**Episcopal Children’s Services (ECS) Contract Monitoring:**

The 2021/2022 First Quarter Monitoring was performed November 5 - 19, 2021. This monitoring included all DEL required “eligibility” criteria for School Readiness and VPK. One additional area of review was the Annual Data and Data Security Systems Review. From this review, there were six compliance issues that mostly only required staff refresher training sessions. The trainings were held in time for ECS’s response to the draft report.

The 2021/2022 Second Quarter Monitoring is scheduled for February 14 – 28, 2022. This monitoring will include all DEL required “eligibility” criteria for School Readiness and VPK. Additional areas of review will be the School Readiness Plan Compliance II. E. Quality Performance Report review and the Fiscal Non-direct Costs review for 1st and 2nd quarters.

D. 2nd QUARTER EARLY LEARNING LITERACY REPORT

**Highlights:**

**Teacher of the Year:** In December, the 2021 teachers of the year were selected from a very large stack of nominees. The Infant/Toddler winner was Amy Finkley, a 30-year teaching veteran from Deerwood Park Academy in St. Johns and the Pre-School winner was Marisol Buitrago from Green Cove Springs Head Start/VPK center. The winners receive a $500 cash prize thanks to Kaplan Early Learning and the Clay Electric Foundation and were honored by prize patrol and in person at the ELC of N. Florida’s annual Early Educators Conference held January 29, 2022.
Literacy Outreach:
ELC Days at Amazing Grace Crop Maze: The ELCNF hosted two field trip days at the Amazing Grace Crop Maze in Green Cove Springs on October 19 and 21. Twenty two schools came out to enjoy all the farm themed activities including a hay ride, corn maze, farm animal fun and more. ELC staff and volunteers were on hand providing an extra FALL themed craft. Each child received a FREE farm themed book and each school received a bag of assorted FALL books.

Read for the Record: The ELC participated in the 2022 Read for the Record campaign sponsored by JumpStart and the Pearson Foundation. Each year participants all over the world try to break the world record of reading the same book on the same day to the most children. This year’s book was “Amy Wu and the Patchwork Dragon” by Kat Zhang. The ELCNF provided any school that wanted Two FREE copies of the book along with an activity packet of extension ideas to do along with the book. 92 school participated for a total of 6,120 children.

Literacy programs: The ELC launched a new Five Senses Science program in November. It is a very interactive program where the kids explore all of their five senses and even learn about animals with super senses. The children explore sound through playing instruments, they experience many textures by making their own touch book and they get to test their smelling smarts by playing a mystery scents game. Eight programs were put on this quarter in St. Johns County. Each child receives a free book called “My Five Senses” by Aliki and the classroom receives a large resource bag of Five Sense teaching materials for their classroom. Mother Goose (aka Susan Murphy, outreach assistant) also hit the road this quarter by visiting 10 pre-k classes in the Putnam County School District. This program focuses on rhyming with a emphasis on nursery rhymes.

ELCNF Volunteer Program: This quarter was much better for recruiting and training new volunteers. Ten new volunteers were trained and either placed as a weekly reader in a local preschool or trained to assist in the ELC outreach literacy programs. In December, two Holiday/meetings were held and people came out and were eager to start volunteering again since COVID.

Targets and Restrictions
VPK Admin percentage was 3.5% at end of March which is lower than our target of 4%. SR Administration was 3.9% at the end March which is less than our target of 5%. All other targets and restrictions remain in alignment with Grant requirements.

- The Coalition received the final report (April 13, 2022) for the annual DEL Fiscal Monitoring that occurred March 1-4, 2022. The report included two compliance issues and one observation. The Coalition is currently awaiting the corrective action plan follow-up from DEL. Two of the needed policy revisions are in today’s packet for approval. Coalition staff completed additional policy/procedures revisions from the DEL Fiscal Monitoring and they are in today’s board packet for approval as well.
- The 2022/2023 Sub-recipient Contract Monitoring Schedule and Narrative Plan were completed and was submitted as part of the School Readiness Plan Amendment #32 included in the March 2022 board packet.
- The annual review and update of the CEO Succession Plan Hand-off report was completed January 28, 2022. (This is a summary report of all essential day-to-day operational information that would be needed in the case of an emergency.)
- The Episcopal Children’s Services contract renewal process for 2022/2023 began during third quarter, and is in today’s board packet for approval.

Episcopal Children’s Services (ECS) Contract Monitoring:

The 2021/2022 Second Quarter Monitoring was performed February 14 – 28, 2022. This monitoring included all DEL required “eligibility” criteria for School Readiness and VPK. Additional areas of review were the School Readiness Plan Compliance II. E. Quality Performance Report review and the Fiscal Non-direct Costs review for 1st and 2nd quarters. From this review, there were ten compliance issues that required staff refresher training sessions and one new report and process to assist staff with “enrolled vs. attending”. The staff trainings were held in time for ECS’s response to the draft report.

The 2021/2022 Third Quarter Monitoring is scheduled for May 16 – 27, 2022. This monitoring will include all DEL required “eligibility” criteria for School Readiness and VPK. Additional area of review will be Data Security Systems Updates.

D. 3rd Quarter Early Literacy Report
Early Literacy Manager’s Third Quarter Report 2021-2022

Completed by Joan Whitson, Outreach Manager

Highlights:

**Early Educators Conference:** Held January 29th at the Thrasher Horne Conference Center. This year’s keynote speaker was Don Monopoli from the Learning Station. Over 220 participants were in attendance. The afternoon was filled with break-outs sessions featuring different topics from Working with Infants to Emotional Support in the classroom. CEU’s were awarded. The 2021 Teacher of the year recipients were honored and received a plaque along with a $500 cash prize thanks to Kaplan Early Learning and the Clay Electric Foundation. In celebration of Florida Literacy week each attendee received the book “Over in the Jungle” by MaryAnn Berkes. This book tied in with the conference jungle theme, “Fiercely Fearless Educators.”

**Themed Literacy Programs:** During this quarter the outreach team put on the following programs: 14 Five Senses, 2 Eric Carle “Colors”, 1 Meet the Masters, 5 Air/Wind Science and 8 Dr. Seuss. All of these programs include an interactive story time program followed by activities to go with the particular theme. These programs are put on directly in local child care/preschool centers. Each child receives a book relating to that theme and the teacher receives a bag of teaching resources to further teach that theme in their classroom. ELC volunteers are very instrumental in the success of these programs providing hands on assistance.

**Dr. Seuss Programs:** Each March in celebration of Read Across America the ELCNF team puts on Dr. Seuss themed literacy programs in area preschools. A drawing is held at the Early Educators conference for individual schools to receive a program. This year the ELC team hosted two large Dr. Seuss events. The first one was held March 11th at Ravine Gardens State park. The second one was held on March 23rd at the Thrasher Horne Conference Center. These are field trip events for the schools. Over 175 children attended. The programs featured a story time with special guest “The Cat in the Hat” followed by a room full of activities all centered around different Dr. Seuss books. The activities included Cat in the Hat cup stacking, Ten Apples Up on Top block building, Green Eggs and Ham sensory bins, making a Foot Book and lots more. Each child received a FREE Dr. Seuss book and the teachers received a Dr. Seuss themed resource bag with books for their classroom.

**Clay Electric Grant:** February 8th. The ELCNF was gifted a $15,000 donation from the Clay Electric Foundation to assist in our on-going outreach work.

**Volunteer Reading Program:** 45 ELCNF reading volunteers continue to read weekly in local preschools. Volunteers bring the joy of reading to the classroom. This program continues to be very successful and effective.

Compliance:

The Contractor shall comply with the requirements of all federal laws, state laws, local codes, and ordinances pertaining to this Agreement, and in particular, comply with all of the laws, rules and regulations governing the use of the funds it is managing on behalf of the Coalition.
**Financial Consequences:**
The Contractor shall ensure 100% of the deliverables identified in “Scope of Contract” are performed pursuant to agreement requirements, and as described in all “Scope(s) of Service Tasks”, “Scope(s) of Services”, “Deliverables”, and “Reports”. If no agreement requirements are specified, all services identified herein may be rejected or accepted by the Coalition as determined in the Coalition’s sole discretion. Failure to correctly, completely, or adequately perform these major deliverables will trigger a financial consequence and the following actions will occur:

The Coalition will notify the Contractor it has failed to correctly, completely, or adequately perform these major deliverables and identify the deficiency or deficiencies. Upon receipt of this notification, the Contractor has 14 calendar days to submit a Corrective Action Plan (CAP) to the Coalition which addresses the identified deficiency and states how the deficiency will be remedied within a time period approved by the Coalition.

In the event the Contractor fails to submit the CAP timely, beginning the 15th day after notification by the Coalition of the deficiency, the Coalition shall deduct, from the payment for the invoice of the following month, 1% of the monthly value of the administrative funds in the agreement for each day the CAP is not submitted.

The Coalition shall review the Contractor’s CAP and provide approval or disapproval in writing to the Contractor within five (5) business days. If disapproving, the response from Coalition shall include details of the CAP deficiencies needing correction before the CAP can be approved.

In the event the Contractor fails to correct an identified deficiency within the approved time period specified in the CAP, the Coalition shall deduct, from the payment for the invoice of the following month, 1% of the monthly value of the administrative funds in the agreement for each day the deficiency is not corrected.

In the event the Contractor does not correct all deficiencies pursuant to the CAP, for each deficiency identified in the CAP which is not corrected pursuant to the CAP, the Coalition shall deduct, from the payment for the invoice of the following month, 1% of the monthly value of the administrative funds in the agreement for each day each deficiency is not corrected.

**Force Majeure:**
Neither the Coalition nor the Contractor shall be liable to the other for any delay or failure to perform under the agreement if such delay or failure is neither the fault nor the negligence of the Coalition or the Contractor or their employees or agents. This holds true if the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods or other similar cause wholly beyond the party's control, or for any of the foregoing that affects subcontractors or suppliers if there is no available alternate supply source.

However, in the event of delay from the foregoing causes, the Coalition or the Contractor shall take all reasonable measures to mitigate any and all resulting delays or disruptions in the Coalition or the Contractor's performance obligation under the agreement.

If the delay is excusable under this paragraph, the delay will not result in any additional charge or cost to either the Coalition or the Contractor under the agreement. In the case of any delay the Contractor believes is excusable under this paragraph, the Contractor shall notify the Coalition and describe the cause of the delay or potential delay in writing within ten (10) calendar days after the cause that creates or will create the delay.

The foregoing shall be the Contractor's sole remedy or excuse regarding the delay. The Contractor must provide notice in strict compliance with this section to receive the remedy. The Coalition, in its sole discretion, will determine if the delay is excusable under this paragraph and will notify the Contractor of the Coalition's decision in writing. The Contractor shall not assert a claim for damages, other than for an
extension of time, against the Coalition. The Contractor is not entitled to an increase in the agreement
price or payment of any kind from the Coalition for direct, indirect, consequential, impact or other costs,
expenses or damages. These include, but are not limited to, costs of acceleration or inefficiency due to
delay, disruption, interference, or hindrance from any cause whatsoever.

If any of the causes this section describes suspended or delayed performance, in whole or in part, after
the causes have ceased to exist, the Contractor shall perform at no increased cost, unless the Coalition
determines, in its sole discretion, the delay will significantly impair the agreement's value to the Coalition,
DEL or the state. In which case, the Coalition may take any or all of the following actions:
1. Accept the Contractor's allocated performance or deliveries, provided the Contractor grants the
Coalition preferential treatment for products or services subjected to allocation.
2. Purchase from other sources (without recourse to and by the Contractor for the related costs and
expenses) to replace all or part of the products or services the delay affects. The Coalition may
deduct the purchases from the agreement funds.
3. Terminate the agreement in whole or in part.

XI. ADDITIONAL RIGHTS AND REMEDIES
Nothing contained herein shall be construed as limitation on such other rights and remedies available to
the parties under the laws that may now or in the future be applicable. The Contractor certifies it is not
currently debarred, suspended, or excluded from or for participation in Federal assistance programs in
accordance with the Department of Labor regulations at 29 CFR 98.

XII. SEVERABILITY
If any one or more of the covenants, agreements, or provisions of this Agreement shall be held contrary
to any express provision of law or contrary to any policy of express law, although not expressly
prohibited, contrary to any express provision of public policy, or shall for any reason whatsoever be held
invalid, then such covenants, agreements, or provisions shall be null and void and shall be deemed
separate from the remaining covenants, agreements, or provisions of this Agreement.

XIII. MONITORING
Monitoring of the performance factors as outlined in Scope of Service Tasks sections of this contract, the
Coalition plan, compliance with state, federal, and DEL regulations will be done at least quarterly. These
activities may include, but are not limited to regular contact with sub-recipients, desk reviews, and site
visits. If as a result of the monitoring, the services provided are deemed to be unsatisfactory, monitoring
then will be done on a monthly basis until satisfaction is obtained. If satisfaction is not obtained after
sixty (60) calendar days, Contractor can be terminated within thirty (30) calendar days with written
notice. Notice shall be delivered by certified mail, return receipt requested, or in person with proof of
delivery.

If, as a result of submission of the Contractor Expenditure Report, the Coalition determines services are
not being provided to the Coalition as indicated by financial spending itemizations, the Coalition has the
right to request the Contractor realign their expenditures to reflect accurate accounts for their activities
and performance.

XIV. PERFORMANCE
Contractor will participate in the Executive/Administrative Committee meetings and Coalition Board
meetings, as scheduled, to report service activities, enrollment data, and to discuss slot, financial, and
administrative issues.

If the Contractor is unable to meet their service tasks due to non-performance of another contract service
provider, and is unable to negotiate a resolution with the other provider, the Contractor may file a “Non-
Performance Notification”. The “Non-Performance Notification” will be filed with the
Executive/Administrative Committee. The Committee will review the notification and seek a negotiated resolution with the two parties. If the Committee is unable to negotiate a resolution, the Committee Chair will present the “Non Performance Notification”, along with the Committee recommendation, to the Coalition Board.

The Coalition Board will make final determination of “Non Performance”. Notice of “Non-Performance”, shall be provided by written notice to the Contractor. The contract shall be terminated per Attachment 2, Section II. B Termination, of the contract. Notice shall be delivered by certified mail, return receipt requested, or in person with proof of delivery.

In the event of contract termination due to non-performance, the performance bond shall be forfeited in an Event of Default, or if a letter of credit is furnished, the Coalition shall be authorized to draw on the Letter of Credit in an Event of Default, to the extent that a default has caused actual damages. Should the Coalition allow reserve funding for an established Contractor, the reserve funding shall have equivalent requirements and limitations as that of a performance bond or letter of credit. An Event of Default shall mean the failure of Contractor to perform any of the material undertakings set forth in this CONTRACT, which failure is not cured within thirty (30) calendar days after written notice thereof by the Coalition specifying such failure, or within such other reasonable time period agreed to by both parties.

In no event shall an Event of Default occur for any failure of performance by Contractor if such failure of performance is caused by or is the result of causes beyond the reasonable control of Contractor due to any occurrence commonly known as force majeure, including but not limited to acts of God, fire, flood or other natural catastrophe, acts of any governmental body, labor dispute, national emergency, insurrection, riot or war. In the case of a force majeure delay, the Contractor shall notify the Coalition in writing of the delay or potential delay and describe the cause of the delay within ten (10) calendar days after the cause that creates or will create the delay. (Refer to Contract Attachment 2, Section I Contractor Assurances, GG. Performance Bond, for specific process details.)

XV. WAIVER
A waiver of any performance or breach by any one of the parties to this Agreement shall not be construed to be a continuing waiver of other breaches or non-performance of the same provision or operate as a waiver of any subsequent default of any of the same terms, covenants, and conditions of this Agreement. The payment or acceptance of funds for any period after a default shall not be deemed a waiver of any right or acceptance of defective performance.

XVI. COSTS
Either party will be entitled to recover all costs and attorneys' fees incurred due to any breach of this Agreement by the other party, including but not limited to costs and attorneys' fees associated with administrative hearings, court proceedings, and appellate proceedings.

XVII. SURVIVABILITY

The Contractor will have and continuously maintain all other types of insurance as required by law. By execution of this contract, unless it is a State agency or subdivision as defined by subsection 768.28, F.S.,
the Contractor accepts full responsibility for securing adequate insurance as outlined in section K of Contractor Assurances, to provide reasonable financial protections for the Contractor, Coalition, and the clients to be served under this contract. Upon the execution of this contract, the Contractor shall furnish the Coalition with written verification supporting both the determination and existence of such insurance coverage. In accordance with 2 CFR 200.310, Insurance Coverage, the Contractor shall provide equivalent insurance coverage for real property and equipment acquired or improved with grant funds as it does for real property and equipment acquired or improved with non-grant funds. Such coverage may be provided by a self-insurance program established and operating under the laws of the State of Florida. The Coalition reserves the right to require additional insurance as specified in this contract.

Each policy shall provide that the Coalition is listed as additional insured parties as to the actions of the Contractor, its employees, agents, assignees, and subcontractors, performing or providing materials and/or services to the Coalition during the performance of this Agreement. Every insurance policy must provide the Coalition with a thirty (30) calendar day prior written notice of intent not to renew, or reduction in the policy coverage. In the event any of the coverage described above is canceled by the insurer for any reason, the Contractor shall immediately notify the Coalition of such cancellation and shall obtain replacement coverage acceptable to the Coalition and provide proof of such replacement coverage within ten (10) calendar days after the cancellation of coverage. Proof of insurance - All insurance policies shall be with insurers qualified and doing business in Florida. The Coalition shall be furnished proof of coverage of insurance by standard ACORD form certificates of insurance. use of particular subcontractors.

this contract, or change the terms of this contract. The Contractor shall ensure all applicable

party for the provision of goods or services funded in whole or in part under this contract.

R. Indemnification

1. The Contractor agrees to be liable for, defend and indemnify the Coalition and all of the 
Coalition’s officers, agents, or employees against all claims, losses, suits, judgments, or 
damages, including the cost of administrative proceedings, court costs and attorney's fees, 
arising out of (i) the unauthorized use or disclosure of personally identifiable information; or 
(ii) any acts, actions, negligence or omissions by the Contractor, and its agents, 
subcontractors, or employees, during the performance of this contract or any subsequent 
modifications thereof. This indemnification holds whether liability is direct or indirect, and 
whether damage is to any person or tangible or intangible property. Where the Contractor 
and the Coalition commit joint negligent acts or omissions, the Contractor shall not be liable 
for nor have the obligation to defend the Coalition with respect to that part of the joint 
negligent act or omission committed by the Coalition. In no event shall the Contractor be
liable for or have any obligation to defend the Coalition against such claims, suits, judgments, or damages, including costs and attorney’s fees, arising out of the sole negligent or intentional acts or omissions of the Coalition.

2. The Contractor’s inability to evaluate liability or its evaluation of liability shall not excuse the Contractor’s duty to defend and indemnify within seven (7) calendar days after such notice by the Coalition is given by certified mail. Only adjudication or judgment after the highest appeal is exhausted specifically finding the Contractor not liable shall excuse the performance of this provision. The Coalition’s failure to notify the Contractor of a claim shall not release the Contractor of the above duty to defend.

3. Paragraphs R1 and R2 shall not apply to any contractor who is a state agency or subdivision as defined in Section 768.28, Florida Statutes. To the extent permitted under Florida law, any contractor who is a state agency or subdivision agrees to be responsible for its negligent acts or omissions or tortious acts which result in claims or suits against the Coalition, and agrees to be liable for any damages proximately caused by said acts or omissions. Nothing in this Agreement shall be construed as a consent by the State of Florida or contractor to be sued by any reason hereof, either in contract or tort, nor as a waiver of the sovereign immunity of the State of Florida or contractor, beyond the waiver established by general law at FS 768.28. Neither the State of Florida, the contractor, nor the Coalition has waived any defense it may raise as to any claim asserted or action brought.

