

# National Provider *Appreciation* Day

Friday, May 10, 2019

Each year, the Friday before Mother's Day is set aside to acknowledge the important work of early childhood professionals.

*Provider Appreciation Day* is a day to recognize child care providers, teachers and other educators of young children everywhere — to show appreciation for the tireless efforts of providers who care for children of working parents. There are many ways to show thanks to your child care providers as a parent or group of parents.

While a simple *"thank you"* is important on Provider Appreciation Day, remember to think of ways you can show appreciation for your child care provider throughout the year.
