for less than 10 hours per month are not required to be background screened as long as a person who meets the background screening requirements of the agreement has the board member or volunteer in his or her line of sight during any interaction with children. Background screening costs for board members and volunteers are allowable ELC expenditures.
5.13. The ELC shall require, if applicable, its subrecipient or contractor to:

5.13.1. Notify the ELC within 10 calendar days of an employee being arrested or removed from working on the contract for any criminal offense.
5.13.2. Review the alleged offense within 48 hours, determine if the offense is one that would exclude the employee under a level 2 screening and, if so, remove the employee from work on the contract. If the 48-hour period falls on a Saturday, Sunday, or Federal holiday, the determination shall occur the next business day.
5.13.3. Not permit the employee to return to work on the contract until cleared of all charges.

6. Any subrecipient, contractor or subcontractor who does not meet the definition of "Qualified Entity" but who has staff that will perform duties under contract with the ELC and are permitted access to a child care location while children are present, or will have access to confidential information about the children in care or their family shall comply with all of the above.

7. Any contractor or subcontractor who does not meet the definition of "Qualified Entity" and who has staff that will perform duties under this agreement but will have absolutely no interaction with nor be present around a child in care nor will they have access to any confidential information about either a child in care or that child's family is not required to submit its employees to a background screening.
EXHIBIT I

8. Written policies may exclude reference to subrecipient, contractor or subcontractor if not applicable. However if an ELC contracts with a subrecipient, contractor or subcontractor during the term of this agreement then the policies should be updated to include reference.

D. Breach of security/confidentiality

As defined in Chapter 282.0041 F.S., “Security Incident” means a violation or imminent threat of violation, whether such violation is accidental or deliberate, of information technology security policies, acceptable use policies, or standard security practices. An imminent threat of violation refers to a situation in which the state agency has a factual basis for believing that a specific incident is about to occur.

As defined in Chapter 501.171, F.S., “Breach of Security” means unauthorized access of data containing personal information. Good faith access of personal information by an employee or agent of the ELC does not constitute a breach of security, provided that the information is not used for a purpose unrelated to the agreement or subject to further unauthorized use.

As defined in Chapter 282.0041, F.S., “Breach” means a confirmed event that compromises the confidentiality, integrity, or availability of information or data.

1. The ELC agrees to comply with s. 501.171, F.S. related to the security of confidential personal information and understands that the ELC for this purpose will be considered a third party agent as referenced in this statutory section.

2. The ELC shall immediately notify the Office’s Inspector General and Information Security Manager of any Security Incident, Breach or Breach of Security of which it becomes aware by its employees, subcontractors, agents or representatives. Notwithstanding requirements of s. 501.171(3), F.S., within 24 hours of the incident the ELC shall provide written notification to the Office’s Inspector General and Information Security Manager that identifies: (i) the nature of the unauthorized use or disclosure, (ii) the confidential information used or disclosed, (iii) who made the unauthorized use or received the unauthorized disclosure, (iv) what the ELC has done or shall do to mitigate any deleterious effect of the unauthorized use or disclosure, and (v) what corrective action the ELC has taken or shall take to prevent future similar unauthorized use or disclosure. The ELC shall provide any additional information, including a full written report, as reasonably requested by the Office.

3. If the Office, at its sole discretion, determines that the ELC has failed to comply with any confidentiality provision of this agreement, or determines that prompt and satisfactory corrective action has not occurred, the Office has the unilateral right to suspend the agreement until it is satisfied that corrective action has been taken or terminate the agreement. If this agreement is terminated, the ELC must immediately surrender to the Office all confidential information and copies thereof obtained under the agreement and any other information relevant to the agreement.

4. The ELC understands and agrees that all reasonable fees and costs necessary for the Office to remedy any breach of confidentiality due to the conduct of the ELC, including its employees, subcontractors, agents, affiliates, or any individual within the control of the ELC, shall be the responsibility of the ELC. The ELC shall cooperate in the defense and settlement of such claims. The obligations of this section shall survive the expiration or termination of this agreement.

5. The ELC understands and agrees to the confidentiality and security provisions of this agreement regarding the requirements to safeguard the confidentiality of the information which is the subject of the agreement, and which is considered a material condition of the agreement. In the event that requirements to safeguard the information, unauthorized
EXHIBIT I

disclosure of the information, or the confidentiality of the information are compromised in any way, the ELC will be subject to penalties as follows:

5.1. Criminal Penalties: The ELC including its employees, agents, contractors, subcontractors, affiliates or any other individual that breaches the confidentiality requirements of this agreement are subject to any state or federal criminal sanctions provided by law, including, but not limited to penalties as provided for in s 119.10, F.S., the Florida Computer Crimes Act (s. 815.04, F.S.) or any other applicable state or federal laws or regulations.

5.2. Civil Remedies: In addition to criminal sanctions, the ELC including its employees, agents, contractors, subcontractors, affiliates or any other individual who breaches the confidentiality requirements of this agreement or applicable laws are subject to any and all civil remedies available to the Office and the state of Florida.

E. Confidential data

1. The provisions of the Florida Public Records Act, Chapter 119, F.S., and other applicable state and federal laws will govern disclosure of any confidential information received by the state of Florida. See 2 CFR §200.337, Restrictions on public access to records, and 2 CFR §200.82, Protected Personally Identifiable Information (PPII), to review federal grant program instructions.