4. The Contractor agrees it is an independent Contractor of the Coalition and not an agent or employee. Nothing in the agreement is intended to or shall be deemed to constitute a partnership or joint venture between the parties.

S. Lobbying

The Contractor shall comply with state and federal law, including, but not limited to, ss. 11.062(1) and 216.347, F.S., 2 CFR part 230 and 45 CFR part 93 (Byrd Anti-Lobbying Amendment Common Rule) which prohibit the ELC from using funds awarded under the agreement for lobbying purposes. Per these regulations, no funds made available under this contract shall be used for 1) lobbying of federal, state, or local legislatures to influence legislation or appropriations; or 2) to raise funds, or to promote, assist, or deter union organizing.

T. Public Entity Crimes

A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services, may not submit bids on leases of real property, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under the Coalition contract for a period of thirty-six (36) months following the date of being placed on the convicted vendor list.

By execution of this contract, the Contractor acknowledges it and any subcontractor(s) or sub-recipients receiving Early Learning Program funds through the Contractor are operating in compliance with this section.

Federal funds may not be disbursed to parties excluded from receiving Federal contracts or financial and nonfinancial assistance and benefits. Prior to execution of contracts or agreements, the Contractor must verify that no party to the agreement is included on the Federal Excluded Parties List or the United States Department of Agriculture Food Program National Disqualified List. Documentation of verification shall be maintained by the Contractor.

U. Health and Safety
Health and safety standards, including Child Labor Laws, established under state and federal law, otherwise applicable to working conditions of employees shall be applicable to working and training conditions of participants served under this contract. Where participants or employees covered under this contract are engaged in activities not covered under the Occupational Health and Safety Act of 1970, they shall not be required or permitted to work, be trained, or receive services in buildings or surroundings or under working conditions which are unsanitary, hazardous or dangerous to their health or safety.

V. Civil Rights

Contractor must ensure no individual shall be excluded from participation in, denied the benefits of, subjected to discrimination under, or denied employment in the administration of or in connection with this contract on the basis of race, color, religion, sex, national origin, disability, age, political affiliation or status as a participant.

W. Grievance and Complaint Procedures

Contractor shall adhere to and comply with the Coalition grievance and complaint procedures that were promulgated by the Florida State Department of Labor and Employment Security, Office of Civil Rights. Contractor shall ensure all participants served under this contract are properly informed of their rights and benefits, including the right to file a grievance or a complaint with the Coalition.

X. Sponsorship

The Contractor shall make available to the Coalition any information and documentation related to any advertisements or descriptions of services or training provided by Contractor under the terms of this agreement.

Y. Knowledge of Terms of this Contract

The Contractor shall take such actions as are necessary to ensure the knowledge and understanding of the terms of this contract by all staff of the Contractor and any subcontractor(s) if approved by the Coalition.

Z. Incident Reporting

Known or suspected incidents of fraud, program abuse, or criminal conduct shall be reported to the Coalition immediately and complete the procedure for reporting suspected fraud in Early Learning Programs, per Sections 414.39 and 414.411 F.S. and as instructed by Florida Division of Early Learning.

To assure compliance with Chapter 415.1034 and ss. 39.201, Florida Statutes, any employee of the Contractor who knows or has reasonable cause to suspect a child is abused, abandoned, or neglected by a parent, legal custodian, caregiver, or other person responsible for the child’s welfare or a child is in need of supervision and care has no parent, legal custodian, or responsible adult relative immediately known and available to provide supervision and care; or, a child is abused by an adult other than a parent, legal custodian, caregiver, or other person responsible for the child’s welfare; or a child is the victim of childhood sexual abuse or the victim of a known or suspected juvenile sexual offender; or, a vulnerable adult has been or is being abused, neglected, or exploited shall immediately report such knowledge or suspicion to the Central Abuse Registry and Tracking System of the Department of Children and Families on the statewide toll-free telephone number 1 (800) 96ABUSE (1-800-962-2873) or online at https://reportabuse.dcf.state.fl.us/ [see 45 CFR 92.36(i)(7), ss. 39.201 and 415.1034, F.S.].
The Contractor shall, in accordance with the client risk prevention system, report those reportable situations listed in HRSR 215-6, in the manner prescribed in HRSR 215-6.

AA. Enforcement of Contract Provisions

The failure of the Coalition to strictly enforce any of the provisions of this contract, or to require strict performance by the Contractor of any provision herein, shall in no way be construed to be a waiver of such provisions or the validity of this contract or any part hereof, or waive the right of the Coalition to thereafter enforce each and every provision herein.

BB. Warrant of Ability to Perform

The Contractor covenants and warrants:
1. It is lawfully organized and constituted under all federal, state and local laws, ordinances and other authorities of its domicile and otherwise in full compliance with all legal requirements of its domicile;
2. It is possessed of the legal authority and capacity to enter into and perform this contract;
3. It is duly authorized to operate and do business in the State of Florida; and,
4. It has no present interest nor shall it acquire any interest, which would conflict in any manner with its duties and obligations under this contract.

Contractor represents and warrants that: (i) all Services will be performed by or on behalf of Contractor in a timely, good, and workmanlike manner in accordance with applicable industry standards and practices; (ii) Contractor possesses the necessary equipment, personnel and other expertise necessary to provide the Services as set forth herein; (iii) Contractor personnel rendering the Services and developing the Deliverables will have the appropriate technical skills, training, experience, and expertise to enable Contractor to perform its responsibilities hereunder; and (iv) any Coalition approved Subcontractor that provides Services or Deliverables will meet all requirements set forth in this Agreement and applicable Statements of Work. If Coalition notifies Contractor in writing of a breach of any of the foregoing warranties, Contractor will re-perform any Services to cause them to materially conform to the foregoing warranties at no additional cost to Coalition within the Coalition specified completion date of such notice.

Furthermore, the Contractor warrants, to the best of its knowledge, there is no pending or threatened action, proceeding, litigation or investigation, or any other legal or financial condition that would in any way prohibit, restrain or diminish the Contractor's ability to perform under the agreement. The Contractor shall immediately notify Coalition in writing if its ability to perform is compromised in any manner or if it becomes involved in any litigation during the term of the agreement.

CC. Sponsorship and Announcements

If the Contractor uses funds provided under this contract to publicize, advertise, or describe the programs and services under this contract, such documents and materials shall reflect the Coalition's logo (or name with Coalition approval) as the predominant logo. The Contractor agrees in accordance with section 286.25, Florida Statutes, it will use the following statement in publicizing, advertising, or describing the sponsorship of early learning projects financed in part or in full with state funds or funds obtained from a state agency: “Sponsorship by the Early Learning Coalition of North Florida, and the State of Florida, Division of Early Learning” – if the sponsorship referenced is in written material, the words “State of Florida, Division of Early Learning” shall appear in the same size letters or type as the name of the Coalition. The contractor will only use the current logos as approved by Division of Early Learning. This section does not apply to Coalition or Contractor logos.

The Contractor shall update electronic DEL logos used locally in electronic materials to the current DEL-released logo within sixty (60) calendar days of release with the exception of the
electronic DEL-related logos embedded in the DEL-approved system software. The Contractor shall notify DEL in writing of any circumstances resulting in a delay in updated logo implementation.

The Contractor agrees, in accordance with Public Law 103-333, section 508, and Public Law 111-117, section 506, when issuing statements, press releases, requests for proposals, bid solicitations, and other documents describing a project or program funded in whole or in part with Federal money, the Contractor shall clearly state the percentage of the total cost of the program or project which will be financed with Federal money and the dollar amount of Federal funds used for the project or program and the percentage and dollar amount of the total cost of the project or program will be financed by non-governmental sources.

**DD. Disputes**

The Coalition's C.E.O. shall be the first contact of dispute resolution concerning performance of this Contract. Any dispute that cannot be resolved by the C.E.O. shall be reduced to writing and delivered by certified mail to the Coalition's office by the Contractor. The Board of the Coalition shall decide the dispute within thirty (30) calendar days of the Coalition's receipt of the written dispute.

**EE. Special Situations**

The Contractor agrees to inform the Coalition within 24 hours of any circumstances or events, which may reasonably be considered to jeopardize its capability to continue to meet its obligations under the terms of this Agreement.

**FF. Emergency Preparedness**

If it is the Contractor's FIRST contract year, the Contractor will, **within thirty (30) calendar days of Contract execution**, submit to the Coalition an emergency preparedness plan, or Continuity of Operations Plan (C.O.O.P.) in compliance with Section 252.386, F.S., which includes provisions of pre-disaster preparation, notifications, alternative operations worksites, and a recovery plan that will allow the Contractor to continue functioning in compliance with the executed contract in the event of an actual emergency.

The Contractor shall submit a COOP update annually no later than **February 1**. And the Contractor shall notify DEL and the Coalition within the same day in the event of its COOP activation.

The Coalition agrees to respond in writing within thirty (30) calendar days of receipt of the plan accepting, rejecting, or requesting modifications. In the event of an emergency, the Coalition may exercise oversight authority over such Contractor in order to assure implementation of agreed emergency relief provisions.

**GG. Performance Bond**

The Contractor shall furnish a performance bond from a financially sound and responsible insurance company to protect the Coalition from any losses in the event of default by Contractor. The bond shall be in the amount of $300,000. In lieu of a performance bond, Contractor may furnish the Coalition with an irrevocable standby letter of credit acceptable to both Parties. If, in the Coalition's opinion the Contractor has an established contract history with the Coalition, which has demonstrated a fiscally-sound organization (through low-risk audits and low-risk Coalition monitoring), the Coalition has the option of allowing the Contractor to maintain reserve funds in the amount of $300,000 in lieu of a performance bond or an irrevocable letter of credit. This option is only applicable as long as the CONTRATOR remains a low-risk auditee and
has no material findings during Coalition monitoring. Should the Coalition allow reserve funding for an established Contractor, the reserve funding shall have equivalent requirements and limitations as that of a performance bond or an irrevocable standby letter of credit in the same amount.

The Contractor shall post one form of security under this section, which shall apply to this contract entered into between the Contractor and the Coalition with a term beginning July 1, 2022 and ending June 30, 2023.

If a performance bond is furnished the performance bond shall be forfeited in an Event of Default, or if a letter of credit is furnished the Coalition shall be authorized to draw on the Letter of Credit in an Event of Default. An Event of Default shall mean the failure of Contractor to perform any of the material undertakings set forth in this CONTRACT, which failure is not cured within thirty (30) calendar days after written notice thereof by the Coalition specifying such failure, or within such other reasonable time period agreed to by both parties. In no event shall an Event of Default occur for any failure of performance by Contractor if such failure of performance is caused by or is the result of causes beyond the reasonable control of Contractor due to any occurrence commonly known as force majeure, including but not limited to acts of God, fire, flood or other natural catastrophe, acts of any governmental body, labor dispute, national emergency, insurrection, riot or war. In the case of a force majeure delay, the Contractor shall notify the Coalition in writing of the delay or potential delay and describe the cause of the delay within ten (10) calendar days after the cause that creates or will create the delay.

The Coalition Board will make the final determination of “Nonperformance.” A Notice of “Nonperformance” shall be provided by written notice to the Contractor, in which case the contract shall be terminated per Attachment 2, Section II. B Termination, of the contract. Notice shall be delivered by certified mail, return receipt requested, or in person with proof of delivery.

Solely in the event of the Coalition Board’s termination of this contract due to nonperformance by Contractor (as opposed to nonperformance by one of Contractor’s contracted service providers) resulting in an Event of Default (as defined below), the Coalition shall be authorized to draw on the Letter of Credit in an amount calculated by the Coalition in good faith to be equal to the lesser of (i) the excess costs incurred and actually paid by the Coalition to engage third parties to provide the services that Contractor would have performed hereunder during the remainder of the term of this contract absent the early termination of this contract and (ii) the face amount of such Letter of Credit, subject to the following requirement. Twenty (20) calendar days prior to making a draw on the Letter of Credit, the Coalition shall provide its written calculation of such draw (determined as provided above) to Contractor, and the Coalition shall thereafter consult with Contractor during such 20-day period to consensually resolve any disputed issues. If the Coalition and Contractor are unable to reach a resolution, the Coalition may make a draw under the Letter of Credit in the amount reflected in the Coalition’s calculation and otherwise in compliance with the terms of the Letter of Credit; provided that, nothing in this contract shall prevent Contractor from instigating legal proceedings against the Coalition if it disagrees with the Coalition’s calculations of the excess costs for which it has made a draw under the Letter of Credit or otherwise believes such drawing was unjustified.

For purposes of this contract, an “Event of Default” shall mean the unexcused failure of Contractor to perform any of the material undertakings set forth in this contract to be directly performed by it, which failure is not cured within thirty (30) calendar days after written notice thereof by the Coalition specifying such failure, or within such other reasonable time period agreed to by both parties; provided that, Contractor shall have an additional period of thirty (30) calendar days to cure any breach not capable of being cured during the initial 30-day period if it commenced efforts to cure such breach during such initial 30-day period and diligently pursues such cure to completion. Notwithstanding anything in this contract to the contrary, in no event shall an Event of Default occur for any failure of performance by Contractor if such failure of performance is caused by or is the result of causes beyond the reasonable control of Contractor.
due to any occurrence commonly known as force majeure, including but not limited to acts of
God, fire, flood or other natural catastrophe, acts of any governmental body, labor dispute,
national emergency, insurrection, riot or war.

HH. Notification of Legal Action

The Contractor shall notify the Coalition of legal actions taken against it or potential actions such
as lawsuits, related to services provided through this Agreement or that may impact the
Contractor’s ability to deliver the contractual services, or adversely impact the Coalition. The
Coalition will be notified in writing within twenty-four (24) continuous hours of Contractor
becoming aware of such actions or from the day of the legal filing, whichever comes first.

II. Cooperation in Investigations

The Contractor shall fully cooperate with Florida Division of Early Learning, the Coalition, and any
other state and federal authorities on any fraud or other types of investigations. This includes
but is not limited to producing any requested documents and providing witnesses to testify when
requested.

JJ. Office of Minority Business Enterprise Reporting

The Coalition is dedicated to supporting, tracking and increasing its small minority business
enterprise spending with prime contractors and subcontractors as s. 287.0943, F.S., requires.
The Contractor shall submit the Minority Sub Contractors Utilization Summary report quarterly,
regardless of whether the ELC has spent the funds with a small, minority-, women-, and service-
disabled veteran business enterprise subcontractor for the quarter. The Contractor shall submit
the expenditures report to the Coalition’s Finance Manager by the 20th calendar day
following the end of each quarter and uploading to the designated place on DEL’s Share
Point.

KK. Breach of Security/Confidentiality

For purposes of this agreement, as defined in Chapter 282.0041 F.S., “Security Incident” means a
violation or imminent threat of violation, whether such violation is accidental or deliberate, of
information technology security policies, acceptable use policies, or standard security practices.
An imminent threat of violation refers to a situation in which the state agency has a factual basis
for believing a specific incident is about to occur.

For purposes of this agreement, “Breach of Security” means unauthorized access of data
containing personal information. Good faith access of personal information by an employee or
agent of the Contractor does not constitute a breach of security, provided the information is not
used for a purpose unrelated to the contract or subject to further unauthorized use. As defined
in Chapter 282.0041, F.S., “Breach” means a confirmed event that compromises the
confidentiality, integrity, or availability of information or data.

The Contractor agrees to comply with s. 501.171, F.S. related to the security of confidential
personal information and understands that the Contractor for this purpose will be considered a
third party agent as referenced in this statutory section.

The Contractor shall immediately notify the Coalition and DEL’s Inspector General (at
Inspector.General@OEL.myflorida.com) and Information Security Manager (at
Information.Security@OEL.myflorida.com) in writing of any Security Incident or Breach of
Security of which it becomes aware by its employees, subcontractors, agents or representatives.
Notwithstanding requirements of s. 501.171(3), F.S., the Contractor’s notification shall be made
in writing to the Coalition and DEL’s IG Security Manager within 24 hours after the Contractor
learns of the security incident or breach. The Contractor’s notification shall identify: (i) the nature of the unauthorized use or disclosure, (ii) the confidential information used or disclosed, (iii) who made the unauthorized use or received the unauthorized disclosure, (iv) what the Contractor has done or shall do to mitigate any deleterious effect of the unauthorized use or disclosure, and (v) what corrective action the Contractor has taken or shall take to prevent future similar unauthorized use or disclosure. The Contractor shall provide any additional information, including a full written report, as reasonably requested by the Coalition.

If the Coalition, at its sole discretion, determines the Contractor has failed to comply with any confidentiality provision of this agreement, or determines prompt and satisfactory corrective action has not occurred, the Coalition has the unilateral right to suspend the agreement until it is satisfied that corrective action has been taken or may terminate the agreement. If this agreement is terminated, the Contractor must immediately surrender to the Coalition all confidential information and copies thereof obtained under the Contract and any other information relevant to the Contract.

The Contractor understands and agrees that all reasonable fees and costs necessary for the Coalition to remedy any breach of confidentiality due to the conduct of the Contractor, its employees, subcontractors, agents, or affiliates, or any individual within the control of the Contractor, shall be the responsibility of the Contractor. The Contractor shall cooperate in the defense and settlement of such claims. The obligations of this section shall survive the expiration or termination of this agreement.

The Contractor understands and agrees to the confidentiality and security provisions of this agreement regarding the requirements to safeguard the confidentiality of the information which is the subject of the agreement, and which is considered a material condition of the agreement. In the event requirements to safeguard the information, unauthorized disclosure of the information, or the confidentiality of the information are compromised in any way, the Contractor will be subject to penalties as follows:

Criminal Penalties: The Contractor and any of its employees, agents, contractors, subcontractors, affiliates or any other individual that breaches the confidentiality requirements of this agreement are subject to any state or federal criminal sanctions provided by law, including, but not limited to penalties as provided for in s 119.10, F.S., the Florida Computer Related Crimes Act (s. 815.04, F.S.) or any other applicable state or federal laws or regulations.

Civil Remedies: In addition to criminal sanctions, the Contractor and its employees, agents, contractors, subcontractors, affiliates or any other individual who breaches the confidentiality requirements of this agreement or applicable laws are subject to any and all civil remedies available to the Coalition, DEL, and the state of Florida.

II. MUTUAL ASSURANCES

A. Amendments, Modifications and Contract Extension

1. The Coalition reserves the authority to amend or modify this contract with written bilateral agreement of the Contractor. Reimbursements and the total dollar amount may be adjusted retroactively to reflect cost increases when these have been established through the appropriate process and subsequently identified in a modification to the Contractor’s budget.
2. Mandatory changes in regulations, policies, or law will be unilaterally amended by the Coalition and will be effective upon the receipt by Contractor of a Contract Modification signed by the Chairperson of the Coalition.
3. This contract may be renewed on a yearly basis for a period up to three years after the initial contract or for a period no longer than the term of the original contract, whichever period is longer, if such extension is allowed for in the original request for proposal. This extension is
contingent upon satisfactory performance evaluations by the Coalition and is subject to the availability of funds. The terms and conditions of this extension shall be negotiated prior to the effective date of the extension.

B. Termination

1. **Termination for Convenience/at Will** - This contract may be terminated by any party upon no less than thirty (30) calendar days’ notice, without cause, unless a lesser time is mutually agreed upon by both parties. Said notice shall be delivered by certified mail, return receipt requested or in person with proof of delivery.