2. The ELC acknowledges that each agency, organization or individual receiving confidential and exempt records in order to carry out official functions must protect the data. Those with access to confidential data must not permit persons other than those authorized to receive the records, to obtain children’s or their parents'/guardians’ personal identification.

3. The ELC shall develop processes and procedures to secure the confidential data.

4. The ELC, including its employees, subcontractors, agents, or any other individuals to whom the ELC exposes confidential information obtained under this agreement, shall not store, or allow to be stored, any confidential information on any portable storage media (e.g., laptops, thumb drives, hard drives, etc.) or peripheral device with the capacity to hold information without encryption software installed on the devices meeting the standards prescribed in the National Institute of Standards and Technology Special Publication 800-111 http://csrc.nist.gov/publications/nistpubs/800-111/SP800-111.pdf. Failure to strictly comply with this provision shall constitute a breach of this agreement’s terms.

F. Contingency statement

An annual legislative appropriation determines the state of Florida’s payment obligation under the agreement.

G. Cooperation in investigations

The ELC shall fully cooperate with OEL and any other state or federal authorities on any fraud or other types of investigations. This includes, but is not limited to, producing any requested documents and providing witnesses to testify when requested.

H. E-Verify

1. The ELC shall use the U.S. Department of Homeland Security’s E-Verify system to verify employment eligibility for new hires. Failure to do so shall be cause for OEL to unilaterally cancel this agreement. Also, the ELC agrees to include in related subcontracts a requirement that subcontractors performing work or providing services pursuant to the contract utilize the E-Verify system to verify employment of all new employees hired by the subcontractor during the contract term.
2. The ELC agrees to provide the Office, within thirty days of the effective date of this agreement, documentation of enrollment in the E-Verify program in the form of a copy of the E-Verify "Edit Company Profile" screen, which contains proof of enrollment in the program. (This page can be accessed from the “Edit Company Profile” link on the left navigation menu of the E-Verify employer’s homepage.)

3. The ELC further agrees that it will require each subcontractor that performs work under this agreement to enroll and participate in the E-Verify program within ninety days of the effective date of the agreement or within ninety days of the effective date of the contract between the ELC and the subcontractor, whichever is later. The ELC shall obtain from the subcontractor(s) a copy of the “Edit Company Profile” screen indicating the enrollment in the E-Verify program and make such record(s) available to the Office upon request.

4. The ELC further agrees to maintain records of its participation and compliance with the provisions of the E-Verify program, including participation by its subcontractors as provided above, and to make such records available to the Office.

I. Florida Abuse Hotline reporting

In compliance with s. 39.201, F.S., any employee of the ELC or its subcontractors shall immediately report such knowledge or suspicion to the Florida Abuse Hotline on the statewide toll-free telephone number (1-800-96ABUSE) if the employee knows or has reasonable cause to suspect that a child is:

1. Abused, abandoned, or neglected by a parent, legal custodian, caregiver, or other person responsible for the child’s welfare or that a child is in need of supervision and care has no parent, legal custodian, or responsible adult relative immediately known and available to provide supervision and care; or,

2. Abused by an adult other than a parent, legal custodian, caregiver, or other person responsible for the child’s welfare; or

3. The victim of childhood sexual abuse or the victim of a known or suspected juvenile sexual offender.

J. Force majeure and notice of delay from force majeure

Neither OEL nor ELC shall be liable to the other for any delay or failure to perform under the agreement if such delay or failure is neither the fault nor the negligence of the OEL or ELC or their employees or agents. This holds true if the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods or other similar cause wholly beyond the party’s control, or for any of the foregoing that affects subcontractors or suppliers if there is no available alternate supply source.

However, in the event of delay from the foregoing causes, the OEL or ELC shall take all reasonable measures to mitigate any and all resulting delays or disruptions in the OEL or ELC’s performance obligation under the agreement. If the delay is excusable under this paragraph, the delay will not result in any additional charge or cost to either OEL or ELC under the agreement. In the case of any delay the ELC believes is excusable under this paragraph, the ELC shall notify OEL and describe the cause of the delay or potential delay in writing within 10 calendar days after the cause that creates or will create the delay.

The foregoing shall be the ELC’s sole remedy or excuse regarding the delay. The ELC must provide notice in strict compliance with this section to receive the remedy. OEL, in its sole discretion, will determine if the delay is excusable under this section and will notify the ELC of OEL’s decision in writing. The ELC shall not assert a claim for damages, other than for an extension of time, against OEL. The ELC is not entitled to an increase in the agreement price.
EXHIBIT I

or payment of any kind from OEL for direct, indirect, consequential, impact or other costs, expenses or damages. These include, but are not limited to, costs of acceleration or inefficiency due to delay, disruption, interference or hindrance from any cause whatsoever. If any of the causes this section describes suspended or delayed performance, in whole or in part, after the causes have ceased to exist, the ELC shall perform at no increased cost, unless OEL determines, in its sole discretion, that the delay will significantly impair the agreement’s value to OEL or the state. In which case, OEL may do any or all of the following actions:

1. Accept the ELC’s allocated performance or deliveries, provided that the ELC grants OEL preferential treatment for products or services subjected to allocation.

2. Purchase from other sources (without recourse to and by the ELC for the related costs and expenses) to replace all or part of the products or services the delay affects. The OEL may deduct the purchases from the agreement funds.

3. Terminate the agreement in whole or in part.

K. Governing law
State of Florida laws applicable to agreements and contracts implemented and wholly performed within the state shall construe and govern the agreement for all purposes. The judiciary system of the state of Florida shall determine all disputes, claims or any other matters. The venue of any and all actions pertaining to this agreement shall be in Leon County, Florida.