2. **Termination Due to Lack of Funds** - In the event funds to finance this contract become unavailable, the Coalition may terminate this contract upon no less than twenty-four (24) hours’ notice in writing to the Contractor. Said notice shall be delivered by certified mail, return receipt requested or in person with proof of delivery. The Coalition shall be the final authority as to the availability of funds and will not reallocate funds earmarked for this contract to another program thus causing “lack of funds”. In the event of termination of this contract, the Contractor will be compensated for any work satisfactorily completed prior to notification of termination. Any obligation to pay under this contract is contingent upon an annual appropriation by the Legislature. In the event the federal and state funds upon which this contract is dependent is withdrawn or redirected, the contract is terminated and the Coalition will have no further liability to the Contractor beyond that already incurred by the termination date.

3. **Termination for Cause/Breach** - This contract may be terminated by the Coalition for nonperformance by the Contractor upon no less than a seven (7) calendar day notice in writing to the Contractor. Said notice shall be delivered via email and a hard copy will follow via postal mail delivery. If applicable, the Coalition may employ the default provisions in Chapter 60A-1.006(3), FAC. Waiver or breach of any provisions of this contract shall not be deemed to be a waiver of any other breach and shall not be construed to be a modification of the terms of this contract. The provisions herein do not limit the Coalition’s right to remedies at law or inequity. If applicable, the Contractor may be liable for liquidated damages upon breach. In the event of such termination, the Coalition shall be liable for payment only for services rendered prior to the effective date of termination. Final billing for payment must be received by the Coalition within fifty (50) calendar days of termination date. Contractor shall give the Coalition written notice of any perceived breach and it shall give the Coalition ten (10) business days to cure any perceived breach under the contract.

4. **Other** - Unearned payment under this contract may be suspended or contract terminated upon the refusal by Contractor to accept or comply with any additional conditions that may be imposed by the Federal Government, the State of Florida, or the Governor at any time.

5. **Venue** - The place for any hearing, litigation, arbitration or otherwise, shall be St. Johns County, Florida.

6. This contract shall be interpreted under the laws of the State of Florida.

7. The submittal of false information may be considered fraud and could result in the immediate termination of the contract.

8. After receipt of a notice of termination, and except as otherwise specified by the Coalition, the Contractor shall:
   a. Stop work under the agreement on the date of and to the extent specified in the notice.
   b. Complete performance of the work not terminated by the Coalition.
   c. Take such action as may be necessary, or as the Coalition may specify, to protect and preserve any property related to the agreement which is in the possession of the Contractor and in which the Coalition has or may acquire an interest.
   d. Transfer, assign, and make available to the Coalition all property and materials belonging to the Coalition, upon the effective date of termination of the agreement. No extra compensation will be paid to the Contractor for its services in connection with such transfer or assignment.
e. Meet all the public records law requirements specified under the section of this agreement on Public Records Law Compliance.

C. General Provisions

1. None of the funds or services under this Agreement provided by the HHS, DOL, the Governor or the Coalition to the Contractor shall be used for any partisan political activity or to further the election or the defeat of any candidates for public office within the constraints of the Hatch Act (5 USC section 1501-1508 and 7328) or the Federal Election Campaign Act, as amended (2 USC section 431).

It is further agreed that no modification, amendment, or alteration in the terms or conditions contained herein shall be effective unless contained in a written document executed by the Contractor and the Coalition.

5. Contractor understands and agrees that when requested, as set forth in this agreement, the Contractor shall complete and furnish to the Coalition all forms, reports, documents, and records, within fifteen (15) business days of said request. Failure to comply with this provision will result in the Coalition’s withholding the Contractor’s reimbursement or unit payment until such time the Contractor complies with the Coalition’s request, in accordance with the procedures set forth in the Method of Payment sections.

PRIMARY COVERED TRANSACTIONS

This certification is required by the regulations implementing Executive Order 12549 and 12689, Debarment and Suspension, 29 CFR Part 98, Section 98.510, Participants Responsibilities and implemented at 45 CFR Part 85. The regulations were published as Part VII of the May 26, 1988 Federal Register (pages 19160 – 19211).

(BEFORE SIGNING CERTIFICATION, READ ATTACHED INSTRUCTIONS WHICH ARE AN INTEGRAL PART OF THE CERTIFICATION)

A. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:

1. Are not presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from covered transactions by any Federal department or agency. The Federal Excluded Parties list is currently at https://www.epis.gov/ and also available passing through the Florida Department of Management Services website at http://dms.myflorida.com/business_operations/state_purchasing/vendor_information/convicted_suspended_discriminatory_complaints_vendor_lists/convicted_vendor_list. The United States Department of Agriculture Food Program’s National Disqualification List is available through the Florida Department of Health.

2. Have not within a three (3) year period preceding this Contract been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain or performing a public (Federal, State, or local) transaction or Contract under a public transaction, violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements or receiving stolen property.

3. Are not presently indicted for or otherwise criminally or civilly charged by a government entity (Federal, State, or local) with commission of any of the offenses enumerated in paragraph B.2. of this certification.

4. Have not within a three (3) year period preceding this application/proposal had one or more public transactions (Federal, State, local) terminated for cause or default.

B. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

INSTRUCTIONS

1. By signing and submitting this Contract, the prospective primary participant is providing the certification as set out herein.

2. The inability of a person to provide the required certification will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in
connection with the WDB determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this Contract.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DEL determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available, DEL may terminate this Contract for cause or default.

4. The prospective primary participant shall provide immediate written notice to DEL if at any time the respective primary participant learns its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntary excluded, as used in this clause, have the meanings set out in the Definitions and Coverage Sections of rules implementing Executive Order No. 12549. You may contact DEL for assistance in obtaining a copy of those regulations.

6. The prospective primary participant agrees by submitting this Contract that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible or voluntarily excluded from participation in this covered transaction unless authorized by DEL.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion--Lower Tier Covered Transactions, provided by DEL without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible or voluntarily excluded from the covered transaction unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded From Procurement or Non-procurement Programs.

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph six of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible or voluntarily excluded from participation in this transaction in addition to other remedies available to the Federal Government, DEL may terminate this Contract for cause or default.

Prior Approval Program Guidance

Florida Department of Education Division of Early Learning
Program Guidance 240.05
Prior Approval

OF INTEREST TO
The Division of Early Learning (DEL, the Division), Early Learning Coalitions (ELCs, Coalitions), and other direct subrecipients of DEL implementing federal and state early learning programs.

AUTHORITY

45 CFR §75 – U.S. Department of Health and Human Services (USDHHS), Uniform Administrative Requirements, Cost Principles, and Audit Requirements for HHS Awards.

Reference to any laws, rules and regulations in this guidance document includes revisions to those laws and regulations made after the effective date of this guidance document.

BACKGROUND
OMB Uniform Grant Guidance (UGG) and USDHHS regulations establish cost principles and standards for determining allowable activities and costs for federal awards carried out through grants, cost reimbursement contracts, and other agreements. Some administrative requirements and cost items are allowable only with prior approval from the awarding agency. Coalitions and other direct subrecipients must obtain prior approval from DEL for applicable administrative requirements and cost items within 2 CFR §200 and 45 CFR §75.

Per 45 CFR 75.407, under any given Federal award, the reasonableness and allocability of certain items of costs may be difficult to be determined. In order to avoid subsequent disallowance or dispute based on unreasonableness or non-allocability, coalitions and other direct subrecipients may seek the prior written approval from DEL in advance of the incurrence of special or unusual costs. Prior written approval should include the timeframe or scope of the agreement. The absence of prior written approval on any element of cost will not, in itself, affect the reasonableness or allocability of that element, unless prior approval is specifically required for allowability as described under certain circumstances within of 2 CFR §200.407 and parts of 45 CFR §75.407.

Any acquisition that will be capitalized for financial statement purposes requires prior approval for grant reporting purposes. For the equipment and other capital expenditures cost item, prior approval must be requested for all items that meet the lesser of the requestor’s capitalization threshold or $5,000. Acquisitions or creation of software applications that meet the capitalization requirements of generally accepted accounting principles also require prior approval.
**DEFINITIONS**

**Prior Written Approval**

Written approval by an “authorized official” evidencing prior consent before a recipient undertakes certain activities or incurs specific costs (45 CFR §75.2).

**Authorized Official**

For purposes of this guidance, the DEL Financial Administration and Budget Services Manager and/or his/her delegate is the authorized official.

**INSTRUCTIONS**

A comprehensive list of the administrative requirements and cost items requiring prior approval is provided in Attachment II - Prior Approval Reference Guide. DEL allows annual prior approval for some items, while others require individual prior approval, as identified in Attachment II.

To request prior approval from DEL: See Attachment I- How to Submit a Prior Approval Request.

Retain clear supporting documentation for all costs associated with prior approval requests in order to establish the expenditure:

- Meets the cost principles (is necessary and reasonable for proper and efficient performance and administration of the grant);
- Is authorized or not prohibited under federal, state, or local laws or regulations;
- Conforms to any limitations or exclusions set forth in the UGG, federal laws, terms and conditions of the federal award, or other governing regulations as to types or amounts of cost items; and
- Is consistent with applicable policies, regulations and procedures.

**DEL DISPOSITION**

DEL will respond to submitted prior approval requests via the Division of Early Learning Financial Administration and Budget Portal within five business days from the date the request is submitted. DEL will notify the requestor if additional processing time is needed due to substantial research by the Office or where federal approval may be required.

DEL will provide the final disposition (approved or declined) on the prior approval request via the Division of Early Learning Financial Administration and Budget Portal.

Prior approval by DEL is only applicable to transactions funded in full or in part by monies received directly from DEL and other early learning related transactions funded by other monies subject to federal/state laws, rules, and program regulations (i.e., program income, match donations, etc.).

Prior approval by DEL is based on the limited information submitted with the request as justification for the proposed expenditure or action. DEL may question or disallow the expenditure if it is not in accordance with the facts presented or OMB and HHS requirements. Factors which may be considered by a monitor or auditor include, but are not limited to the following:
• Inadequate documentation
• Failure to follow internal (local), state, or federal policies or procedures
• Expenditure is determined either not necessary, not reasonable, not allocable, or not allowable
• Non-compliance with applicable federal or state laws or regulations

Please note: Costs submitted for prior approval remain subject to applicable federal/state grant program laws, rules, regulations and guidance regarding allowability. Prior approval does not limit DEL's ability to assess potential questioned or disallowed costs if a transaction receives prior approval but is later found to be prohibited.

EFFECTIVE DATE
Issuance of this guidance represents approval by DEL management of the indicated procedures and related administrative forms. These procedures will be effective as of the date of this guidance. Revised June 30, 2017; effective date July 1, 2017. Revised and reissued July 1, 2019. Revised and reissued July 1, 2021.

C. Audits

1. Federally-funded

This section is applicable if the Contractor is a state or local government or a non-profit organization as defined in 2 CFR §200. A web site that provides links to several Federal Single Audit Act resources can be found at: Federal Single Audit Act Resources.

1.1. According to the Subpart F-Audits 45 CFR §75.501(a), non-federal entities that expend $750,000 or more during the non-Federal entity's fiscal year in Federal awards must have a single or program-specific audit conducted for that year in accordance with the provisions of this part and other applicable federal regulations. Guidance on determining Federal awards expended is provided in 45 CFR Part 75.502 (2 CFR §200.502).

1.2. The Office's Notice of Award indicates Federal resources awarded through the Office/ELC by this agreement. In determining the Federal awards expended in its fiscal year, the Contractor shall consider all sources of Federal awards, including Federal resources received from the Office/ELC. In connection with the audit requirements, the recipient shall also fulfill the following instructions related to auditee responsibilities as provided in 45 CFR §§75.508 through 75.512 (also 2 CFR §§200.508 through 200.512), as well as the following additional state-level requirements. The financial statements shall disclose whether the grantee met the matching requirement for each applicable contract/grant in accordance with DEL Program Guidance 440.10 – Match Reporting.
1.2.1. The Contractor shall fully disclose in the audit report all questioned costs and liabilities due to DEL/ELC with reference to the DEL/ELC grant award(s), agreement(s) or contract(s) involved.

1.2.2. The audit procedures and Single Audit reports must include DEL’s/ELC’S annual financial and programmatic monitoring report results, as applicable.

1.3. The Contractor is responsible for submitting the Single Audit Reports and the required federal Data Collection Forms (SF-FAC) electronically to the Federal Audit Clearinghouse within the earlier of 30 days after receipt or nine months after the fiscal year’s end of the audit period.

1.4. If the Contractor expends less than $750,000 in federal awards in its fiscal year, a federal Single Audit is not required. If the Contractor still elects to have an audit conducted in accordance with the provisions of 2 CFR §200, then the cost of the audit must be paid from non-federal resources (i.e., the ELC must pay the audit costs from resources obtained from non-federal and non-state entities).

2. State-funded
This part is applicable if the Contractor is a non-state entity as defined by s. 215.97(2), F.S. – The Florida Single Audit Act. Additional information regarding the Florida Single Audit Act can be found at: Florida Single Audit Act.

2.2. In the event the Contractor expends $750,000 or more of state financial assistance in any fiscal year, the Contractor must have a state single or project-specific audit conducted accordance with the Florida Single Audit Act; Florida Single Audit Act; Chapter 69I-5, F.A.C.; Chapter 10.550 (local governmental entities) or Rule 61H1-20.0093, F.A.C., Chapter 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.

2.3. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Office/ELC, other state agencies and other non-state entities. State financial assistance does not include federal direct or pass-through awards and resources received by a non-state entity for federal program matching requirements.

2.4. If the Contractor expends less than $750,000 in state financial assistance in its fiscal year, a Florida Single Audit is not required. If the Contractor still elects to have an audit conducted in accordance with the provisions of s. 215.97, F.S., the cost of the audit must be paid from non-state resources (i.e., the Contractor must pay the audit costs from resources obtained from non-federal and non-state entities).

2.5. Pursuant to s. 215.97(8), F.S., state agencies may conduct or arrange for audits of state financial assistance that are in addition to audits conducted in accordance with s. 215.97, F.S. 3.3. All funds administered by the Contractor must be included in the audit coverage. This includes funds that are provided to any auxiliary entity over which the Contractor exercises controlling influence, such as a foundation. For purposes of this Agreement, all foundations or other similar entities are considered to be affiliated organizations and, in some instances, may need to be classified as a component unit.

3.4. For any affiliated organization, at a minimum the audit report should disclose the entity's mission/purpose and summarized financial data including total assets, liabilities, net assets, revenues, expenditures, and the entity's relationship to the Contractor's activities. 2.5 **Severance payments.** Severance pay is any compensation and/or benefits (beyond those included in/described by the employer’s standard HR/employee policy manual) offered to an employee after their employment is over or stops. Since these payments are not required by federal and/or state laws, this type of compensation is not authorized by DEL from grant, grant program income, or matching funds.

2.6 **Deferred compensation/retirement benefits.** Deferred compensation is an arrangement in which a portion of an employee’s earned income is paid out at a later date after which the income was earned. This type of compensation is allowable, if authorized and included in/described by the employer’s standard HR/employee policy manual.

2.7 **Real property “gifts”.** The following federal/state citations apply for this category of activity.

2.7.1 Federal guidance from 2 CFR 200.434, *Contributions and donations*, instructs that the cost of contributions and donations, including cash, property, and services from the non-federal entity to other entities (including individuals) is unallowable.

2.7.2 Federal guidance from 2 CFR 200.445, *Goods or services for personal use*, instructs use of federal funds for the personal benefit of the non-Federal entity’s employees is unallowable.

2.7.3 The State of Florida Attorney General Opinion #78-01 requires expressed or implied legal authority to expend federal and/or state funds. DEL does not have the ability to authorize this type of activity.

Executive Summary – Provider Rate Increase

Overview

Provider rates paid by the ELC were increased for all care levels except School Age in January 2022. School age rates are also below the market rate (75th percentile of all rates in a county by age group and care type). Low rates create hardships for both providers and parents. According to federal and state regulations, the ELC should to the extent possible pay providers at the 75th percentile. While the ELC does not have the funding to raise school age rates to the 75th percentile, we do have funding to increase school age rates by 20% effective July 1.

Both last year and this year, the ELC has received an increase in School Readiness funding and has eliminated our waiting list. Additionally, for the past 2 years, despite multiple outreach strategies, the overall enrollment has dropped.

Report Findings

The ELC has received $3,212,211 in additional School Readiness Funding which was meant to clear the wait list and to fund a provider rate increase that DEL implemented last year. DEL’s provider rate increase was effective as of January 1, 2021, The ELC has been clearing the waitlist on a weekly basis and actively recruiting School Readiness families. Additionally, the ELC voted to increase rates for care levels up to school age in January of this year. However, this still leaves the ELC projecting a surplus of over $2million this year before this additional rate increase. The ELC has received additional funding in the past several years but the reason for the surplus is primarily a lack of demand for subsidized care. This is due to the pandemic, either directly or indirectly but even as conditions have improved, our enrollment numbers have stayed flat. This is true despite multiple outreach efforts. At least 78% of our budget must be spent on direct services (child care) so little of the surplus could be diverted to other program areas.

The proposed rate increases effective on July 1, 2022, will cost approximately $692,000 assuming all providers have rates of at least our new reimbursement rate. In future years, the costs will be the same as this first year. Even with the increase we are projecting a surplus, but
we are also aware that the state will set rates going forward and that all providers will receive the state assigned rate at that time. Now providers cannot be paid by the ELC more than they charge private pay parents unless they qualify for certain stipends. Next year at some point that will change, and we anticipate many providers receiving an automatic rate increase which will further increase our spending and decrease the projected surplus. At this time, it is impossible to know the full impact so we are recommending a smaller school age increase which will still be a great benefit to our parents and providers but will leave funding for the change in how rates are set in 2022/2023. Meanwhile, we will continue enrolling and clearing our waiting list. If this rate increase and the change in how provider rates are set does not fully utilize our funding next year, we will have the option to de-obligate the funds if needed so that other ELC’s could benefit. Some of any surplus can be used in other areas if at least 78% of the total spent is spent for direct services. Should we find that enrollment catches up with our funding at some future point, we can stop enrollments or even allow families to attrition out of the program over time.

**Conclusion**

We are proposing a targeted 20% rate increase for all providers in all counties for school age children. This will be a help to both providers and parents and is supported by both groups as borne out by our survey completed last winter and is attached.

Q2 For the past year or more, the ELC of North Florida has not had waiting list for School Readiness services but also serves less children that it has historically. Even with this increase, the ELC anticipates continued enrollment in the program in the foreseeable future. Do you support a rate increase in this circumstance?

This increase will not bring the school age rates to market but will increase those rates by 20% across all counties and provider types bringing additional income to those programs.

Attachment III E. Quality Performance Report

Programs participating in our Enrichment program receive weekly coaching. Programs that participated recently but have completed the program are called Maintenance Programs and may receive continued coaching once a month to ensure that gains made during participation in the Enrichment program are maintained. All Education Specialists are required to become CLASS Reliable in Infant, Toddler and Pre-K CLASS within the 1st year of employment. They are also required to become Lastinger Center Certified Coaches in the first year of employment of as soon thereafter as the training is offered. The Enrichment program uses the CLASS assessment which measures the quality of teacher interactions and if the program requests it, we will use the ERS assessments to add insight to any perceived environmental concerns. From there Education Specialists and the programs will develop an improvement plan based on the teacher’s stated interest. Normally most quality spending for supplies is used to strengthen these programs with classroom supplies, curriculum supports, curriculum and other classroom needs. Other quality funds may be used for mini-grants, curriculum or other needs of providers not participating in the Enrichment program depending on need and funding.