L. Indemnification
The ELC shall be liable for and indemnify, defend and hold OEL and all of its officers, directors, agents and employees harmless from all claims, suits, judgments or damages that arise from the ELC or any of its agents, subcontractors or employees’ acts, actions, neglect or omissions during the early learning programs’ performance or operations under the agreement or any subsequent modifications thereof. This includes attorney fees and costs. This indemnification holds whether liability is direct or indirect, and whether damage is to any person or tangible or intangible property.

M. Independent coalition status
In the ELC’s performance of its duties and responsibilities under the agreement, it is mutually understood and agreed that the ELC is at all times acting and performing as an independent contractor and not as a division or subpart of OEL. Nothing in the agreement is intended to or shall be deemed to constitute a partnership or joint venture between the parties.

N. Insurance and risk mitigation
1. The ELC shall maintain liability insurance coverage on a comprehensive basis and hold such liability insurance at all times during the existence of the agreement and any renewal(s) or extension(s) of it. By execution of the agreement, the ELC accepts full responsibility for identifying and determining the type(s) and extent of liability insurance necessary to provide reasonable financial protections for the ELC and the clients to be served under the agreement.

2. The ELC shall maintain errors and omissions insurance on its board members.

3. The ELC shall maintain fidelity bonding of its fiscal personnel.

4. The ELC shall maintain a disaster recovery plan within its continuity of operations plan (COOP) for unforeseen circumstances whether they are natural or man-made disasters.

5. The ELC will have and continuously maintain all other types of insurance as required by law.
EXHIBIT I

6. In the event that any of the coverage described above is canceled by the insurer for any reason, the ELC shall immediately notify the Office of such cancellation and shall obtain replacement coverage acceptable to the Office and provide proof of such replacement coverage within ten (10) calendar days after the cancellation of coverage.

7. All insurance policies shall be with insurers qualified and doing business in Florida. The Office shall be furnished proof of coverage of insurance by standard ACORD form certificates of insurance upon request.

8. In accordance with 2 CFR §200.310, Insurance Coverage, the ELC shall provide equivalent insurance coverage for real property and equipment acquired or improved with grant funds as it does for real property and equipment acquired or improved with non-grant funds.

O. Intellectual property rights

1. All data OEL creates or the ELC receives from OEL, whether electronic or hardcopy, during the duration of this agreement is OEL’s property. The ELC shall surrender it to OEL at no cost to OEL upon expiration, termination or cancellation of this agreement. The following terms and conditions apply to all grants recipients, unless explicitly waived:

   1.1. With respect to all products created by the ELC pursuant to this agreement, said materials will be the property of OEL.

   1.2. To the extent that any product constitutes a “work” within the meaning of U.S. copyright laws, 17 United States Code Service (U.S.C.) 101, et seq., it shall be a “work for hire.” In the event that a court of competent jurisdiction determines that a product or material is not a work for hire as a matter of law, the ELC shall assign and convey to OEL all rights, title and interest in the product or material and require its employees and subcontractors to do the same.

   1.3. The ELC agrees that its employees will not assert any ownership of the product produced pursuant to this agreement. The ELC shall be responsible for acquiring necessary releases or establishing appropriate contract provisions in its dealings with employees and subcontractors in order to secure OEL’s rights.

   1.4. Any claim by the ELC of ownership of pre-existing copyrights should be explicitly stated in the project documentation.

   1.5. The ELC agrees that if it hires any third party to perform any work pursuant to this agreement, the work shall be on a “work for hire” basis and shall not in any way infringe upon OEL’s ownership of the product.

   1.6. The ELC agrees not to convey any rights in the product to a third party.

   1.7. If the ELC hires a third party to perform any work that involves the use of pre-existing intellectual content owned by the third party, the third party shall expressly assert its ownership of the content and shall grant the ELC and OEL the non-exclusive license to use the product.

2. A licensing agreement or other agreement regarding the use of intellectual property developed pursuant to this agreement may be developed between OEL and the ELC in order to further the use of the products in the educational community.

3. Pursuant to s. 286.021, F.S., if the discovery or invention arises or is developed in connection with the use of state funds, OEL will refer it to the Department of State to determine whether patent protection will be sought in the name of the state of Florida. Any and all patent rights accruing under or in connection with the performance of the agreement are hereby reserved to the state of Florida.
EXHIBIT I

4. Pursuant to s. 286.021, F.S., and subject to claims of the United States Department of Health and Human Services (HHS, any and all copyrights accruing under or in connection with the ELC’s execution of its duties under the agreement, funded by early learning program funds, are hereby reserved to the state of Florida.