Training for the above list as well as early literacy, transitions, curriculum training, classroom management, developmentally appropriate practices and other topics are offered both in person and through our online platform, making high quality trainings available to providers throughout our service area in a manner that providers can access unimpeded by geography or long program hours. These trainings have been designed to complement and not compete with the work being done by the Lastinger Center.

Additionally, the ELC through ECS offers one on one technical assistance on the topics listed above to any School Readiness provider based on provider need as well as online National CDA classes that are fully scholarshipped and a scholarship for the submission fees once the requirements have been met.

Additional Quality Services

Reading Pals: This is a reading program that places volunteer readers into 3 and 4-year-old classrooms once a week to read to small groups of children. Currently we have reading pals in Putnam, St. Johns and Clay Counties. Volunteers must fill out an application and are background screened to meet all state volunteer regulations. Reading pals go through an initial training then quarterly meetings are held all year where they receive additional training. Currently we have 68 reading pal volunteers reading in 42 School Readiness centers.

Three-Year-Old Book Bag Project: This is a book program giveaway program in the Fall and Spring. Book bags are distributed to area three-year-old classrooms in School Readiness programs in the six counties we serve. In each bag is 10-12 age appropriate books along with educational information for parents on the importance of reading to their child. Volunteers and ELC Staff put all the bags together and then along with ECS and ELC staff the bags are personally delivered to child care centers. At the time of delivery, a special story time program featuring a different book character like Clifford each year is presented. In 2018-2019 just over 1,200 bags were delivered. The goal for 2019-20 is 1,200 bags. The goal for 2021-2022 is 1,200 bags. This program is funded through current quality funds as well as donations from local organizations and grants.
Early Educators Conference: Each year in January starting in 2013 we have hosted an early educators conference for all our providers in the six counties we serve. The Conference is held at the Thrasher Horne Center in Orange Park which is a central location for all of our providers in different areas of our service area each year to ensure all providers can participate. The ELC of North Florida works closely with Episcopal Children’s Services to host this daylong event. Attendees can receive CEU’s and or in-service hours for attending. There is a key note speaker and many break-out sessions featuring many different topics relating to early education. Each year we also hold at this event our “Preschool Teacher of the Year” awards. The winner each year is surprised by a prize patrol at their school. The nominees and the winner are honored for their outstanding work.

National Read for the Record day in October and the Florida State Wide Simultaneous Reading event in January. The ELC provides the book and a packet of activities that goes along with it for the centers that wish to participate in both events.

ELC Days at Amazing Grace Crop Maze – Each October the ELC hosts two days at Amazing Grace Crop Maze in Green Cove Springs. This is a partnership with their agricultural education program and early literacy. The farm has corn mazes centered around a children’s book. The ELC is on hand for these two days giving out that year’s book and providing an additional activity for the children. Child care programs serving School Readiness children are invited to attend.

Themed Literacy programs – throughout the year different themed literacy programs are made available to all the ELC providers. The themes include Space, Dinosaurs, World of Colors, Mother Goose Rhymers are Readers, Five Senses, Pete the Cat, and Meet the Master’s Arts program.

In 2020 the Meet the Masters program was put on digital video format so providers could participate in the program on their own. 35 providers received this program kit that includes 7 complete lessons with all the art activity supplies. In the kit there is a video that features seven ELC volunteers dressed up as a famous artist such as Monet, Seurat, Grandma Moses, Matisse, Van Gough and Mary Cassat. They talk about their lives and share about the kind of art that they do. In 2018 a Mother Goose sorority was formed consisting of ELC staff and volunteers further increasing the number of literacy programs performed. For all themed programs, a team of ELC volunteers and staff provide different activities all relating to that theme and each child receives a free book relating to that theme as well. The teacher receives a bag of books and activities which they then can use to duplicate that same program in the future. During the first week in March each year in celebration of Dr. Seuss Birthday we put on a different Dr. Seuss program each day that week for the first two weeks in March.

Provider Conferences – ECS Education staff hold several times a year, day long training conferences that allow providers to earn .6 CEU’s. Child care teachers and directors can gain knowledge on relevant early learning and care topics.

Baby Bags: This is a book program targeting our school readiness children ages 0-2. 4-5 board books along with a Read Aloud Guide are put together in a bag by ELC staff and volunteers and given to ECS staff to give to clients when registering for services. 500 bags were given out in 2018-2019. 250 bags were given out in 2020-2021.

Book of the Month: Each month two books are given to each of the targeted centers that ECS staff works with. One book is geared for Toddlers and the other is for pre-school age. The education staff uses these books all month in their instruction then leaves them with the provider to build up their libraries.
**ELCNF YouTube Page:** In 2020 we launched our own ELC of N. Florida You-Tube page with the goal to share educational videos to our providers and community. The videos are created by ELC staff and volunteers and are shared on social media.

**Ferst Books and Dolly Parton Imagination Library:** Through the Ferst Books Foundation we provide and pay for school readiness children in Nassau County ages 0-5 to receive a free book once a month. The books are mailed to their home. Parents are encouraged to sign up for this program when signing up for services. We also promote the Dolly Parton Imagination Library program in our other five counties in zip codes where the program is active. This program provides free books to children once a month as well. This program is paid for by another local non-profit agency.

**Provider Contests:** Each year we hold different contests for providers to enter. In March of 2021 we held a Dr. Seuss reading corner contest looking for the most creative Dr. Seuss book themed reading corner. Providers send in pictures and we choose 3 winners. This fall we will be holding a Science Center contest. They win prizes of classroom items like furniture, rugs and learning supplies.

**Due Process Provisions for Termination or Suspension of School Readiness or Voluntary Prekindergarten Benefits**
The ELC/ECS will provide written advance notice of the intended action to suspend or terminate benefits to the recipient to be affected. This notice must clearly advise of the allegations, the basis of the allegations, the intended action, and the date the action is to be imposed. The coalition/ECS shall send the written advance notice at least fourteen (14) calendar days before the intended action. The written advance notice will be translated in the recipient’s native language if the coalition/ECS’s other communications with the recipient have been translated. The written advance notice shall include the following:
1. The procedure for the recipient to follow to attempt to appeal the decision.
2. A statement, in bold print, that the failure to file a timely appeal waives the right to an appeal.
3. Notice of the potential for the demand of repayment of improper benefits if the conclusion of fraud is upheld, including any benefits received after the receipt of the written advance notice.
4. The procedure for the recipient to obtain a copy of his or her file.
5. The amount of overpayment to be recovered, if applicable.
6. The length of time for which the recipient’s benefits are suspended or the date of the termination of benefits, if applicable. The following general guide for penalties will be applied, however, considerations will also include the length of time proportionate to the alleged offense committed, consistent with suspensions or terminations issued to other recipients who allegedly committed comparable offenses, and may also consider prior offenses, as appropriate.

**Penalties Guideline**

- First determination of fraud, eligibility is suspended for the longer of six months or restitution or repayment of overpaid benefits.
- Second determination, eligibility is terminated the longer of one year or restitution or repayment of overpaid benefits.
- Third and subsequent determinations, eligibility is terminated the longer of five years or restitution or repayment of overpaid benefits.

The recipient has a right to challenge the suspension or termination of benefits within fourteen (14) calendar days of the date of the notice of the proposed action. If the challenge is before benefits are terminated or suspended, then benefits remain in place for duration of initial challenge. However, if the decision is upheld, any services received during that timeframe will be included with the overpayment amount.

**A suspension or termination shall not be applied against recipients with a valid at-risk referral.**

**Recipient Right to Challenge Decision**

**Pre appeal Resolution Procedure**

If recipient believes that the conclusion of fraud was made in error, the recipient should first seek to resolve the matter by contacting the coalition/ECS and providing the necessary documentation to resolve the issue. The Program Support Coordinator will consider all statements, review all documents, and may request any additional evidence or information as is necessary and relevant to the review. Within fourteen (14) calendar days of receiving the parent’s request for review, the recipient will be notified in writing of the determination and given a new date when services will end (intended action date) should the finding of fraud stand. Otherwise, the parent will be informed within this same timeframe that upon review there is no finding of fraud and therefore no penalty will be assessed. The C.E.O. of the coalition shall not be involved in the pre-appeal resolution of the issue.

If the recipient believes that the issue was not resolved during the pre-appeal resolution procedure, the appeal procedure is outlined in Florida Rule 6M-9-400 Early Learning Coalition Anti-Fraud Plan, subsection (e) and (f) as follows:

**Appeal Resolution Procedure:**

If the recipient believes that the issue was not resolved by the coalition/ECS, the recipient may file a formal written appeal for review by the C.E.O. of the Coalition, using the following procedure:

1. Submit a written appeal to the C.E.O. or other executive staff person as designated by the
coalition board. The appeal must fully describe the nature of the error the recipient believes has been made and shall contain any documentation which supports the recipient’s claim.

2. The appeal shall be postmarked or emailed before the date of the intended action noted above. The recipient who fails to file a timely appeal waives the right of appeal.

3. If the recipient files a timely appeal, he or she will not be suspended or terminated from the program until the written decision of the C.E.O. or the original date of the intended action, whichever is later.

4. The C.E.O. of the coalition or other executive staff person designated by the coalition board must respond to the recipient, in writing, within thirty (30) calendar days of receiving the appeal with a decision as to whether the suspension or termination will be upheld or modified.

The recipient who wishes to appeal the decision of the C.E.O. of the coalition or other executive staff person designated by the coalition board may request further review by an appeals committee in accordance with subsection (e) of this rule. The request for further review by an appeals committee must be submitted to the coalition in writing within ten (10) calendar days of the date of the C.E.O. or other executive staff person designated by the coalition board’s written response to the recipient’s formal written appeal.

The recipient shall be given the opportunity to defend his or her position in an orderly proceeding of the appeals committee. When the meeting of the appeals committee is scheduled, the recipient shall be notified of the date of the appeals committee, informed that it is a public meeting, and informed that any information presented may be used by other state agencies.

1. The appeals committee shall be selected by the Chairman of the Board of the coalition and a chair of the appeals committee shall be named.

2. The appeals committee shall be convened within forty-five (45) calendar days of receipt of the recipient’s request for an appeal.

3. The recipient shall be provided up to thirty (30) minutes to present their position and any information they wish the appeals committee to consider.

4. The coalition staff, excluding the Executive Director or other executive staff person designated by the coalition board shall be available to provide any information requested by the committee.

5. The appeals committee will consider all statements, review all documents, and may request any additional evidence or information from the parties if an appeals committee member believes it is necessary and relevant to the decision making. The required final determination letter will be tolled for the length of time given to provide the additional information.

6. The appeals committee shall select or appoint a member of the coalition, or another executive staff person designated by the coalition board but excluding the C.E.O., to memorialize the events of the appeals committee proceeding and the final determination including the basis for the decision.

7. The appellant shall be notified in writing of the appeals committee’s determination within ten (10) calendar days of the date of the meeting.

8. The determination of the appeals committee shall be final.
**Benefit Recovery**
- For a voluntary overpayment repayment, the ELC/ECS will follow the ELC overpayment repayment process, including review for approval of a payment plan with the recipient, if requested
- For criminal prosecution with restitution, the ELC/ECS will follow the ruling from the court regarding restitution plan

**Monthly Reporting Process to DOEL**
The Program Support Coordinator will submit an electronic report monthly reporting the parents and providers terminated from services as a result of fraud, per Rule 6M-9.400 subsection (b).

**Process for Mandatory Reporting Fraud and Abuse through the DOEL Fraud Referral System**
The Program Support Coordinator is the coalition’s designated administrator for the Office Division of Early Learning’s Fraud Referral System. Contact information:

Kenya Register,
Early Learning Coalition of North Florida/ Episcopal Children’s Services
kenya.register@ecs4kids.org
904-726-1500 ext. 2246

At the point when potential fraud has been communicated to the recipient, the Program Support Coordinator makes a mandatory referral for potential fraud or abuse investigation using Office Division of Early Learning Fraud Referral System. The referral includes the recipient information, amount of overpayment, discovery date and a brief summary of the allegations, and notification of any evidencing documents available that substantiate the allegations. At this time, the Program Support Coordinator also notifies the Office Division of Early Learning’s Inspector General’s office that a fraud referral has been submitted.

Note the coalition’s fraud investigation and appeals procedures outlined in this plan will complement the OEL DEL referral process to Department of Financial Services through the Fraud Referral System. If the recipient appeals the decision through the coalition appeals process, the Program Support Coordinator will update the referral information in the Fraud Referral System as appeal decisions are made throughout the appeal process.

Effective Date: 08/28/07
Revision Date: 09/16/09, 07/01/11, 12/07/16, 08/07/19, 09/11/19, 06/15/22

Overview

The Coalition charges costs that are reasonable, allowable, and allocable to a Federal award directly or indirectly. All unallowable costs shall be appropriately segregated from allowable costs in the general ledger in order to assure that unallowable costs are not charged to Federal awards.

Segregating Unallowable from Allowable Costs

The following steps shall be taken to identify and segregate costs that are allowable and unallowable with respect to each Federal award:

1. The budget and grant or contract for each award shall be reviewed for costs specifically allowable or unallowable.

2. Accounting personnel shall be familiar with the allowable costs provisions of 2 CFR 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards particularly:
   a. The list of specifically unallowable costs found in the Coalition cost allocation plan (Selected Items of Cost), such as alcoholic beverages, bad debts, contributions, fines and penalties, lobbying, etc.
   b. Those costs requiring advance approval from Federal agencies in order to be allowable in accordance with the most current version of OEL Final Guidance on Prior Approval Procedures for Selected Costs and Administrative Requirements, such as foreign travel, equipment purchases, etc.

3. No costs shall be charged directly to any Federal award until the cost has been determined to be allowable under the terms of the award and/or 2 CFR 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.

4. For each Federal award, an appropriate set of general ledger accounts (or account segments) shall be established in the chart of accounts to reflect the categories of allowable costs identified in the award or the award budget.

5. All items of miscellaneous income or credits, including the subsequent write-offs of uncashed checks, rebates, refunds, and similar items, shall be reflected for grant accounting purposes as reductions in allowable expenditures if the credit relates to charges that were originally charged to a Federal award or to activity associated with a Federal award. The reduction in expenditures shall be reflected in the year in which the credit is received (i.e., if the purchase that results in the credit took place in a prior period, the prior period shall not be amended for the credit).

Criteria for Allowable Costs
All costs must meet the following criteria from 2 CFR Part 200 (OMB Uniform Guidance), in order to be treated as allowable direct or indirect costs under a Federal award:

1. The cost must be “reasonable” for the performance of the award, considering the following factors:
   a. Whether the cost is of a type that is generally considered as being necessary for the operation of the Coalition or the performance of the award;
   b. Restraints imposed by such factors as generally accepted sound business practices, arm’s length bargaining, Federal and state laws and regulations, and the terms and conditions of the award;
   c. Whether the individuals concerned acted with prudence in the circumstances;
   d. Consistency with established policies and procedures of the Coalition, deviations from which could unjustifiably increase the costs of the award.

2. The cost must be “allocable” to an award by meeting one of the following criteria:
   a. The cost is incurred specifically for a Federal award;
   b. The cost benefits both the Federal award and other work, and can be distributed in reasonable proportion to the benefits received; or
   c. The cost is necessary to the overall operation of the Coalition, except where a direct relationship to any particular program or group of programs cannot be demonstrated.

3. The cost must conform to any limitations or exclusions of 2 CFR 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards or the Federal award itself.

4. Treatment of costs must be consistent with policies and procedures that apply to both federally financed activities and other activities of the Coalition.

5. Costs must be consistently treated over time.

6. The cost must be determined in accordance with generally accepted accounting principles.

7. Costs may not be included as a cost of any other federally financed program in the current or prior periods.

8. The cost must be adequately documented.

Written Procedures for Allowable Costs - Required Contents [2 CFR Part 200.302(7)]

1. Procedures or disclosures for prohibited costs – see current OEL Grant Agreement and Fiscal Guidance regarding allowable and unallowable costs.
2. Procedures to evaluate allowable costs – a disclosure requirement.

The Coalition applies the following questions to each transaction and documents the results on the “Cost Allowability Form” which is then kept with the procurement files.

Phase I Analysis – General considerations for allowable costs
A. Consider requirements from federal regulations and program requirements
   1. Is the proposed cost allowable based on instructions from uniform grant guidance?
2. Is the proposed cost consistent with the federal cost principles?

B. Consider requirements from the federal awarding agency
   3. Is the proposed cost allowable based on agency-specific regulations?
   4. Is the proposed cost allowable based on the related terms/conditions that govern the agency’s award to / agreement with OEL?
   5. Is the proposed cost consistent with the grant project performance measures or benchmarks?

C. Consider requirements from applicable state guidance
   6. Is the proposed cost consistent with authorized grant program activities as described in the USDHHS-approved CCDF State plan?
   7. Is the proposed cost allowed by state expenditures guidance from state statutes, rules, regulations or guidance from DFS/DMS?
   8. Does the proposed cost comply with related grant program terms/conditions issued by OEL for grant awards, contracts, purchase orders and other expenditure agreements?

D. Consider the period of performance
   9. Is the proposed cost for the allowed period of availability as defined for the funding program?

E. Consider other oversight instructions
   10. If federal or state-level prior approval is required for the proposed cost, was this process followed?

**Phase II Analysis – Specific factors affecting allowable costs**
Several additional factors should be considered and documented by staff for cost transactions. The answer for each question listed here must be “yes” in order for staff to continue with the transaction.

F. The proposed cost(s) is/are -
   11. Necessary
   12. Reasonable
   13. Allocable
   14. In conformance with federal law and grant terms and conditions
   15. Consistent with state and local policies
   16. Consistently treated
   17. In accordance with generally accepted accounting principles (GAAP) and other standards. Each non-federal entity that receives federal/state grant program funds must use accounting rules and procedures established by authoritative bodies or conventions that have evolved through custom and common usage.
   18. Not used as match on another federal award
   20. Adequately documented

**Priority of compliance with federal guidance.** If instances of inconsistency are noted between USDHHS program guidance (i.e., 2 CFR §300 and 45 CFR Parts 98 and 99) and the OMB uniform guidance (i.e., 2 CFR §200), the program-specific guidance instructions from USDHHS will govern and will supersede the standard instructions from 2 CFR §200 all circumstances.

**Priority of compliance with state guidance.** Please note State of Florida’s program-specific instructions from state statutes, rules, regulations or guidance from the Department of Management Services (DMS) or the Department of Financial Services (DFS) also apply to and govern Florida’s early learning programs. If instances
of inconsistency are noted between federal level program guidance and the state’s guidance on expenditures, the state guidance from DFS and DMS will govern.

**Direct Costs**

Direct costs include those costs that are incurred specifically for one award or non-Federal function. The Coalition identifies and charges these costs exclusively to each award or program.

Time sheets or personnel activity reports are also submitted on a regular basis, reflecting employees' work and which programs directly benefited from their effort. Time sheets or personnel activity reports shall serve as the basis for charging salaries directly to Federal awards and non-Federal functions. See the Payroll section of this manual for detailed procedures.

Equipment purchased for exclusive use on a Federal award and reimbursed by a Federal agency shall be accounted for as a direct cost of that award (i.e., such equipment shall not be capitalized and depreciated).

**Indirect and Joint Costs**

Indirect costs are those that have been incurred for common or joint objectives and cannot be readily identified with a particular grant or program. Joint costs benefit more than one, but not necessarily all, awards. Indirect costs, but not joint costs, may be allocated to benefiting grants through the use of an indirect cost rate.

Examples of indirect costs are:
- The Accounting Department
- The Human Resources Department
- The Board of Directors

Examples of joint costs are:
- Shared space
- Vehicle insurance

Per Federal guidelines, each grant will be charged its fair share of costs. Any costs not reimbursed by a particular funding source will be charged to corporate or other funds that may cover indirect or joint costs after the allocation process is complete.

Direct and indirect costs are reviewed monthly by the Finance Manager to ascertain the allowability of the items charged to the grants.

Overview

The Coalition strives to maintain efficient business practices and good cost control. A well-managed accounts payable function can assist in accomplishing this goal from the purchasing decision through payment and check reconciliation. The following are general policies for accounts payable:

- Assets or expenses and the related liability are recorded by an individual who is not responsible for ordering and receiving.
- The amounts recorded are based on the vendor invoice for the related goods or services.
- The vendor invoice should be supported by an approved order document/purchase order where necessary, and should be reviewed by the Office Manager prior to being processed for payment.
- Invoices and related general ledger account distribution codes are reviewed prior to posting to the subsidiary system.

The primary objective for accounts payable and cash disbursements is to ensure that:

1. Disbursements are properly authorized
2. Invoices are processed in a timely manner
3. Vendor credit terms and operating cash are managed for maximum benefits

Recording of Accounts Payable

All valid accounts payable transactions, properly supported with the required documentation, shall be recorded as accounts payable in a timely manner.

Accounts payable are processed on a monthly basis. Information is entered into the accounting system with approved invoices or disbursement vouchers with appropriate documentation attached.

Only original invoices (or original statements for select vendors) will be processed for payment unless duplicated copies have been verified as unpaid by researching the vendor records.

If a vendor statement is allowed by the Coalition to serve as an invoice, then that statement must include the following required content in order to be processed (the most current version of the “Reference Guide for State Expenditures” updated February 2014).
**Invoice Requirements**

The following requirements apply to all invoices submitted for payment.

1. An invoice submitted for payment must be a legible copy. The original invoice is maintained by the agency. If an agency is filing a copy of the invoice as its original, it must contain the statement “original invoice not available, agency records show that this obligation has not been previously paid” with the signature of the person certifying the statement. Thermo fax copies, because of their temporary nature, shall not be filed as the original at the agency. It should be copied on a standard photocopy machine.

2. Invoices for commodities must clearly reflect a description of the item or items, number of units and cost per unit. Numerical code descriptions alone will not be accepted.

3. Invoices for services must also clearly reflect the specific deliverables that must be provided and accepted prior to payment.
   - i. Invoices for fixed unit rate agreements must show the number of units and cost per unit.
   - ii. Invoices for agreements paid out on a reimbursement basis or a fixed rate for a specific time period, e.g. quarterly, monthly, etc., must identify the deliverables provided or be supported by documentation (such as a progress report) that clearly reflects the deliverables provided during the invoice period. Documentation must evidence that the minimum performance standards were met.

4. No balances for prior purchases will be paid unless supported by an invoice.

5. A statement will not be paid unless it can be clearly shown that the vendor intended it to be used as an invoice that meets all invoice requirements.

6. All invoices shall be processed in accordance with s. 215.422, F.S., and the rules set forth in Rule 69I-24, F.A.C.

7. Invoices that are split payments require information showing the distribution of charges between funds for such invoice and a cross-reference of the statewide document numbers for all related vouchers.

8. Acronyms and non-standard abbreviations for programs or organizational units within an agency should not be used in the supporting documentation unless an explanation is also included.

**Accounts Payable Cut-Off**

The Coalition operates on a modified cash basis. All invoices are expensed in the month they are paid. At year-end a search for unrecorded liabilities greater than $500 is conducted and invoices paid in the first month of the next year that pertain to the preceding fiscal year are accrued and expensed in the preceding fiscal year. Many payments are made via electronic funds transfer and every effort is made to ensure that payments are made and recorded in the month of occurrence.

**Establishment of Control Devices**

The Office Manager establishes control of invoices as soon as they are received. Vendors will be instructed to mail all invoices directly to the administrative office.

The Office Manager receives and opens all mail, date stamps and initials. Invoices are entered into the Purchase

Request Log. Once any and all required backup has been attached to the invoice(s), the Office Manager completes a Purchase Request, obtains required approvals and submits to the Finance department for processing.

The Purchase Request Log is to be maintained and reviewed bi-weekly by the Office Manager to determine which, if any, invoices have not been paid.

Use of Purchase Orders
[60A-1.016, F.A.C., Contract and Purchase Order Requirements]

The Coalition utilizes a purchase order system. A properly completed purchase order or check request shall be required for each purchase decision (i.e., total amount of goods and services purchased, not unit cost) in excess of $500.00, with the exception of travel advances and expense reimbursements, which require the preparation of a separate form described elsewhere in this manual. Purchase orders are utilized for vendors used on an ongoing, recurring basis. Check requests are used for one-time purchases and credit card payments.
Purchase orders shall be pre-numbered, kept in a secure area (on an electronic drive with restricted access), and issued upon request from an authorized purchaser.

It is the Coalition’s policy to issue a purchase order (or use a credit card with proper authorization) PRIOR to the procurement of goods and services.

All purchase orders shall be recorded in a purchase order log.

A properly completed purchase order shall contain the following information:

1. Policy disclosures

   a. Secure all unused purchase orders in a safe place and restrict access to these documents.
   b. Maintain an electronic file for all consecutive purchase orders issued or voided.
   c. Maintain a record of persons authorized to issue and sign each type of purchase order.
   d. Monitor and review processes for the use of purchase orders and field purchase orders (those issued by an agency/office that is separate from the agency purchasing office (i.e., satellite offices).

5. Any other supporting documentation deemed appropriate
6. Check request or purchase order

Processing of Voucher Packages for Payment

The following procedures shall be applied to each voucher package:

1. Check the mathematical accuracy of the vendor invoice.
2. Ensure that no sales tax charged are included in the calculation for payment.
3. Compare the nature, quantity and prices of all items ordered per the vendor invoice to the approved order document/purchase order, packing slip and receiving documentation.
4. Document the general ledger distribution, using the Coalition’s current chart of accounts.

Approvals

Approval by the Office Manager indicates the acknowledgement of satisfactory receipt of the goods or services invoiced.

Approval by the Office Manager indicates the agreement with all terms appearing on the vendor invoice and agreement to pay vendor in full. Approvals shall be documented with initials or signature of the Office Manager.

Payment Discounts

To the extent practical, the Coalition takes advantage of all prompt payment discounts offered by vendors. When such discounts are available, and all required documentation in support of payment is available, payments will be scheduled so as to take full advantage of the discounts.
**Employee Expense Reports**

Reimbursements for travel expenses, business meals, or other approved costs will be made only upon the receipt of a properly approved and completed expense reimbursement form. All required receipts must be attached, and a brief description of the business purpose of trip or meeting must be noted on the form. Expense reports will be processed for payment in the next payroll cycle if received within two business days of the deadline. Expenses older than two months will not be reimbursed.

The Finance Manager will periodically check expense reports against timesheets to ensure agreement of dates and activities.

**Accounts Payable**

The Coalition is on a modified cash accounting method. From month to month expenses are recorded as they are paid. At the end of the fiscal year, unrecorded liabilities greater than $500 are recorded into the year the expense occurred regardless of when payment was made.

**Reconciliation of A/P**

At the end of each monthly accounting period the Finance Manager reviews the subrecipient payable account to the last invoice received from the subrecipient. Differences are investigated immediately.

Near fiscal year-end, staff will review all open purchase orders for any needed follow up.

**Management of Accounts Payable Vendor Master File**

Upon the receipt of an invoice from a new vendor that is not already in the Coalition’s vendor master file, the Office Manager shall mail (or email) a Form W-9 and a request for completion of the Form W-9, including the vendor’s full address and Federal employer identification number.

The vendor file data will include the following data:

1. Vendor’s legal name and any DBA name(s)
2. Street address (payments may be mailed to a P.O. Box, but a street address must be in the file)
3. Federal employer identification number
4. Telephone number
5. Fax number (if applicable)

Payments shall not be made to any vendor whose file does not comply with the preceding requirements.

On an annual basis, vendors that have not been utilized over the preceding 24-month period shall be purged (or made inactive) from the master vendor file. When completed, Finance Managers will document that the purge...
In addition, on an annual basis an internal audit shall be performed of the master vendor file and of payment histories made to each vendor.

**Verification of New Vendors**

The Office Manager will obtain completed W-9s for each new vendor and verify the payment mailing address.

1. Policy disclosures
   a. Travel expenses will be documented and reimbursed based on applicable state travel rules (includes DFS Reference Guide, State Travel Manual CFO Memos and OEL guidance).
   b. Management has process in place to ensure proper authorization, review, approval, and guidelines to submit adequate supporting records. Includes blanket travel authorizations (if used), requirement to use state-issued travel authorization, travel advances and travel reimbursement forms that include all required signatures/statements from the traveler, requirement to use most economical and efficient method for each travel event.
   c. Management has a process to ensure reimbursements do not exceed allowable amounts. Includes detail for allowable mileage reimbursement amounts, meal rates from statutes, travel per diem calculations, and recent travel restrictions to limit allowable daily room rates to $150 per day per traveler [or $175 per night ONLY IF the lodging was associated with a meeting, conference, or convention organized or sponsored by the Coalition. (“Sponsored” meaning contributed money toward the event)]. Also includes processes to ensure only reasonable and necessary business-related costs are incurred.
   d. An independent review and approval process is in place for costs incurred by members of the management team.
   e. Management has a process to document instances misuse by staff and issue notice of personnel actions taken/required (if applicable).

Travel Approval

In State:
All travel expenses (local and overnight), must be pre-approved by the C.E.O. (for Coalition employees), and by another Board Member or the Coalition Board of Directors (for the C.E.O. and/or Board members) prior to travel taking place.

The pre-approval can be processed using a ‘blanket’ approval for the entire fiscal year (to include an estimated dollar amount) or on an individual basis.

Out of State:
All out of state travel (for ALL Coalition employees and ALL board members) must be pre-approved by another Board Member or the Board of Directors prior to travel taking place.
For Delegation of Authority policy (regarding C.E.O. travel approvals), see policy #OP101.

Travel Advances

Funds will be advanced for upcoming travel only upon receipt of a completed and properly approved request for travel advance. Travel advances are generally limited to $200 unless there is an extraordinary need for additional funds. Travel advances are to be used only for the purpose intended. Travel expenses are to be made in accordance with the Coalition’s travel policies as explained later in this section.

Employees receiving travel advances are required to sign for the advance signifying their acknowledgement of, and agreement to, these policies. Employees receiving travel advances must submit an expense report within five (5) business days of returning from travel. Any outstanding advances more than 2 weeks old will be deducted from an employee’s next paycheck.

Employee and Director Business Travel

All out-of-state Coalition related business travel must be pre-approved by the employee’s immediate supervisor or the Board of Directors.

At the conclusion of the Coalition business trip, an employee or member of the Board of Directors that has incurred business-related expenses should complete an expense report in accordance with the following policies:

1. Identify each separately incurred business expense (i.e., do not group all expenses associated with one trip together).
2. With the exception of parking, tolls, reimbursed mileage, and per diems, all business expenses must be supported with invoices/receipts.
3. Vendor receipts/invoices must be submitted for all lodging and any expenditure other than meals. Credit card charge slips do not represent adequate supporting documentation – a hotel receipt must be obtained to substantiate all lodging expenditures.
4. For airfare, airline-issued receipts should be obtained. If a traveler fails to obtain a receipt, other evidence must be submitted indicating that a trip was taken and the amount paid (for example, a combination of an itinerary, a credit card receipt, and boarding passes).
5. Mileage will be reimbursed at the standard rates currently in effect with OEL.
6. The business purpose of each trip must be adequately explained on each report.
7. General ledger account coding must be identified for all expenditures.
8. For all meals and other business expenditures, the following must be clearly identified:
   a. Names, titles, the Coalitions, and business relationships of all persons involved
   b. The business purpose of the meal or other business event (topics discussed, etc.)
9. All expense reports must be signed and dated by the employee or board member.
10. All expense reports must be approved by the C.E.O.
11. Only one expense report form should be prepared for each substantial trip.
12. The Office Manager maintains a current “Frequent Trips” travel mileage log, for employee use. The Office Manager adds or deletes locations from this log upon request from staff, and maintains the
“MapQuest” documents in the Office Manager’s travel files. It is available on the Coalition share drive, and is reviewed and updated at least annually. Previous versions are saved in current files at least two fiscal years for subsequent reviews.

An employee will not be reimbursed for expense reports not meeting the preceding criteria. If the expense report results in a balance due to the Coalition (as a result of receiving a travel advance greater than actual business expenditures), the employee must return the cash to the Office Manager to deposit back into the Coalition checking account against the original check.

No further travel advances will be issued to any employee who has an outstanding balance due to the Coalition from previous business trips.

**Reasonableness of Travel Costs**

The Coalition shall reimburse travelers only for those business-related costs that are reasonably incurred. Accordingly, the following guidelines shall apply:

1. Suites and other upgraded rooms at hotels shall not be allowed. Travelers should stay in standard rooms.
2. Ask hotels for any available discounts – nonprofit, government or corporate rates.
3. When utilizing rental cars, travelers must rent compact size cars. When the number of passengers is more than two (2) or the volume of materials to be transported makes use of a compact vehicle impractical, travelers can rent a larger size relative to the needs. Share rental cars whenever possible.
4. Business-related long-distance telephone calls while away on business travel are permitted, but should be kept to a minimum. Expense reports should explain long-distance charges.
5. Personal long-distance calls while away on business are reimbursable if kept to a minimum, such as one nightly call home to family. Personal calls in excess of this shall not be reimbursed.
6. Whenever possible, travelers should utilize long-distance calling cards when placing calls while away on travel. Avoid using the hotel’s long-distance service if possible.
7. Foreign travel charged to Federal grants must be approved in writing by the funding source prior to travel.

**Special Rules Pertaining to Air Travel**

The following additional rules apply to air travel:

1. Air travel should be at coach class or the lowest commercial discount fare at the time the ticket is purchased except when this fare would:
   a. Require circuitous routing
   b. Require travel during unreasonable hours
   c. Excessively prolong travel
   d. Result in additional costs that would offset the transportation savings, or
   e. Offer accommodations not reasonably adequate for the traveler’s medical needs.
2. First class air travel shall not be reimbursed unless there is a documented medical reason, and such use must be documented.
3. Memberships in airline flight clubs are not reimbursable.
4. Cost of flight insurance is not reimbursable.
5. When airfare is $500 or more, two quotes from a travel agency and/or an airline should be obtained and attached to the expense report.
6. When returning on a Sunday or departing on a Saturday in order to obtain a cost savings in airfare due to the Saturday-night stay-over, travelers should provide a total cost comparison (showing that the lower airfare plus an extra night lodging, meals & incidentals is less costly than airfare without the Saturday night stay-over).
7. Cost of upgrade certificates is not reimbursable.
8. Cost of canceling and rebooking flights is not reimbursable, unless it can be shown that it was necessary or required for legitimate business reasons (such as changed meeting dates, etc.).
9. Travelers must identify and pay for all personal flights, even if such flights are incorporated into a flight schedule that serves business purposes (i.e., the Coalition will not reimburse for the personal legs of a trip).

**Spouse/Partner Travel**

The Coalition does not reimburse any employee or board member for separate travel costs (air fare, etc.) associated with his/her spouse or partner. The cost of a shared hotel room need not be allocated between employee/director and spouse/partner for purposes of this policy.
F308 CREDIT CARDS

Effective Date: 08/28/07
Revision Date: 03/19/08, 08/06/08, 06/26/14, 12/07/16, 06/15/22

Use of Credit Cards/Purchasing Cards

The Coalition recognizes there will be occasions when employees need to use a corporate purchase/credit card for travel, employee reimbursements and other purchases. The processes listed here will be followed.

1. Credit card policy disclosures/processes:
   a. Management has a process to issue purchase/credit cards and to periodically review names of users to ensure the cards are issued to appropriate staff members.
   b. Management has a process to ensure card users receive notice of usage guidelines, to include; safeguarding of issued cards, card holder duties, tips to avoid identity theft, and prohibited purchases/activities. (See the Coalition’s “Corporate Credit Card Policy and Acknowledgement” form.)
   c. Purchasing cards/credit cards are not used to circumvent compliance with normal requisitioning transactions. *(For requisitioning/purchase order policy, see policy #F305.)*
   d. Staff prepares reconciliations and maintains adequate supporting records for disbursements and employee reimbursements made by credit card.
   e. Management periodically reviews purchase activities and employee reimbursements made by credit cards to ensure these purchases are allowable and are not being split to stay below established spending thresholds.
   f. An independent review and approval process is in place (delegation of authority items reviewed at board meetings – see policy #OP101) for purchases made by members of the management team.
   g. Management has a process to document instances of card misuse by staff and issue notice of personnel actions taken/required (if applicable).

2. Credit card policy elements/staff instructions:
   a. Coalition processes to safeguard purchase card/credit cards when not in use (See “Secure and Safe Custody of Corporate Credit Cards” below).
   b. Unauthorized, unallowable, and personal transactions are prohibited for staff.
   c. Authorized spending levels/delegation of authority *(see policy #OP101)* are the same for credit card purchases as they are for all other purchases.
   d. Due dates for supporting documentation (see “Cardholder Responsibilities” below.)
   e. Supporting documentation requirements [source: DFS Reference Guide for State Expenditures]
      1) Original receipts supporting transactions are maintained and marked/de-faced once payment has been authorized/made.
      2) Receipts must clearly reflect a description of the goods or services acquired, number of units, and cost per unit. The combination of several documents to provide the description, number of units, and cost per unit may be used (i.e., quote sheets, packing slips, web page screen-prints, cash register receipts, charge slips). Numerical code descriptions alone are not acceptable.
         (a) All receipts for commodities shall be signed and dated by the cardholder to indicate the receipt, inspection, and acceptance of the goods or services.
         (b) Receipts for services require clear evidence that services were satisfactorily received.
3) Acronyms and non-standard abbreviations for programs or organizational units within an agency should not be used in the supporting documentation unless an explanation is also included.

f. Periodic reports to/reviews by management (see “Cardholder Responsibilities” below.)
g. Process/policy for personnel/disciplinary actions for misuse (if required). (See “Revocation of Corporate Credit Cards” below.)

3. Additional requirements for credit cards [DFS CFO Memo No. 02 (2014-15)]
   a. Florida’s Reference Guide for State Expenditures requires that State expenditures may not be used to pay annual fees to a credit card company.
   b. State statute prohibits sellers and lessors from charging convenience fees and surcharges for the use of credit cards.
   c. Such costs are unallowable, and should not be submitted for reimbursement.
   d. Florida law also provides that any person who violates this provision is guilty of a second degree misdemeanor.
   e. If this activity occurs additional vendor notifications may be required.

**Issuance of Corporate Credit Cards**

It is the policy of the Coalition to authorize the C.E.O. and staff authorized by the C.E.O. to utilize the Corporate Credit Card to purchase commodities or services under $5,000.00, on an as-needed basis. This would be due to timelines or other situations. The Corporate Credit Card will be paid in full each month upon completion of the voucher package for payment process.

**Cardholder Responsibilities**

Every month, each cardholder will be provided with a statement detailing the expenditures that were charged to his/her corporate credit card. The cardholder will review this statement within five days for any inadvertent personal or unauthorized uses of the card. Cardholders must reimburse the Coalition for any such inadvertent personal charges within the same five-day period.

Any fraudulent or other unauthorized charges shall be immediately pointed out to the Finance Manager for further investigation with the credit card provider.

Personal use of corporate credit cards is strictly prohibited. Any personal use will subject the employee to the Coalition’s disciplinary actions discussed earlier in this manual.