C. Manner of service provision

1. Outreach and awareness

The ELC may expend grant funds for outreach and awareness activities to promote the VPK Program at the local level. The following are allowable outreach and awareness activities as each grant OCA used for the allocation of those expenditures defines:

1.1. VPK local planning and implementation.

1.1.1. Increased capacity needed for IT, initial provider and student registration, and planning activities.

1.1.2. Activities to maximize public awareness of the VPK Program and initial registration, including:

1.1.2.1 Electronic media campaigns, including television, radio spots and electronic billboards;

1.1.2.2 Print media, including newspaper ads, magazines, flyers and billboards;

1.1.2.3 VPK roundup activities; and/or

1.1.2.4 Conference participation promoting VPK, including information booths and speaking engagements.

1.2. VPK local curricula and materials, including curricula and materials made available to a VPK provider.

1.3. VPK local training, including training for ELC staff, contractors and VPK providers.

2. Monitoring Initiative

2.1. Guidance for VPK provider monitoring

The ELC administers the VPK Program through a VPK provider’s service delivery contract. After the ELC has determined that a provider is eligible to deliver the program, the ELC is required to verify the provider’s compliance with Florida Statutes, state rules and ELC procedures. The OEL review of the ELC’s monitoring of VPK providers examines VPK class instructors’ credentials and qualifications within child care provider
sites to establish whether all instructors were qualified before the ELC authorized the instructors to enter the class. The ELC can find specific monitoring activities in the VPK Standard Eligibility Review Program Guide which can be accessed on the OEL SharePoint/Coalition Zone/Monitoring Guides {document library}/AS Monitoring Tools 2018-19.

2.2. Monitoring requirements
The ELC shall be responsible for on-site monitoring of VPK providers. The ELC shall monitor a sample of VPK providers on an annual basis based on Exhibit IV, Minimum Annual Sample Size. Provider monitoring includes during-the-award monitoring to provide reasonable assurance that the providers administer the VPK Program in compliance with laws, regulations and the provisions of contracts or grant agreements and performance goal achievement.

2.3. The ELC may expend grant funds for VPK monitoring activities. ELC shall allocate salaries and benefits in accordance with Personnel Activity Reports (PARs) allocation and allocate shared activity based on percentage of direct staff hours per PARs. Activities shall include but are not limited to:

2.3.1. Verifying compliance of providers;
2.3.2. Certifying student enrollment and student attendance; and/or
2.3.3. Reviewing/approving provider improvement plans and corrective action plans.

2.4. VPK monitoring initiative funds are for accomplishing monitoring activities and ELCs shall expend the funds, in compliance with the OCA VPMNI, for allowable costs associated with monitoring VPK providers, including requirements in the VPK Provider Monitoring Tool.

2.5. The ELC shall submit a tracking log detailing the VPK Providers monitored with their reimbursement request. The tracking log shall include the total number of VPK providers to be monitored during the grant term; name, address and contact information of monitored providers; and a cumulative total of VPK providers monitored during the grant term.

2.6. The ELC shall develop a valid sample size for VPK monitoring. To create a valid sample size for monitoring, the ELC shall:

2.6.1. Derive the monitoring sample size from the number of VPK providers under contract during the current VPK program year. If a school district designates the ELC to monitor its public school VPK providers, each public school VPK provider site will be included in the total number of VPK providers from which the sample is derived. Once determined, the ELC should check the sample size look-up table (Exhibit IV) to determine the number of providers to review for the fiscal year. For example, if the ELC’s actual provider count is 1,000 providers, 121 providers should be the annual total selected for review. The ELC should make a best estimate for the sample size when the total number of providers falls somewhere between the numbers listed in the table. For the quarterly period, the ELC would review one-fourth of the annual total. For a monthly review, the ELC would review one-twelfth of the annual total. The ELC has the discretion to determine how many classes to include in the provider review.

2.6.2. Determine the number of providers to include in the review sample.
EXHIBIT II

2.7. The ELC shall conduct onsite monitoring of each selected VPK provider to verify compliance with applicable rules, laws and regulations. The ELC shall monitor providers based on the sample size developed in accordance with subsection C.2.4. The ELC may use the monitoring tool OEL developed or the ELC’s own tool, but all elements in the ELC’s tool must be in compliance with the OEL Monitoring Tool, (Exhibit III), including all components of each element. Monitoring elements shall:

2.7.1. Validate current provider licensure or accreditation of providers (OEL-VPK-10).
2.7.2. Validate director credentials and background screening (OEL-VPK-10).
2.7.3. Validate class/instructors background screening and credentials (OEL-VPK-11A and B).
2.7.4. Verify provider has met instructor/child ratio.
2.7.5. Validate improvement plan progress for providers on probation, including, completion of AP2, if applicable.
2.7.6. Validate reported curriculum compliance.
2.7.7. Validate class schedule/instructional hours.
2.7.8. Verify completion of Child Certificate of Eligibility Form OEL-VPK 02 for all enrolled VPK children included in the sample.
2.7.9. Verify evidence of VPK children’s daily and monthly attendance.
2.7.10. Verify evidence of implementation of the VPK pre– and post-assessment.
2.7.11. Verify evidence of applicable insurance coverages.
2.7.12. Verify compliance with VPK Provider Contract record maintenance requirements.

2.8. If the ELC elects to deviate from the required sample size, the ELC shall submit a waiver request to OEL. The waiver shall include the explanation for deviation. OEL may request documentation supporting the explanation. OEL must approve the request in order for the ELC to deviate.

2.9. The OEL monitoring tool is available on the OEL SharePoint Coalition Zone in the Monitoring Guides Library. See EXHIBIT III – VPK PROVIDER MONITORING TOOL_2018-19.

2.10. If the provisions of subsections C2.1 through C2.7 are met, the Coalition may expense costs related to the establishment and maintenance of a statewide computerized child care information system used for the purpose of monitoring child care providers from the portion of funds allocated to the Monitoring Initiative.

1.9. On June 30 of each year, OEL will certify outstanding obligations by certified forward budget in compliance with s. 216.301, F.S. Refunds submitted after June 30 for the prior award year do not restore budget or provide certified forward budget. OEL shall pay reimbursement requests submitted after June 26 for the prior award year, for which no certified forward budget remains, from the current award. The certified forward budget reverts on September 30 each year and is not available after that date for paying reimbursement requests.

2. Final reimbursement request

2.1. The ELC shall submit a final reimbursement request for use of certified forward funds for a prior fiscal year no later than September 20 following the award period ending, unless otherwise authorized.

6.2. In the event the ELC overpays a subrecipient or contractor or the subrecipient or contractor incurs a disallowed cost and the ELC cannot recover it, the subrecipient or contractor account becomes delinquent. After exercising due diligence, OEL Program Guidance 240.03 – Collection of Delinquent Accounts allows the ELC to request that OEL report a delinquent account to DFS. The ELC shall execute and deliver to OEL all documents necessary to report a delinquent account and secure repayment. The ELC requesting that OEL report a delinquent account to DFS shall make the request to OEL within thirty (30) days from determining that the ELC cannot recover the delinquent account.

AUDIT REQUIREMENTS

ELC Name: North Florida
Grant Number: OA439
Estimated funding/grant program(s): $22,494
Grant Relationship: OEL has identified the ELC as a subrecipient

For all subrecipients, the described audit requirements will apply as described here. Based on estimated funding for this grant, the Florida Single Audit Act (s. 215.97, F.S.), applies.

The administration of resources awarded by the Office and of all related public, private funds and local resources received and expended for the state’s early learning programs will be subject to audits and monitoring by the Office as described in this attachment.

A. Accounting and auditing requirements

1. During the course of any state fiscal year, the Office, the Florida DFS, the Florida Auditor General, HHS, Inspector Generals of federal and state agencies, the Comptroller General of the United States or any of their duly authorized representatives may review operations of and records from the ELC.

2. Any of the above-listed reviews may identify questioned costs. The ELC shall have an opportunity to substantiate or appeal the finding or questioned cost(s). Any unresolved questioned costs may become disallowed federal and state program costs. Section 17.04, F.S., and 2 CFR §200, require ELCs to repay disallowed federal and state program costs. Contractors/grantees may not pay disallowed costs with federal grant, state grant or matching funds.

3. The ELC agrees that legal expenses and related costs in the defense or prosecution of any claim or appeal against the state government or any of its agencies are not reimbursable costs. However, 2 CFR §200 Subpart E allows reasonable legal expenses and related costs required in administering early learning programs within administrative expenditure limitations.

B. Monitoring

1. Monitoring activities.

The Office is responsible for monitoring grant, subrecipient and contract supported activities to assure compliance with Federal requirements and that performance goals are being achieved. In accordance with 45 CFR §75.342 (also 2 CFR §200.328), Monitoring and reporting program performance, subrecipient monitoring must cover each program, function and activity. In addition to audits conducted in accordance with 2 CFR §200 and s. 215.97, F.S., as revised, OEL may conduct or arrange for monitoring of the ELC’s activities. Such monitoring activities may include onsite visits by OEL staff or contracted consultants, limited scope audits as defined by 2 CFR §200, and/or other procedures. By entering into the agreement, the ELC agrees to comply and cooperate with any monitoring procedures/processes OEL deems appropriate. The ELC further agrees to comply and cooperate with any inspections, reviews, investigations or audits deemed necessary by the Office, the Florida DFS, the Florida Auditor General, HHS, Inspector Generals of federal and state agencies, the Comptroller General of the United States or any of their duly authorized representatives.
2. **Related party disclosures**

The ELC shall ensure that all related party transactions are included in the financial statement footnote disclosures in accordance with requirements defined in Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 850, *Related Party Disclosures*. In addition, the grantee shall comply with all applicable provisions of Chapter 112, F.S., Public Officers and Employees, as required by s. 1002.83(8), F.S.

3. **Internal controls – auditor documentation**

The ELC shall obtain the internal control work papers from the auditor(s) performing the annual independent financial statement audit. The ELC shall keep these work papers onsite as part of its financial records and shall provide a copy to OEL as part of the financial reporting package as instructed in section D, Report Submission, below.

4. **Internal controls – annual self-assessment**

The ELC must perform an internal controls self-assessment using OEL’s annual Internal Control Questionnaire (ICQ) Survey Form. The ELC shall provide a copy of the completed annual ICQ to OEL, as instructed below, by August 31 of each grant award period unless OEL provides other written instructions. The annual ICQ will help the ELC document that the primary objectives for internal controls pertaining to compliance requirements for federal programs, including the following, are met in accordance with 2 CFR §200.303.

4.1. The ELC properly records and accounts for transactions.

4.2. The ELC executes transactions in compliance with laws, regulations and contract provisions.

4.3. The ELC safeguards funds, property and other assets against loss due to unauthorized use or disposition.

4.4. Reasonable measures are taken to safeguard protected personally identifiable information (PPII) and other information the federal awarding agency or the Office consider sensitive consistent with applicable federal, state and local laws regarding privacy and obligations of confidentiality.

4.5. OEL will provide the annual ICQ form in electronic format to the ELC by July 1 of each award period, unless OEL makes other arrangements. Each ELC shall submit the completed ICQ and any other supporting files considered necessary electronically to the SharePoint ELC site, FMSAS/2018-19 ICQ – Completed. If the ELC does not have access to the OEL SharePoint site, OEL will provide alternative written instructions.