Management staff other than the cardholder shall indicate their secondary review and approval of the cardholder’s statement by initialing the statement. The statement shall then be forwarded to the Office Manager, accompanied by original supporting documentation for all charges. Documentation of meals, travel and valid business expenditures shall include all of the same elements as described in the earlier policy on “Travel and Business Expenses” (i.e., names of people involved, business purpose, etc.).

The Board of Directors has limited the amount that the C.E.O. may purchase without approval. This amount is
$5,000.00. Purchases cannot be split into individual amounts to avoid the expenditure limit.

The Board of Directors will also get a copy of the monthly billing statements at the Executive/Administrative Committee or Board meeting for review.

**Secure and Safe Custody of Corporate Credit Cards**

Each employee who is issued a corporate credit card is solely responsible for the safekeeping and security of the credit card.

Cardholders shall report the loss or theft of a corporate credit card immediately by notifying the credit card company as well as the C.E.O.

**Revocation of Corporate Credit Cards**

Failure to comply with any of these policies associated with the use of the Coalition’s corporate credit cards shall be subject to possible revocation of credit card privileges. The Coalition board chair with the approval of full board of directors, shall determine whether credit cards are to be revoked.

**Employee Credit Cards**

Employees and officers incurring legitimate Coalition business expenses are expected to utilize their personal credit cards for such expenditures, only in emergency situations where use of the Corporate Credit Card, or other means, is not feasible. The Coalition shall reimburse employees for properly supported and documented business expenditures charged to personal credit cards within five business days of the employee’s credit card statement and proper completion of an expense report.

However, personal credit cards should not be used for large purchases or expensive items such as: flights, hotel stays, equipment, etc.

Any bonuses or rebates awarded to an employee through their personal credit card, belongs to the employee.

Travel advances may be requested in special circumstances. (See the earlier policy on Travel and Business Entertainment for expense report preparation procedures.)
Classification of Workers as Independent Contractors or Employees

The Coalition considers all relevant facts and circumstances regarding the relationship between the Coalition and the individual in making determinations about the classification of workers as independent contractors or employees. This determination is based on the degree of control and independence associated with the relationship between Coalition and the individual. Facts that provide evidence of the degree of control and independence fall into three categories:

1. Behavioral control
2. Financial control
3. The type of relationship of the parties

Facts associated with each of these categories that will be considered in making employee/contractor determinations shall include:

1. Behavioral control:
   a. Instructions given by the Coalition to the worker that indicate control over the worker (suggesting an employee relationship), such as:
      (1) When and where to work
      (2) What tools or equipment to use
      (3) What workers to assist with the work
      (4) Where to purchase supplies and services
      (5) What work must be performed
      (6) What order or sequence to follow
   b. Training provided by the Coalition to the worker (i.e., employees typically are trained by their employer, whereas contractors typically provide their own training).

2. Financial control:
   a. The extent to which the worker has unreimbursed business expenses (i.e., employees are more likely to be fully reimbursed for their expenses than is a contractor).
   b. The extent of the worker’s investment in the facilities/assets used in performing services for the Coalition (greater investment associated with contractors).
   c. The extent to which the worker makes services available to the relevant market.
   d. How the Coalition pays the worker (i.e., guaranteed regular wage for employees vs. flat fee paid to some contractors).
   e. The extent to which the worker can realize a profit or loss.

3. Type of Relationship:
   a. Written contracts describing the relationship that the Coalition and the individual intend to create.
b. Whether the Coalition provides the worker with employee-type benefits, such as insurance, paid leave, etc.
c. The permanency of the relationship.
d. The extent to which services performed by the worker are a key aspect of the regular business of the Coalition.

If an individual qualifies for independent contractor status, the individual will be sent a Form 1099 if total compensation paid to that individual for any calendar year, on the cash basis, is $600 or more. The amount reported on a Form 1099 is equal to the compensation paid to that person during a calendar year (on the cash basis). Excluded from “compensation” are reimbursements of business expenses that have been accounted for by the contractor by supplying receipts and business explanations.

If an individual qualifies as an employee, a personnel file will be created for that individual and all documentation required by the Coalition personnel policies shall be obtained. The policies described in the remainder of this section shall apply to all workers classified as employees.

**Payroll Administration**

The Coalition operates on a bi-weekly payroll. A personnel file is established and maintained for all employees with current documentation, as described throughout this section and more fully described in the Coalition's Personnel Manual.

The following forms, documents and information shall be obtained and included in the personnel files of all new employees:

1. Completed Coalition Employment Application (and/or resume, if applicable)
2. Applicant references (work & personal)
3. Interview questions and notes
4. Completed Form W-4 Employee Federal Withholding Certificate
5. Completed Form I-9 Employment Eligibility Verification
6. Copy of driver’s license
7. Copy of Social Security card issued by the Social Security Administration
8. Starting date and scheduled hours
9. Job title and starting salary
10. Authorization for direct deposit of paycheck, along with a voided check or deposit slip

For employees without a current, valid driver’s license, acceptable alternative documents shall include:

1. U.S. Passport
2. Certificate of U.S. Citizenship (INS Form N-560 or N-561)
3. Voter’s registration card
4. U.S. Military card
5. ID card issued by a Federal, state or local government, provided it contains a photo
6. School record or report card (for persons under age 18 only)

For employees without a Social Security card, acceptable alternative documents shall include:

1. U.S. Passport
2. Certificate of U.S. Citizenship (INS Form N-560 or N-561)
3. Original or certified copy of a birth certificate issued by a state, county or municipal authority
4. Certificate of Birth Abroad issued by the Department of State (Form FS-545 or Form DS-1350)
5. U.S. Citizen ID Card (INS Form I-197)
6. Native American tribal document
7. ID Card for use of Resident Citizen in the United States (INS Form I-179)

Each employee personnel file shall also indicate whether the employee is exempt or non-exempt from the provisions of the Fair Labor Standards Act.

If required by specific grants, the employee payroll file must also include a pre-employment background check.

**Changes in Payroll Data**

All of the following changes in payroll data are to be authorized in writing:

1. New hires
2. Terminations
3. Changes in salaries and pay rates
4. Voluntary payroll deductions
5. Changes in income tax withholding status
6. Court-ordered payroll deductions

New hires, terminations, and changes in salaries or pay rates shall be authorized in writing by the C.E.O.

Voluntary payroll deductions and changes in income tax withholding status shall be authorized in writing by the individual employee.

Documentation of all changes in payroll data shall be maintained in each employee’s personnel file.

**Payroll Taxes**

The Office Manager is responsible for ensuring all required tax forms are properly completed and submitted. The Finance Manager is responsible for ensuring all required taxes are withheld and paid. The Coalition may utilize the services of an outside payroll service center for the processing of payroll, as determined by the Board of Directors. Annually, the Coalition will request a SAS70 Report of the outside payroll service center to review their internal controls.
It is up to each employee to notify the Office Manager if a change needs to be made to their current W-4 on file. If a change is made, a new W-4 will be completed and signed. Withholding of Federal income taxes shall be based on the most current Form W-4 prepared by each employee.

**Personnel Activity Reports (PAR’s)**

The Coalition follows the guidelines in 2 CFR 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, as well as requirements in specific grants. Therefore, salaries and wages charged to Federal and state grants will be supported as follows:

1. Charges will be based on documented payrolls approved by C.E.O. of the Coalition.

2. Every Coalition staff, whose compensation is charged, in whole or in part, directly or indirectly to Federal awards, will complete a Personnel Activity Report (PAR) that will account for the staff activity for the pay period. Specifically, all work activity must be coded to the correct OCA (Other Cost Accumulator) and the actual amount of time rounded to the nearest quarter hour. The OCA codes are used to document the different types of work activities completed for either the School Readiness grant or the Voluntary Prekindergarten grant that fund the Coalition. Upon hire or re-assignment, this process will be part of the new employee/position orientation and instruction.

3. The time sheets will reflect an after-the-fact determination of the actual activity of each employee. Budget estimates will not be used as support for charges to awards.

4. The time sheets must be signed by the individual employee and the supervisor/C.E.O. who has first-hand knowledge of the activities performed by the employee.

5. A report will be prepared on the same basis as the pay periods (bi-weekly).

6. Charges for non-exempt employees will also be supported by records required by the Fair Labor Standards Act.

7. Salaries and wages of employees used in meeting cost sharing or matching (in-kind) are supported in the same manner as salaries and wages charged to Federal awards.

**Preparation of Personnel Activity Reports (PAR’s)**

Each Coalition employee must submit to the Office Manager a signed and approved Personnel Activity Report no later than 9:00 am on Wednesday of the pay week. Personnel Activity Reports shall be prepared in accordance with the following guidelines:

1. Each PAR shall reflect all hours worked during the pay period (time actually spent on the job performing assigned duties).
2. PAR’s shall be prepared in ink (or electronically).
3. Errors shall be corrected by crossing through the incorrect entry, filling in the correct entry, and placing the employee’s initials next to the change (i.e., employees shall not use “white out” or correction tape).
4. Employees shall identify and record hours worked based on the nature of the work performed.
5. Compensated absences (vacation, holiday, sick leave, etc.) should be clearly identified as such.
6. PAR’s shall be signed by the employee prior to submission.

A Coalition employee who is on leave, traveling, or is ill on the day that Personnel Activity Reports are due may telephone or email PAR information (actual time worked and the appropriate classifications) to the Office Manager. The employee must initial a timesheet submitted in this manner immediately upon his/her return to the office. Personnel Activity Reports submitted in this manner shall bear the notation, “Time reported by telephone or e-mail by (employee) to Office Manager.” The PAR shall be signed by the C.E.O.

**Review and Approval of PAR’s**

After preparation, the C.E.O. shall review and approve timesheets certifying the accuracy of time records and OCA coding/utilization. Corrections identified by a C.E.O. shall be authorized by the employee by initialing next to the change.

For Delegation of Authority policy (regarding C.E.O. time records and PARs approval), see policy #OP101.

**Leave Audits**

Periodically and prior to fiscal year-end, the Office Manager will send e-mails notices to all staff to verify leave balances and identifying how many annual leave hours the employee may have in jeopardy of losing, if not used by fiscal year-end.

**Processing of Personnel Activity Reports (PAR’s)**

The Office Manager will review all completed PARs each month for mathematical accuracy (not required if PAR’s are electronic). Next, the Office Manager prepares the “Payroll Summary Schedule of Hours Worked” for the C.E.O.’s approval. After review and approval, the C.E.O. signs and dates the summary for payroll processing. Then the Office Manager submits the payroll to the payroll service center.

The Office Manager may not change or correct Personnel Activity Reports. When errors are noted, the Office Manager will return the PAR to the employee for corrections and resubmittal.

Tampering with, altering, or falsifying time records, recording time on another employee's time record or willfully violating any other Personnel Activity Report policy or procedure may result in disciplinary action, up to and including discharge.
**Review of Payroll**

Upon production of payroll reports, and check stubs from the payroll service center, the Office Manager reviews payroll prior to its distribution of check stubs to the employees. The Office Manager shall sign the payroll register, indicating approval of the payroll.

**Distribution of Payroll**

Payroll check stubs for electronic deposits are available electronically from the payroll processing contractor to each employee.

**Internal Audit of Payroll Data**

An independent payroll processing service is utilized for processing the Coalition payroll. Payroll data is reviewed monthly by a Finance Manager when recording payroll data received from the payroll processing contractor. Rates of pay are reviewed for changes as well as additions or deletions.

New Coalition Employees

Upon hire (and within 30 days), all Coalition employees are given the Coalition’s current IT policy for receipt and review. The employee documents understanding of the policy and their responsibility to secure Coalition IT assets by signing an IT Systems and Security Policies and Procedures Receipt and Acknowledgement Form. In addition, those employees who, as part of their job duties, will have access to the Single Statewide Information System (SSIS) will review and sign the “DEL’s Memorandum of Understanding and Data Security Agreement” (data access and security form) prior to obtaining access and training, and annually thereafter. For auditing purposes, the Coalition maintains documentation of the actual antivirus/data security training materials and staff completion of the trainings.

Florida Computer Crimes Act

As the Coalition, through multiple funding sources, has access to sensitive computerized data, all employees are required to understand and comply with the Florida Computer Crimes Act, Chapter 815, Florida Statutes. The minimum security requirements are: passwords are not to be disclosed and information is not to be obtained for the individual or another person’s personal use. Security violations may result in disciplinary action.

Confidentiality

All information about individuals, clients or community members served by the Coalition is confidential. No information may be shared with any person outside the Coalition without the prior written approval of the individual, family, or the Coalition. See Coalition Confidentiality Policy #OP201.

Referenced Legislation and Guidance

DEL Grant award Exhibit I, Section F, *Breach of Security/Confidentiality*

(Note: Please find these referenced documents/regulations in the “Referenced Documents-Regulations” folder in the “Policies and Procedures” folder located in the Coalition “Company Share” drive. Contact the Coalition Grants and Operations Manager should there be any difficulty in finding a document or regulation.)

Access Controls

The confidentiality and integrity of data stored on agency computer systems must be protected by access controls (both on-site and remotely) to ensure that only authorized employees have access. The Coalition maintains compliance with all DEL IT Security policies and procedures. Access shall be restricted to only those capabilities that are appropriate to each employee’s job duties. All staff (and subrecipient/subcontractor staff) with access to ELC data systems complete “DEL’s Memorandum of Understanding and Data Security Agreement” upon hire and/or position (responsibility) transfer and annually thereafter.

Employees assume all responsibility for their access to the Coalition's information systems. Passwords or access codes must not be shared with others. Any individual password to access the information systems belongs to the Coalition and information regarding usage of the Coalition’s information systems is accessible at all times by management for any business purpose. Unauthorized access to information systems is prohibited. No one should use the ID or password of another; nor should anyone provide his or her ID or password to another, except in cases necessary to facilitate computer maintenance and repairs and then only to authorized Coalition Information Technology staff, management, or contracted vendor of IT services. When any user terminates his or her relationship with the Coalition, passwords are changed immediately and his or her access and use of the Coalition’s information systems is prohibited.

Physical Security and Access

The Coalition’s server is provided by the Coalition’s IT vendor and is housed in a secured datacenter. The datacenter has an emergency lighting device within reach, or an emergency lighting system. In addition, the datacenter has a gas based fire extinguishing system. The Coalition, through its IT vendor, uses a cloud-based server.

All critical computer equipment is stored in secure locations and access is restricted to only those individuals who require such access for the performance of their job responsibilities.

Access to network and Windows servers is privileged to the Coalition’s IT staff and/or IT vendor who require this level of access based on their function and training levels.
The Coalition’s staff have controls and processes in place to physically safeguard the entity’s operating systems. The Coalition currently complies with requirements described in DEL IT Security Policy 5.05.02.17, *Physical and Environmental Security*.

A list of such controls for computer equipment include, but are not limited to:

- Heating/cooling standards
- Smoke detectors
- Fire suppression
- Uninterruptible power supplies
- Locks/access
- Alarms
- Cameras
- Instructions for visitors

**Password Security**

No passwords will be allowed that block entry to a PC or to specific applications or files without prior approval from the employee's supervisor. Users are responsible for safeguarding their login passwords. Passwords may not be shared, printed, or stored online. Users should not leave their computers unattended without logging off. If a user suspects that the secrecy of their password has been compromised they should report this to the Office Manager immediately and initiate a password change request.

For all passwords the Coalition follows the DEL IT Policy 5.05.02.32, which requires ten minimum protocols for creating passwords:

1. Passwords should contain at least eight (8) characters and contain a combination of letters, numbers, and special characters.
2. Passwords cannot be reused for at least six (6) changes.
3. Never assign a login account a password that is the same string as the employee ID or that contains the employee ID (e.g., “bob123” is not an appropriate password for employee “bob”).
4. Never set any password equal to the null string (i.e., a blank password), which is equivalent to no password at all.
5. Passwords should not be a dictionary word in any language.
6. Passwords should not contain any proper noun or the name of any person, pet, child, or fictional character.
7. Passwords will not contain any associate serial number, social security number, birth date, telephone number, or any information that could be readily guessed about the creator of the password.
8. Passwords should not contain any simple pattern of letters or numbers, such as “xyz123.”
9. Passwords should not share more than three (3) sequential characters in common with a previous password (i.e., do not simply increment the number on the same password, such as fido1, fido2, etc.).
10. Use a password that is easy to remember (e.g., a phrase, line from a song, or nonsense words) and that you can type quickly.
Although DEL policy allows for 90 day use of passwords, and allow to reuse passwords after six changes, the Coalition passwords are changed every 60 days and unique passwords are required at each change. The IT vendor ensures that password updates are set up to be generated on demand every 60 days, and that the new password meets the password criteria.

Other DEL policy protocols for passwords require guidelines for the storage and visibility of passwords and certain instructions on how to setup and assign passwords (for example, avoid using the “remember password” feature on web sites and other applications).

After five attempts to access a system with incorrect passwords, that system will be subjected to a lockout time of 10 minutes. This lock feature is set to mitigate brute-force based attacks.

In addition to password security, all Coalition PC’s are protected by installed 10 minute time out screen savers, requiring the user’s password to reenter their PC’s.

**Database Security**

The Coalition complies with requirements for restrictions on access to sensitive or confidential data described in DEL’s IT Policy and Program Guidance 101.02, *Records Confidentiality*. This includes identifying and safeguarding confidential records, Personally Identifiable Information (PII), and Protected Personally Identifiable Information (PPII). *(Please refer to “Definition” section of this policy for more information on these items, as defined by DEL Program Guidance 101.02, *Records Confidentiality*). *(Also refer to the Coalition’s Confidentiality policy #OP201.)*

Database Access is granted to users via the application level only. Changes at the database level are permitted by the database administrator only. Application controls are used to ensure proper access to information within applications based on the responsibility of the staff member. Log files are maintained for changes to all databases.

Mobile Computing Devices are strictly controlled by the Early Learning Coalition. This policy applies to all Coalition-owned mobile devices including, but not limited to laptops, smart phones, tablets and external hard drives/flash drives. Such devices are limited in use and are only serving in the capacity of an access agent to the primary server. In the event of the loss or theft of a laptop, no information would be present on the device. In addition, the Coalition utilizes media storage devices that are password protected and scanned for viruses before each use. The devices (flash drives, thumb drives, laptops, email transmissions, etc.) shall not contain confidential data unless the device is fully encrypted and password protected. In the event of a loss or theft of a smart phone, tablet or other mobile device, the Office Manager will ensure the Coalition’s IT Vendor performs a “remote wipe” of the device clearing it of any Coalition information. If an employee is expected to use their personally-owned mobile/cell phones, they must do so by securely accessing emails or software applications through multi-factor authentication. Other than that function, or a failure in primary phone systems, employee cell phone use for Coalition purposes is prohibited.

Portable Storage Media or Peripheral Device Security

The Coalition, including its employees, subcontractors, agents, or any other individuals to whom the Coalition exposes confidential information obtained under this agreement, shall not store, or allow to be stored, any confidential information on any portable storage media (e.g., laptops, thumb drives, hard drives, etc.) or peripheral device with the capacity to hold information without encryption software installed on the devices meeting the standards prescribed in the National Institute of Standards and Technology Special Publication 800-111 [http://nvlpubs.nist.gov/nistpubs/Legacy/SP/nistspecialpublication800-111.pdf].
Remote Access is provided to all Coalition staff. Encryption is used on both the data sent from and to their workstation. Log records are maintained on all workstations and firewall logs are monitored for unusual activity. The Coalition prohibits the use of personal devices to download or store sensitive or confidential data.

Access to the Coalition’s Internal Network is restricted by a hardware firewall. The firewall performs multiple network and security functions such as antivirus, antispyware, firewall, intrusion prevention, and device and application control for complete workstation protection. The network is further protected from spam and viruses by a third party filtering system. In addition, the Coalition is protected against email information loss and business disruption during planned or unplanned outages by access to a web-based email console. During an outage, all inbound and outbound email continues to be filtered to protect the Coalition from threats.