C. **Audits - State Funded**

This part is applicable if the ELC is a non-state entity as defined by s. 215.97(2), F.S. – The Florida Single Audit Act. Additional information regarding the Florida Single Audit Act can be found at: [Florida Single Audit Act](#).

1. The Office’s Notice of Award indicates State resources awarded through the Office by this agreement. In determining the State awards expended in its fiscal year, the ELC shall consider all sources of State awards, including State resources received from the Office.

2. In the event the ELC expends $750,000 or more of state financial assistance in any fiscal year, the ELC must have a state single or project-specific audit conducted according to the Florida Single Audit Act; Chapter 69J-5, F.A.C.; Rule 61H1-20.0093, F.A.C., Chapter 10.550 – Local Government Entity Audits or Chapter 10.650 – Florida Single Audit Act Audits Non-profit and For-profit Organizations.
EXHIBIT V

In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Office, other state agencies and other non-state entities. State financial assistance does not include federal direct or pass-through awards and resources received by a non-state entity for federal program matching requirements.

4. If the ELC expends less than $750,000 in state financial assistance in its fiscal year, a Florida Single Audit is not required. If the ELC still elects to have an audit conducted in accordance with the provisions of s. 215.97, F.S., the ELC must pay the audit costs from non-state resources (i.e., the grantee must pay the audit costs from resources obtained from non-federal and non-state entities).

5. Pursuant to s. 215.97(8), F.S., state agencies may conduct or arrange for audits of state financial assistance that are in addition to audits conducted in accordance with s. 215.97, F.S.. In such an event, the state awarding agency must arrange for funding the full cost of such additional audits.

2. If such testing was not completed, or if these statements are missing from the annual audit report, the auditor's annual procedures will be considered incomplete/deficient and the Coalition will receive notice of such in the OIG's annual Management Decision.

3. All funds administered by the Coalitions must be included in the audit coverage. This includes funds that are provided to any auxiliary entity over which the Coalition exercises controlling influence, such as a foundation. For purposes of this Agreement, all foundations or other similar entities are considered to be affiliated organizations and, in some instances, may need to be classified as a component unit.

4. For any affiliated organization, at a minimum the audit report should disclose the entity's mission/purpose and summarized financial data including total assets, liabilities, net assets, revenues, expenditures, and the entity's relationship to the Coalition's activities. The auditor may need to provide other disclosures and presentations (such as consolidated financial statements) as appropriate after giving proper consideration of applicable accounting standards pronouncements regarding reporting of related entities such as FASB Statement of Position (SOP) 94-3.

III. QUALITY ACTIVITIES AND SERVICES

A. Child Care Resource and Referral (CCR&R) and School-Aged Care

Describe the quality activities and services the coalition will implement to enhance child care resource and referral and school-age care.

Please attach any supporting documentation as Attachment III.A.

CCR&R is the point of entry for early care and programs. School Readiness and VPK services. All parents/guardians that request it an given resource and referral information that will help them meet the needs of their families. Through the CCR&R department, we provide families with the most up-to-date, accurate information about childcare and early education opportunities available. The CCR&R department helps families understand the importance of high quality early education experience, and assists in locating providers that meet each family's needs by the customization of child care listings. This includes information on the Department of Children and Families (DCF) licensing website, how to search for a provider, child care options, quality indicators and a four-step guidance process to help them in their search for a provider. Once CCR&R information is provided, School Readiness and VPK services are offered to all interested families. Referrals are also made for inclusion services such as early special needs intervention, special needs referrals, warm line contact information and other activities that promote inclusion, such as inclusion specialists that assist providers in offering inclusive services for children with special needs. All services are provided in a customer-friendly manner, and in accordance with the system requirements of the CCR&R Network of the Office of Early Learning (OEL).

Through community outreach and education, the ELC publicizes early learning services and educates parents/guardians and providers, human service agencies, employers, and community planners in the workplace regarding early childhood services. This includes school readiness and VPK laws and regulations, availability of early education and care options and quality School Readiness services. CCR&R compiles guides of community resources for each county we serve to help parents and other agencies working with our clients find all available resources needed to provide for the physical, educational and emotional needs of their children. These are posted online at ec4kids.org and are also available in print addtions as funding allows. We advertise CCR&R services through our contractor's website and one other venue. Additionally, we attend community events several times a year to do community outreach including active participation Kiwanis and Rotary Clubs. The Coalition C.E.O. and staff actively participate in interagency meetings with other entities that impact early learning, as well as maintaining Kiwanis and Rotary memberships as well as local Chamber of Commerce memberships. Kiwanis is a service organization that focuses on early education and other child issues. The Putnam County Kiwanis partners with The Coalition on their annual Kid Rally and Reading Roundup as well as the ReadingPals program and Three year old book bag projects.

The ELC, through its Primary Service Provider, works to ensure that there is adequate availability of high quality school age care as well as care for younger children. We offer provider training and technical assistance in school age care, either through the Primary Service Provider or in partnership with OEL. Additionally, the ELC seeks to recruit additional licensed providers, focusing on family child care homes in particular, to provide school age care.

First Foundation – Based on available funding the ELC may fund books for school readiness children in Baker, Bradford, Nassau, and/or other counties through the First Foundation. The books are sent to School Readiness children who are under school age and include parent activities that promote parents as their child's first teacher.