**Electronic Imaging and Signatures**

Electronic imaging is used to generate official operating records and transaction files. The Coalition has an effective system of controls in place that ensures digital images of the original paper document are accurately represented because staff scan all documents in their entirety.

Staff are instructed to retain all documents per the Coalition’s record retention policy to ensure access to the images are not destroyed, but remain accessible until the applicable retention period expires.

If changes to an electronic image are necessary and authorized, staff are instructed to save a copy of the unaltered, original file.

Electronic Signatures must be unique to the signer. To utilize electronically signed documents, the Coalition ensures that signers use a unique signature they control which can be verified via a mechanism such as login or IP address of the signer in a read only format so as not to be altered.

**Security and Problem Management**

The Coalition’s IT vendor records all reports of problems, security incidents, and Coalition requests for services to ensure that these events are responded to and/or resolved within the required four hour response time. In addition, the IT vendor must have the capability to install/perform an automated email alert system, with the firewall, to report any unauthorized or malicious activity.

The Coalition is also required to document and provide the following details for any/each incident, and report to DEL:

(i) The nature of the unauthorized use or disclosure
(ii) The confidential information used or disclosed
(iii) Who made the unauthorized use or received the unauthorized disclosure
(iv) What the Coalition has done or shall do to mitigate any harmful impact of the unauthorized use or disclosure and
(v) What corrective action the Coalition has taken or shall take to prevent similar future unauthorized use or disclosure incidents.

**Breach of Security or Security Incident**
Coalition staff are required to report any breach/security incidents. The Coalition shall immediately notify DEL’s Inspector General (at Inspector.General@oel.myflorida.com) and Information Security Manager (at Information.Security@oel.myflorida.com) in writing of any Security Incident or Breach of Security of which it becomes aware by its employees, subcontractors, agents or representatives.
IT602  Cyber Communication and Social Media Use by Employees

Effective Date: 04/08/15
Revision Date: 06/15/22

Overview

The same principles and guidelines that apply to your activities as an employee in general, as found throughout this manual and in your job description, apply to your activities online. This includes forms of online publishing and discussion, including blogs, wikis, file sharing, user-generated video and audio, virtual worlds and social networks.

The Coalition trusts and expects employees to exercise personal responsibility whenever they participate in social media. This includes not violating the trust of those with who we are engaging.

The Coalition expects all employees utilizing social media will recognize and follow the guidelines included within this policy. Failure to do so could result in disciplinary action, up to and including termination.

Policy Expectations

- Always consider the power of your comments and contemplate the impact of your post on your reputation and that of the Coalition before you publish it.
- Respect all confidential and proprietary information that you possess as a result of your relationship/employment with the Coalition. Secure written permission to publish or report on conversations that are meant to be private or internal to the Coalition. Examples of confidential information include, but are not limited to participant information*, confidential academic information*, proprietary data, internal policies and memorandums, and all proposed and executed organizational strategies.
  Note: *Please refer to the Coalition’s confidentiality policy #OP201 for further instructions regarding publication of participant information and/or photographs and media release forms.
- When disagreeing with others’ opinions, be appropriate and professional in doing so when posting such disagreements on social media sites.
- When posting about your work at the Coalition, use your real name, identify that you work for the Coalition and the position you hold. Be aware of your association with the Coalition in online social networks. If you identify yourself as an employee of the Coalition, ensure your profile and related content is consistent with how you wish to present yourself with colleagues and participants.
- Respect your audience: Don’t use slurs, personal insults, obscenity, or engage in any conduct that would not be acceptable in the Coalition workplace. You should also show proper consideration for others’ privacy, and show proper judgment regarding topics that may be considered objectionable or inflammatory.
- Vulgar, obscene, threatening, intimidating, harassing, or discriminatory behaviors on social media sites may result in an employee’s immediate termination.

Webinars and Other Types of Remote Sessions

It can be expected that as technology increases, video chat and remote sessions will become more integrated in our business process. As a representative of Early Learning Coalition of North Florida, the expectation is that these will be held to the same standard that a physical meeting would be. Employees must be presentable, and background selection should not distract from the call. Additionally, recordings cannot be
made unless all parties are notified, and would be stored on the server and not available for general release. They would become part of the public transparency in the event of a legal request.

| Reason for Recommended Action | **Revisions:**  
HR315 – Leave Donation Policy, added.  
Remaining revisions are post DEL Fiscal Monitoring:  
HR202 – Introductory Period and New Employee Orientation, added requirement that new employees must complete IT Data Security Training within 30 days.  
HR207 – Performance Evaluation, added that should an employee reach their maximum pay per their job descriptions pay range, a supplemental merit payment (equaling the total for their performance score) can be issued in replacement of a merit raise.  
HR301 – Employee Benefits and Salaries, added required language for employee performance incentives, and added reference to policy #OP101 regarding delegation of authority for all CEO personnel and financial matters.  
HR302 – Annual Leave Benefits, updated how annual leave balances are calculated and documented for employees, and corrected how Regular Part Time employees earn annual leave time.  

If this is not done, the following would occur:  
- The Coalition would not have a “Leave Donation” policy to benefit employees.  
- The Coalition would not have the most accurate and updated Policies and Procedures.

HR202 Introductory Period and New Employee Orientation

Effective Date: 02/19/08
Revision Date: 02/04/09, 02/02/11, 08/03/11, 06/15/22

Introductory Period

The introductory period is intended to give new employees the opportunity to demonstrate their ability to achieve a satisfactory level of performance and to determine whether the new position meets their expectations. The Coalition uses this period to evaluate employee capabilities, work habits, and overall performance. Either the employee or the Coalition may end the employment relationship “at will” at any time during or after the introductory period, with or without cause or advance notice.

All new and rehired employees for regular full-time or part-time positions work on an introductory basis for the first 90 calendar days after their date of hire. Employees who are promoted or transferred within the Coalition must complete a secondary introductory period of the same length with each reassignment to a new position. Any significant absence will automatically extend an introductory period by the length of the absence. If the Coalition determines that the designated introductory period does not allow sufficient time to thoroughly evaluate the employee's performance, the introductory period may be extended for a specified period.

In cases of promotions or transfers within the Coalition an employee who, in the sole judgment of management, is not successful in the new position can be removed from that position at any time during the secondary introductory period. If this occurs, the employee may be allowed to return to his or her former job or to a comparable job for which the employee is qualified, depending on the availability of such positions and the Coalition's needs. However under normal circumstances, employees may not be eligible to apply for vacant positions while in the 90 day introductory status.

At the end of the introductory period, the supervisor completes an employee evaluation. Upon satisfactory completion of the initial introductory period, employees enter the "regular" employment classification.

During the introductory period, new employees are eligible for those benefits that are required by law, such as workers' compensation insurance and Social Security. They may also be eligible for other Coalition-provided benefits, subject to the terms and conditions of each benefits program. Employees should read the information for each specific benefits program for the details on eligibility requirements.

An employee may be terminated during the introductory period at any time without explanation or obligation.

New Employee Orientation

All employees are required to attend the Coalition’s New Employee Orientation (NEO). The C.E.O. or his/her designee is responsible for designing and implementing an orientation program. Suggested items for an Orientation Checklist include:

- Introduction to co-workers
- Overview of job description/explanation of duties
- Overview and documentation of the set salary and available benefits
- Review and Signing of the Coalition Confidentiality Policy and Form and EFS Data Security Form and Agreement (if applicable)
- Assignment of equipment, keys, supplies, etc.
- Orientation to Personnel Policies (leave accrual, payroll, how to fill out Personnel Activity Reports/PAR’s to include instruction regarding coding of OCA’s (Other Cost Accumulators), travel
forms, etc.

- Orientation to job duties (documentation/machines/routing processes, etc.).
- Access to applicable reading material (regulations, departmental policies and procedures manual, training manuals, etc.).

**Information Technology Data Security Training (to be completed within 30 days)**

A copy of the completed checklist should be routed to the C.E.O. after completion. This will be filed in the employee training record.

A thorough orientation to the Coalition greatly enhances employees’ ability to effectively perform their job responsibilities.
HR207 Performance Evaluations

Effective Date: 02/19/08
Revision Date: 02/04/09, 06/15/22

Supervisors and employees in all employment classifications are strongly encouraged to discuss job performance and goals on an informal, day-to-day basis. Each regular full-time or part-time employee will receive an evaluation at the end of his or her introductory period.

The introductory period allows the supervisor and the employee to discuss the job responsibilities, standards, and performance requirements of the new position. Subsequent to the initial evaluations, regular full-time and part-time employees will be subject to at least annual evaluations within thirty (30) days of the anniversary of their employment in their current positions. Additionally, the Coalition reserves the right to conduct periodic performance evaluations on temporary employees as it deems necessary. Follow-up evaluations may be conducted at the discretion of the Supervisor.

Additional formal performance evaluations are conducted to provide both supervisors and employees the opportunity to discuss job tasks, identify and correct weaknesses, encourage and recognize strengths, and discuss positive, purposeful approaches for meeting objectives and goals.

Annual Performance Evaluations

Performance evaluations are scheduled approximately every 12 months, coinciding generally with the anniversary of the employee's current job title. Employees are evaluated based on his/her current job description, and an overall score is assigned at the completion of the evaluation. Scores are directly tied to wage increases. Should an employee have reached their maximum pay per their job descriptions pay range, a supplemental merit payment (equaling the total for their performance score) can be issued in replacement of a merit raise. All wage increases are subject to availability of funding. Please see the evaluation rating scale:

<table>
<thead>
<tr>

</tr>
</thead>

<tr>

<tr>
<td>3</td>
<td>2%</td>
</tr>
<tr>
<td>4</td>
<td>3%</td>
</tr>
<tr>

</tbody>
</table>

Any employee receiving an overall evaluation score of one or two would not receive a wage increase. Any employee receiving an overall rating of three or higher would receive a wage increase. The percentage and dollar amount increase, as well as the effective date, is documented on the performance evaluation form.

Once reviewed, the employee and supervisor sign the completed form and the employee receives a signed copy. Performance evaluations are maintained in the employee's personnel file.
A. Benefits

Eligible employees at the Coalition are provided a wide range of benefits. A number of the programs (such as Social Security, unemployment workers’ compensation, and unemployment insurance) cover all employees in the manner prescribed by law. Other available benefit programs may be funded fully by the Coalition, partially by the Coalition, or fully funded by the eligible employee.

After 30 days of continuous employment, employees are eligible for benefits unless otherwise stipulated. Benefits eligibility is dependent upon a variety of factors, including employee classification. Your supervisor can identify the programs for which you are eligible. Details of many of these programs can be found elsewhere in the employee Personnel Policies and Procedures Manual.

New employees are provided details, options and forms for all eligible benefit programs at orientation. The following are benefit programs that may be available for eligible employees:

- Health Insurance
- Dental/Vision Insurance
- Life Insurance
- Paid Holidays
- Annual Leave
- Sick Leave
- Personal Leave
- Family Medical Leave Act
- Bereavement Leave
- Jury Duty
- Military Leave
- Workers’ Compensation
- Benefits Continuation (COBRA)
- 401(k) Retirement Savings Plan
- Supplemental Benefits
Relinquishment of Insurance Coverage(s)

A. Any employee opting to not receive Coalition-designated insurance benefits (due to receiving equivalent benefits elsewhere) may be eligible to receive 50 percent of the cost of the individual’s insurance premium set at the time of initial relinquishment.

B. A current certificate of insurance coverage will be REQUIRED of all employees at the time of benefit relinquishment, as well as upon all subsequent insurance coverage renewals.

C. To accept or relinquish such insurance must be determined at the time of new employee orientation. If an employee who has accepted the insurance later decides to relinquish it, this can be done at any time (pending meeting requirement in paragraph “B” above).

D. Should an employee who has ‘opted out’ then wish to resume insurance coverage(s), they will need to have had a ‘qualifying event’ (involuntary loss of coverage) or wait until the next open enrollment. It is the employee’s responsibility to ensure that the enrollment and eligibility requirements are met at the time of the qualifying event or prior to the open enrollment. This includes the requirement of paragraph “B” above.

Tax Deferred Annuity/Retirement Plan
The Coalition has a tax deferred retirement plan (401K). The purpose of the plan is a long-term savings plan, which allows deferment of taxes and shelter of current income for use in retirement years. Only employees who are regular full-time are eligible. The Coalition contributes up to 6% match of an employee’s salary into the plan.

Employees who are laid off or are terminated from their job for reasons other than misconduct may qualify for maximum weekly benefits provided by the State of Florida. The Coalition will provide the Bureau of Employment Compensation with necessary documentation of the employee's past employment record to assist in a fair and accurate determination of eligibility for unemployment compensation benefits.

B. Salaries

1. Scheduled paydays for all employees (exempt and non-exempt) will be bi-weekly, commencing on every other Friday. If the scheduled payday is a holiday, payday will commence on the latest scheduled work day prior to the holiday.

2. Payment of “extra compensation” to non-exempt employees requires the prior approval of the C.E.O. utilizing the appropriate form. Requests for extra compensation are to be submitted in writing to the C.E.O. not less than 24 hours prior to overtime being incurred. The C.E.O. may at his/her discretion waive the required 24 hour notice in the case of extenuating circumstances.

3. Salaries and hourly rates are set according to the job description requirements and qualifications necessary to fulfill the position. Revisions/changes to salary and hourly rate ranges, as defined on job descriptions will be at the discretion of the C.E.O. and/or the Coalition Board. Approved beginning salaries/hourly rates and subsequent salary/hourly rate adjustments are documented in each employee’s personnel file.

4. As budget allows, employees may be eligible for an increase in salary normally at the time of
their annual performance evaluation.

5. As budget allows, employees who exceed performance standards may be eligible for performance incentives. Performance incentive amounts are not to exceed 10% of the employee’s annual gross salary. All performance incentives are contingent upon adequate grant funding. And, the C.E.O. determines the award amounts and recipients. Performance incentives are based on work performance with the performance standards, time period, and evaluation process defined prior to the work performed earning the bonus. Bonuses will be paid pursuant to the Coalition’s established plan communicated to employees prior to services being rendered.

For Governing Board Review and Approval duties as well as Delegation of Authority (regarding all C.E.O. personnel and financial matters), see policy #OP101.
Annual leave time off with pay is available to eligible employees to provide opportunities for rest, relaxation, and personal pursuits. Once employees enter an eligible employment classification, they begin to earn paid annual leave time according to the schedule. They can request use of annual leave time after it is earned. To take annual leave, employees should request advance approval from their supervisor. Requests will be reviewed based on a number of factors, including business needs and staffing requirements. Annual leave time off is paid at the employee's base pay rate at the time of annual leave for regularly scheduled hours. It does not include overtime or any special forms of compensation such as incentives, commissions, bonuses, or shift differentials.

**ANNUAL LEAVE – Regular full-time and regular part-time employees**

The Coalition offers paid annual leave benefits for its regular full-time employees and its regular part-time employees as set forth in this policy. Temporary employees are not entitled to annual leave benefits.

A newly-hired employee is not entitled to use annual leave until after the completion of the introductory period. Annual leave taken during the introductory period of employment will be classified as leave without pay.

Annual leave may be taken as weekly periods, as individual days, or as partial days as long as an employee’s supervisor approves the periods chosen. Employees may receive verbal approval from their supervisor and submit the leave form (that has been verbally approved) with the time sheet appropriate for that leave period.

Annual leave balances are updated by personnel and accounting staff and reflected on an individualized leave report periodically submitted to the employees and upon request at the bottom of each individual’s PARs report, once completed by the employee. Employees should contact the personnel or accounting staff immediately if they believe there is an error in this balance. Annual leave balances will not be reviewed beyond one month after the date of the error.

The following chart specifies the annual leave allowances for each of the Regular Employee classifications:

The leave year (for accrual/rollover purposes) for all regular employees begins July 1 and ends on the last
day of the last pay period for each fiscal year. Only 120 hours of annual leave may rollover from one fiscal year to the next fiscal year. Any unused annual leave hours in excess of 120 hours will not rollover from year to year.

Annual leave hours earned (per pay period) is determined by the anniversary date of hire. Higher increments of hours earned (per pay period) begin with the first pay period following completion of specified number of years of employment.

Employees terminating employment for any reason (i.e. lay-off, resignation) are entitled to payment for all unused annual leave.

Regular part-time employees changing to regular full-time status will be credited with service from the original date of hire for the purpose of determining annual leave and sick leave allowances. Regular full-time employees changing to part-time status will be credited with service from the date of that status change for the purpose of determining annual leave and sick leave allowances. Temporary employees changing to regular full-time or regular part-time status will be credited with service from the date of that status change for the purpose of determining annual leave and sick leave allowances.
HR315 Leave Donation Policy

Effective Date: 06/15/22
Revision Date:

- This leave donation policy has been created in support of the ELCNF (Early Learning Coalition North Florida) culture that we care about our co-workers and are here to assist.
- This policy provides all ELCNF employees the opportunity to assist a co-worker in need due to an unexpected personal serious illness, injury or caring for an immediate family member who has a serious illness or injury.
- This policy allows an employee to donate a minimum of 1 hour and up to 50% of their leave balance, either Annual Leave or Sick Leave, as of the date of the donation to a co-worker of their choice who has experienced a serious personal or family illness or injury and who has exhausted all available leave time.
- The donating employee must retain a minimum of 40 hours leave time (any combination of annual and/or sick leave).
- The Recipient employee must have exhausted all leave time.
- The Recipient employee must request/apply by utilizing the Leave Donation Request Form which is requested from the Office Manager.
- A Recipient may not use more donation hours that are in their normal workweek.
- Donated leave hours may be from multiple donors.
- This program may not be used for pre-planned circumstances or event.
- Donated leave time can be used either on a consecutive or an intermittent basis.
- Once leave donations are authorized and have been processed, they are irrevocable.
- Donations will be converted into dollars and converted back into hours. For example:
  - If the donor employee makes $15/hr. and donates 8 hours, it will equal a donation of $120.
  - If these were donated to an employee who makes $10/hr., the above donation of $120 would cover 12 hours of leave time for this employee.
  - If these hours were donated to an employee making $20/hr., the above donation of $120 would cover 6 hours of leave time for this employee.

What to Consider When Procuring Any Item with Grant Funding

To assist in all of the requirements below, the Coalition uses the most current version of its own “Procurement Form” (kept with the Office Manager) for all grant funded procurements.

Before purchasing equipment or property, the Coalition will use federal excess and surplus property instead, whenever possible and if such activity helps reduce program/project costs [2 CFR Part 200.318(f)].

The following must be considered when procuring any item with grant funding:

1. All items to be procured must be necessary, and must not be duplicative.

2. Where applicable, an analysis must be made of lease and purchase alternatives to determine which would be the most economic and practical procurement.

3. Solicitations for goods and services must provide for all the following:
   a) A clear and accurate description of the technical requirements for the material, product, or service to be procured. For competitive procurements, such a description shall not contain features which unduly restrict competition, such as:
      (1) Placing unreasonable requirements on firms in order for them to qualify to do business;
      (2) Requiring unnecessary experience and excessive bonding;
      (3) Noncompetitive pricing practices between firms or between affiliated companies;
      (4) Noncompetitive contracts to consultants that are on retainer contracts;
      (5) Organizational conflicts of interest;
      (6) Specifying only a “brand name” product instead of allowing “an equal” product to be offered and describing the performance or other relevant requirements of the procurement; and
      (7) Any arbitrary action in the procurement process.
   b) Requirements which the bidder must fulfill and all other factors to be used in evaluating bids and proposals.
   c) A description, wherever practical, of technical requirements in terms of functions to be performed or performance required, including the range of acceptable characteristics or minimum acceptable standards.
   d) The specific features of “brand name or equal” descriptions that bidders are required to meet when such features are included in the solicitation.
   e) The acceptance, to the extent practical and economically feasible, of products and services dimensioned in the metric system of measurement.
f) Preference, to the extent practical and economically feasible, for products that conserve natural resources and protect the environment and are energy efficient.

g) Preference, to the extent practical and economically feasible, for products that are American-made (per Department of Labor, Health and Human Services, and Education and related agencies Appropriations Act of 1995, and CCDF section 507, P.L. 103-333).