Toddler/Preschool Festivals: This is a big festival style event used to raise awareness geared for families with children ages 1-5. The ELC currently holds these events in Clay, Putnam, and St. Johns in partnership with several local partners such as Kiwanis and the Rotary Club. There is live entertainment and tons of activities geared for our youngest learners. The activities include a storytelling and puppet show, tent, fishing for books, block zone, car arena, princess parlor with pictures with Cinderella, playdough table and many craft activities. Free books and bike helmets and many free screenings are also available through local health agencies.

B. Infant and Toddler Early Learning Programs
Describe the quality activities and services the coalition will implement to enhance infant and toddler early learning programs.

The Coalition’s Primary Service Provider employs Education Specialists, who provide on-site technical assistance, coaching and modeling to school readiness programs serving infant and toddlers by promoting the group-care philosophy of small groups, primary care, and continuity of care. We use the Lastinger Center coaching model which centers around the CLASS assessment which is provided upon request and in all Enrichment Centers as agreed to by providers requesting enrichment services. When appropriate, an ERS assessment may be used as well with permission of the childcare program. The specialists work with infant/toddler classrooms by reading stories, playing games and providing activities that focus on a variety of skills, such as; problem-solving, social/emotional development and language and literacy. Additionally, the specialists provide technical assistance on room arrangement that enhances infant and toddler creative abilities, expands oral language, encourages incorporating words with an activity, and assists children in making choices that help develop confidence. The specialists also provide information, techniques, and education on reducing the risk of Sudden Infant Death Syndrome (SIDS) and Shaken Baby Syndrome, and promoting health, wellness and safety issues. Provider trainings are offered on line and in person based on the CLASS assessment, Lastinger Center coaching model and support the CDA subject areas.

Please attach any supporting documentation as Attachment III.B.

C. Inclusive Early Learning Programs

Describe the quality activities and services the coalition will implement to enhance inclusive early learning programs.

The Coalition’s contractor employs an Inclusion Specialist and maintains a Warm Line to furnish training, technical assistance and other supports to school readiness providers including the purchase of materials to aid in creating an inclusive environment. The Inclusion Specialist works with providers to improve behavior management techniques, make accommodations for children with special needs, and serve as a model for teachers learning to respond appropriately to the needs of children with serious health issues. The Inclusion Specialist is able to ensure that children with identified development concerns receive the specialized services to which they are entitled. Inclusion Specialists also may request the purchase of inclusive classroom materials as need and funding allow.

The ELC raises community awareness of the inclusion of children with special needs. The Inclusion Specialist creates and/or distributes materials about issues affecting inclusion, and collaborates with community partners to promote inclusion. The Inclusion Specialist provides assistance and education to providers and parents for all special needs children and those with special health needs, regardless of their subsidized status, and facilitates networking with the appropriate community resources as needed.

Inclusion topics and/or Master Training Calendars are offered during each calendar year, and are available in a variety of locations.

Other Describe:

Programs participating in our Enrichment program receive weekly coaching. Programs that participated recently but have completed the program are called Maintenance Programs and may receive continued coaching once a month to ensure that gains made during participation in the Enrichment program are maintained. The Enrichment program uses the CLASS assessment which measures the quality of teacher interactions and if the program requests it, we will use the ERS assessments to add insight to any perceived environmental concerns. From there Education Specialists and the programs will develop an improvement plan based on the teacher’s stated interest. Normally most quality spending for supplies is used to strengthen these programs with classroom supplies, curriculum supports, curriculum and other classroom needs. Other quality funds may be used for mini-grants, curriculum or other needs of providers not participating in the Enrichment program depending on need and funding.

Training for the above list as well as early literacy, transitions, curriculum training, classroom management, developmentally appropriate practices and other topics are offered both in person and through our online platform, funded in part by the Community Foundation to ECS, making high quality trainings available to providers throughout our service area in a manner that providers are able to access unimpeded by geography or long program hours. These trainings have been designed to complement and not compete with the work being done by the Lastinger Center.

Additionally, the ELC through ECS offers one on one technical assistance on the topics listed above to any School Readiness provider based on provider need.

Additional Quality Services

Reading Pal: This is a reading program that places volunteer readers into 3 and 4 year old classrooms once a week to read to small groups of children. Currently we have reading pals in Putnam, St. Johns and Clay Counties. Volunteers must fill out an application and are background screened to meet all state volunteer regulations. Reading pals go through an initial training then quarterly meetings are held all year where they receive additional training. Currently we have 68 reading pal volunteers reading in 42 School Readiness centers.

Three Year Old Book Bag Project: This is a book program give away program in the Fall and Spring. Book bags are distributed to area three year old classrooms in School Readiness programs in the six counties we serve. In each bag is 10-12 age appropriate books along with educational information for parents on the importance of reading to their child. Volunteers put all the bags together and then along with ECS and ELC staff the bags are personally delivered to child care centers. At the time of delivery a special story time program featuring a different book character each year is presented. In 2014-2015 just over 1,400 bags were delivered. The goal for 2015-2016 is 1,600 bags. This program is funded through current quality funds as well as donations from local organizations and grants.

Early Educators Conference: Each year in January starting in 2013 we have hosted an early educators conference for all of our providers in the six counties we serve. The Conference is held in different areas of our service area each year to ensure all providers can participate. The ELC of North Florida works closely with Episcopal Children’s Services to host this day long event. Attendees are able to receive CEU’s and in-service hours for attending. There is a key note speaker and many break-out sessions featuring many different topics relating to early education. This past year we also included in this event the “Preschool Teacher of the Year” awards. A top teacher was honored from each of our six counties.

National Read for the Record day in October and the Florida State Wide Simultaneous Reading event in January, The ELC provides the book and a packet of activities that goes along with it for the centers that wish to participate in both of these events.

ELC Days at Sykes Farms – Each October the ELC hosts two days at Sykes Farms in Elkton. This is a partnership with their agricultural education program and early literacy. The farm has corn mazes centered around a children’s book. The ELC is on hand for these two days giving out that year’s book and providing an additional activity for the children. Child care programs serving School Readiness children are invited to attend.

Themed Literacy programs – throughout the year different themed literacy programs are made available to all of the ELC providers. The themes include the Five Senses, Jungle, Pete the Cat, Ocean Life and Insects. A team of ELC volunteers and staff provide different activities all relating to the theme and each child receives a free books relating to that theme as well. The teacher receives a bag of books and activities which they then can use to duplicate that same program in the future. During the first week in March each year in celebration of Dr. Seuss Birthday we put on a different Dr. Seuss program each day that week.

Children’s Week Local Events: in partnership with Episcopal Children’s Services we provide free books for each child that attends a local literacy themed events scheduled in each of the six counties we serve. Child care programs serving School Readiness children are invited to attend.

Additionally the ELC and their primary contractor participate in the Performance Funding Project. This project has continued to evolve over the past several years, but the ELC will continue to participate in 2016/2017 according to the most recent guidance available. In 2019/2020 the Performance Funding Project will be replaced by the requirements of HB1071.

Deleted: Reading with Ronald
Deleted: the Reading with Ronald
Deleted: Putnam County United Way Book Bag Project – Using a grant from United Way, ECS our primary services provider, distributes books to Putnam County children and activities and sets of selected books to give to SR teachers in the county.
Deleted: In 2016-2017 OEL also initiated a “Contracted Sites” program. ELC participated by selecting providers who are at least Level 2 in the FFP project to participate and using the benchmarks contained in the FFP to continue to monitor the “Contracted Site” providers. The ELC plans to continue participation as long as the program continues to be funded by OELA.

VIII. Review of New Florida State Legislative Overview, HB 1091- INFORMATIONAL
New State Law goes into effect July 1, 2018 (HB1091)
During the 2018 legislative session, the Florida Legislature passed a bill (HB 1091) that increases quality and accountability in the School Readiness Program. There will be opportunities for your input in their rule-making process.

Overview of New Law

Program assessment \((1002.82(2)(n))\)

- Exemptions will be determined during rule making process
Does Provider meet minimum threshold for contracting?
- Yes - Receive a SR Contract
- No – You are not eligible to receive a SR contract UNLESS needed to meet capacity needs for ELC service area

Eligible for SR Contract: Does Provider meet or exceed the threshold for program improvement?
- Yes – Quality Improvement Plan not required and eligible for SR Quality Performance Incentive
- No - Required to go on a Quality Improvement Plan as identified in the SR Contract

SR Quality Performance Incentive
- Different levels of payment based on CLASS Score
What is the program assessment tool?

The program assessment tool is the Classroom Assessment Scoring System (CLASS). The CLASS assessment is recognized internationally for capturing the elements within a classroom that improve child outcomes. This assessment primarily measures the quality of the classroom interactions between the teachers and children. Many of you have already experienced this through Florida’s Early Learning Performance Funding Project (ELPFP) or other quality programs.

Providers who have not participated in CLASS will have an opportunity to learn more about CLASS in the months to come. For more information about CLASS, visit teachstone.com/class.

There will be no cost to providers for this annual assessment.
Effective July 1, 2019

School Readiness Quality Performance Incentive
Qualifying providers may receive a payment differential based on their CLASS scores. Also, providers implementing an approved child assessment may be eligible for an additional payment differential up to 5 percent. The total available payment differential for both CLASS scores and implementation of child assessments will not exceed 15 percent.

Minimum Thresholds
School Readiness providers must meet a minimum score on the CLASS tool to be eligible for a School Readiness contract.

Quality Improvement Plans
School Readiness providers who meet the minimum quality score, but are still emerging in quality (to be defined in rule), will be placed on a mandatory Quality Improvement Plan. Coalitions will identify performance goals and quality improvement strategies to help these providers meet quality scores.
Overview of New Law

What is the SR Quality Performance Incentive?

Differential payment program (1002.82(2)(o))

- Effective July 1, 2019
- Based on quality measures of program assessment
- Total may not exceed 15%
- No more than 5% (of the 15%) may be provided to providers who submit valid and reliable child assessment data to statewide information system in the domains of language and executive functioning

How can you prepare for Program Assessment?

Apply for the Early Learning Performance Funding Project. Why wait until 2019 to get started? You can get a jump-start on professional development and improving your score. Let us help you now, before it is mandatory. Applications for PFP open May 30, 2018!

Get Familiar with the CLASS tool. The Office of Early Learning will be offering several opportunities to learn more about the CLASS tool. We strongly encourage providers to take advantage of these opportunities as they become available. These resources will help practitioners become familiar with the CLASS tool and learn more about the impact of quality teacher-child interactions on children’s cognitive and social outcomes.

Attend Making the Most of Classroom Interactions (MMCI). MMCI is an interactive course for teachers led by Teachstone®-trained coaches in your coalition’s service area. Over the course of 10 sessions, your coach provides in-person training to teachers, preparing them to identify, understand and apply stronger CLASS interactions in their classrooms. For more information on MMCI course offerings, visit ____________.