4. Positive efforts shall be made to utilize small business, minority-owned firms, and women’s business enterprises, whenever possible. This includes a request to bidders to identify whether subcontractors are of this dimension. (See “For All Grant Funded Procurement” below.)

5. Cost and price analysis must be made on all grant funded procurements and documented. Per 2 CFR Part 200.323, The Coalition will comply with applicable cost and price analysis requirements for procurement transactions:

   a) Applies at federal level for purchases in excess of simplified acquisition threshold ($150,000)
   b) Independent in-house estimates required before receiving bids or proposals
   c) When applicable or required, negotiate profit as a separate element of price
   d) Costs or prices are limited to allowable costs based on federal and state cost principles
   e) Entity will not use the cost-plus-a-percentage-of-costs method of contracting.

6. Cost and Price Analysis - Purchase or Lease Decision. For equipment with a purchase price of over $5,000, a cost effectiveness analysis must be performed and documented by the Finance Manager, to ascertain which option is most cost effective for the Coalition, and therefore the best use of award funds. This analysis will be made available to the C.E.O. to assist with the final lease/buy decision.

7. All related-party transactions must be board approved. A related-party transaction is any transaction that involves the Coalition procuring goods or services from an entity that has been identified as being affiliated with any Coalition employee, board member, or a relative of either group (“relative” as defined by Section 112.3143(1) (b) F.S.), and a potential conflict of interest has been disclosed.

   All public officer to disclose in advance (in writing) real and/or perceived voting conflicts and to abstain from any vote and from related purchasing/procurement discussions. “Public officer” includes any person elected or appointed to hold office in any agency, including any person serving on an advisory body, such as the Coalition’s governing board.

   As of July 1, 2013 and per Section 1002.84 (20) F.S., the following DEL prior approvals/notifications must be followed for related party transactions:

   a) All contracts for $25,000 or more may not be executed without DEL prior approval and prescribed voting procedures (including must have 2/3 votes of the ENTIRE board – present or not) must be followed per the instructions of DEL Q and A - Requirements for DEL Prior Approval of Related Party Contracts September 16, 2013.

   During the board meeting, Coalition staff must disclose the following, and the minutes MUST reflect:

   That the contract is a “related party contract” and as such, the requirements are:
   • Any related party has to disclose their conflict to the board and complete the conflict of interest form.
   • The ELC notified the board of the ‘related party’ to the contract.
• As a conflict, the board member completed the form “8B”. And if present, the board member is not allowed to have discussion or participate in the vote on the item (contract).
• Because this is a related party contract, the Coalition must have 2/3 vote (of the entire board) approval of the contract before the Coalition can send it to DEL for approval.
• That an individual vote was taken and how each board member voted.
• The contract will not be executed (signed by both parties) until the Coalition receives DEL approval.
• The minutes from the meeting will reflect that these requirements were disclosed to the board and will reflect the individual votes.

b) All contracts for less than $25,000 do not require DEL prior approval, but must to be submitted to DEL within 30 days of execution. However, the same voting procedures for contracts over $25,000 must be followed.

For more details on state statutory instructions, please refer to DEL’s Program Guidance, Related Party Disclosures.

For more details on the Coalition’s Conflict of Interest Policy, see policy #OP203.

8. Whenever applicable, the Coalition will comply with instructions for procurement of recovered materials [2 CFR Part 200.322].

9. Per F.S. 287.057 (14), “Contracts for commodities or contractual services may be renewed for a period that may not exceed 3 years or the term of the original contract, whichever is longer.”

General rule – Because ELCs are funded on an annual basis, an ELC’s contract periods/terms are typically limited to one year with three optional renewal years. This means the total possible years are four – per specific contract, before another procurement process would be required.

Exceptions – A few specific transactions may qualify for longer contract periods/terms. Two examples include leases for office space and leases for copiers/scanners, provided the ELC has adequate documentation to support this business decision (i.e., cost savings, best value, ability to obtain negotiated discount, etc.) Please contact DEL for more specific instructions. (Source: DEL instructions and training files; also, see DEL clarification e-mail 07/08/19)

For All Grant Funded Procurements

1. All new potential vendors must be checked on the following website (and annually thereafter) to ensure the vendor is not on the most current listing:

2. Florida Department of Management Services website. This link helps identify vendors/contractors (located in Florida) that are banned from doing business with federal/state agencies. This link is included in the annual grant agreement and each Coalition is responsible for checking (and documenting the results) to make sure it does not purchase goods/services from an entity/individual on these lists. Documentation can include a print screen copy of this search by staff in its.
purchasing files. The www.sam.gov/ website is used to check vendors/contractors (located outside of Florida, such as internet based companies) that are banned from doing business with federal/state agencies.

3. All vendors must be checked against the most current USDA Food Program Disqualified List that is posted on DEL’s Share Point and documented.

4. At least one quote should be requested from a certified minority vendor, if available, by checking this website: https://osd.dms.myflorida.com/directories. If no certified minority vendor quote is included, documentation must be provided explaining why.

5. The procurement should be carried out using good purchasing practices with price, quality and other factors considered.

6. Comparisons from published catalogues or websites are allowable for written quotes.

7. Written documentation of verbal quotations are allowable when the name and address of the vendor is noted in the purchasing records.

8. Florida Statute 1002.83 (12) specifically prohibits the purchase of meals, food, or food related items using state, federal or local matching funds. Food related items include paper plates, napkins, utensils, cups, coffee filters, condiments or other items used when preparing or consuming a meal, food or beverage. These are allowable to the extent they are used for educational purposes (only) and not personal consumption.

9. Membership dues, subscriptions and licensing fees. The Coalition complies with the terms of s. 216.345, F.S., and 2 CFR §75.454, Memberships, subscriptions, and professional activity costs, when incurring costs related to paying membership dues, subscriptions and licensing fees.

The terms are that the payment information, which must contain a statement that

“The records of memberships, subscriptions or licenses for which the Coalition paid (records maintained at the Coalition) shall be public records pursuant to s. 119.01(3), F.S. This public records requirement applies only to the portion of activities of the organization(s) that pertain to the public federal/state grant programs the Coalition funded.” The organization paid must provide this statement (on payment/invoicing documents).

Thresholds for Procurement Requirements

1. Purchases with a value of BELOW $2,500 $5,000 may include, but are not limited to, a minimum of one written quote or written record of a verbal quotation.

2. Purchases between $2,501 $5,001 and $15,000 require a minimum of two (2) written quotes OR written records of two (2) telephone quotations.

3. Purchases of value between $15,001 up to and including $35,000 require a minimum of three (3) written quotations or informal bids.

4. For amounts more than $35,000, a competitive, formal bid process is required.

Purchases cannot be split into individual amounts to avoid an expenditure limit or a threshold requirement.

1. The C.E.O. has authority to purchase unit items that are $5,000.00 or less.
2. Purchases $5,000.01 or more have to be approved by the Board of Directors.

Purchases cannot be split into individual amounts to avoid an expenditure limit.

**For Governing Board Review and Approval duties as well as Delegation of Authority, see policy #OP101.**

**For requisitioning/purchase order policy, see policy #F305.**
Types of Procurement

There are primary, allowed methods of procurement:
Micro Purchases, Small Purchases, Competitive Procurement, and Noncompetitive Procurement.

To determine the appropriate method of procurement to use, the following must be known:

- The services for which the contract will be awarded
- The funding sources of the contract, the amount of funds anticipated to be spent on the contract
- The type of provider (if possible), and the manner in which the amount of payment is determined.

Basic Procedures for the Different Types of Procurement

**Micro-Purchases**

Procurement by micro-purchase is the acquisition of supplies or services, the aggregate dollar amount of which does not exceed $2,500 $5,000* (or $2,000 in the case of acquisitions for construction subject to the Davis-Bacon Act). To the extent practicable, the non-Federal entity must distribute micro-purchases equitably among qualified suppliers. Micro-purchases may be awarded without soliciting competitive quotations if the Coalition considers the price to be reasonable. [2 CFR Part 200.320] However, the Coalition will comply with good purchasing practices per state purchasing guidance. (*$2,500.00 to $5,000 for DEL transactions).

**Small Purchases**

Small Purchases are procurements of contractual services costing less than or equal to $35,000. To the best extent, at least three proposals should be requested.

1. These purchases shall be carried out using written quotations or written records of telephone quotations or informal bids* to be opened upon receipt, whenever practical. Should verbal quotations be received, the name and address of the company and the amount quoted shall be a part of the written quotation. If only one quotation is received, a written statement as to why more quotations were not received must be prepared and filed in the procurement file in order to document the provider selection.

   *An informal bid is submitted to a prospective customer in response to a request for bids. The bid itself is a written estimate of the cost to the customer to supply goods and/or services that the customer wants.

2. Written material documenting small purchase procedures must be maintained in the procurement file. At a minimum, the file must include the following: names of individuals...
taking part in the development or selection of criteria for evaluating persons or firms contacted, the date of contact, the prices or rates quoted, a statement as to why the quotation selected represents the most advantageous offer to the Coalition in terms of service and price, and a Conflict of Interest Statement from all individuals involved in making the procurement decisions.

3) The Coalition may create a “routine office supply list” for quotes, at the beginning of the fiscal year, and obtain several quotes to select one vendor to use throughout the year. Also, the Coalition should request a discount for any annual purchasing agreements.

4) The Coalition reserves the right to reject any and all quotes or offers, if deemed to be in its best interest.

5) Coalition officers, employees, and/or agents are prohibited from soliciting or accepting gratuities, favors, or anything of monetary value from vendors or potential vendor.

6) The Coalition sales tax exemption number is used for all Coalition purchases. In no case shall the Coalition sales tax exemption number or Coalition credit accounts with vendors be used for personal purchases.

**Competitive Procurement**

All contracts in excess of $35,000 that are not exempt under subsections 287.05(3)(f) or (g), F.S. must be competitively procured. This includes contracts that could accumulate a cost of over $35,000 during the time period of each fiscal year. The Coalition has three procedures for competitive procurement to ensure fair and open competition: The Request for Proposal (RFP), the Invitation to Bid (ITB), and the Invitation to Negotiate (ITN). If only one proposal is received under competitive procurement, then this proposal shall be viewed as non-competitive.

For contracts that could accumulate a cost of over $35,000 during the period of a fiscal year, term contracts may be used to establish a vendor, at the beginning of the fiscal year, to utilize throughout the year. For a commodities contract (such as an educational or office supplies contract) the formal bid process would include a sample of the items that would possibly be purchased during the year.

**Noncompetitive Procurement**

For the Coalition’s purposes, there are four types of Noncompetitive Procurement. They are:

- State Term Contracts (s. 287.056 and 287.057 F.S.)
- Single Source (s. 287.057(3)(c), F. S.)
- Emergency (s. 287.057(3)(a), F. S.)
- Regulated Exempted Services (s. 287.057(3)(f), F.S.)

Exceptions to competitive procurement are provided in recognition of specific unusual and/or extraordinary situations. In these instances, the Coalition will document and justify noncompetitive procurement as described below.

**File Requirements for Sole Source (Single Source) or other Non-competitive Proposals** [45 CFR Parts 75.329(f) and 75.332; s. 216.3475, F.S.]

- Documentation of the Coalition’s determination criteria for a sole-sourced transaction.
  - The item is only available from one single source;
Early Learning Coalition of North Florida - 8 –

Procurement of Commodities and/or Contractual Services

Policies and Procedures Manual

- The public emergency precludes delay resulting from competitive solution (for example, a flood at a local ELC administrative office or large local service provider requires the immediate acquisition of additional services);
- DEL or USDHHS gave written authorization for non-competitive proposals; and
- After solicitation of a number of sources, competition is determined inadequate.

Cost analysis, (i.e., verifying the proposed scope of work or goods/services data and the evaluation of the specific elements of costs and negotiating profit (if applicable)) is required. Note: Grant rules state this is a mandatory task for sole source procurement. A cost/price analysis should be completed by staff prior to receiving any bid or fee information.

State Term Contracts

If a vendor agrees to honor the terms and costs of a state contract for Coalition use, informal bids are not required. However, the details of this agreement must be documented in the contract/vendor file. State contracts may be accessed by visiting [http://www.dms.myflorida.com/contract_search/(ContractType)/4110](http://www.dms.myflorida.com/contract_search/(ContractType)/4110).

Whenever possible, the Coalition will use state and local inter-entity agreements to procure common or shared goods and services. [2 CFR Part 200.318(e)].

Florida Statute 287.056(2) states, “Agencies and eligible users may use a request for quote to obtain written pricing or services information from a state term contract vendor for commodities or contractual services available on state term contract from that vendor. The purpose of a request for quote is to determine whether a price, term, or condition more favorable to the agency or eligible user than that provided in the state term contract is available. If an agency issues a request for quote for contractual services for any contract with 25 approved vendors or fewer, the agency must issue a request for quote to all vendors approved to provide such contractual services. For any contract with more than 25 approved vendors, the agency must issue a request for quote to at least 25 of the vendors approved to provide such contractual services. Use of a request for quote does not constitute a decision or intended decision that is subject to protest under s. 120.57(3).” Per DEL email April 14, 2022 “State Term Contracts”, this process is only required if requesting quotes (RFQ’s) from multiple approved State Term Contract Vendors (not separate procurements). The State has already procured these goods and services on behalf of eligible users.

Single Source Procurement

Single source procurement may be utilized if there is only one interested vendor or if conditions warrant negotiation on the best terms and conditions. Single source negotiation requires the approval of the C.E.O., and DEL approval if the amount of the contract exceeds the threshold amount provided in s. 287.017, F.S. for CATEGORY FOUR ($195,000).

Single Source Procurement PROCEDURES:

Per s. 287.057(3)(c), F.S., when the Coalition believes that commodities or contractual services are available only from a single source, the Department of Education will assist the Coalition by doing the following:

1. Electronically post a description of the commodities or contractual services sought for a period of at least ten (10) business days. The description must include a request that prospective vendors provide information regarding their ability to supply the commodities or contractual services described.
2. If it is determined in writing by the Coalition, after reviewing any information received from prospective vendors, that the commodities or contractual services are available only from a single source, the Department of Education will assist the Coalition by doing the following:

   a. [If the amount of the contract is less than the threshold amount provided in s. 287.017 for CATEGORY FOUR ($195,000)] provide notice of its intended decision to enter a single-source purchase contract in the manner specified in s. 120.57(3) (posting of award and protest procedures).

   b. [If the amount of the contract exceeds the threshold amount provided in s. 287.017 for CATEGORY FOUR ($195,000)] request approval from DMS for the single-source purchase. The Department must initiate its request for approval via the procurement office on the required forms authorized by the department head or designee in a form prescribed by the DMS. The request may be electronically transmitted. The failure of DMS to approve or disapprove the DOE’s request for approval within 21 days after receiving such request shall constitute DMS approval. If DEL DMS approves the DOE’s request, the DOE must then provide notice of its intended decision to enter a single-source contract in the manner specified in s. 120.57(3) (posting of award and protest procedures).

3. For the procurement file, the Coalition will document the key decisions regarding the provider selection process to include:

   a. Evidence to show why formal sealed competitive purchasing practices (RFP/ITB) were not practicable and/or in the best interest of the Coalition.

   b. Evidence to show action taken to be competitive to the greatest extent possible.

   c. Evidence showing reasons for selection of the provider to which the contract will be awarded.

Emergency Procurement

Emergency procurement may be made pursuant to Section 287.057(3)(a), Florida Statutes. The procedures for requesting and processing an emergency contract are:

The Coalition will forward an e-mail to the Purchasing Office (Division of Early Learning) requesting approval to proceed with an emergency purchase. The e-mail shall contain the following information at a minimum:

1) Name of Vendor
2) Amount of Purchase
3) Detailed Explanation as follows:
   - Request for approval to proceed with an emergency purchase
   - Circumstances that created the emergency
   - Identification of the danger to the public health, safety or welfare, or other substantial loss to the state
   - Description of efforts performed to obtain pricing from at least two vendors, or description of the immediate increased danger that would result from such efforts
   - Request for approval to proceed with an emergency purchase
Upon receipt of the above information, DEL will file Form PUR 7800, “Notice of Emergency Purchase,” within thirty (30) days after date of issuance of the emergency contract.

Note:
- Emergency contracts cannot be renewed as defined in Section 287.012(20), F.S.
- Emergency contracts need not be posted electronically or by any other means.

Regulated Exempted Services Procurement

Subsection 287.057(3(f), F.S., specifically exempts the services listed in 1 through 14 below from the competitive procurement process. Contracts for services and conditions included in the following list are still subject to all other provisions of Chapter 287, Florida Statutes.

1. Artistic Services. For the purposes of this subsection, the term “artistic services” does not include advertising or typesetting. As used in this subparagraph, the term “advertising” means the making of a representation in any form in connection with a trade, business, craft, or profession in order to promote the supply of commodities or services by the person promoting the commodities or contractual services.

2. Academic Program Reviews. If the fee for such services does not exceed $50,000

3. Lectures by Individuals.

4. Legal Services. Including attorney, paralegal, expert witness, appraisal, or mediator services.

5. Health Services.
   a. Health services involving examination, diagnosis, treatment, prevention, medical consultation, or administration.
   b. Beginning January 1, 2011, health services, including, but not limited to, substance abuse and mental health services, involving examination, diagnosis, treatment, prevention, or medical consultation, when such services are offered to eligible individuals participating in a specific program that qualifies multiple providers and uses a standard payment methodology. Reimbursement of administrative costs for providers of services purchased in this manner shall also be exempt. For purposes of this sub-subparagraph, “providers” means health professionals, health facilities, or organizations that deliver or arrange for the delivery of health services.

6. Services Provided by the Not-For-Profit to the Disabled. Services provided to persons with mental or physical disabilities by not-for-profit corporations that have obtained exemptions under the provisions of section 501(c)(3) of the United States Internal Revenue Code or when such services are governed by the provisions of Office of Management and Budget Circular A-122. However, in acquiring such services, the agency shall consider the ability of the vendor, past performance, willingness to meet time requirements, and price.

7. Medicaid services delivered to an eligible Medicaid recipient unless the agency is directed otherwise in law.

8. Family placement services.
9. Prevention Services. Prevention services related to mental health, including drug abuse prevention programs, child abuse prevention programs, and shelters for runaways, operated by not-for-profit corporations. However, in acquiring such services, the agency shall consider the ability of the vendor, past performance, willingness to meet time requirements, and price.

10. Training/Education Services. Training and education services provided to injured employees pursuant to subsection 440.491, F.S.

11. Contracts entered into pursuant to s. 337.11, F.S. (which lists “contracting authority of department; bids; emergency repairs, supplemental agreements, and change orders; combined design and construction contracts; progress payments; records; requirements of vehicle registration”).

12. Services or commodities provided by governmental agencies.

13. In addition, per Subsection 287.057(3)(g), F.S., continuing education events or programs that are offered to the general public and for which fees have been collected that pay all expenses associated with the event or program are exempt from requirements for competitive solicitation.

14. Prescriptive assistive devices for the purpose of medical, developmental or vocational rehabilitation of clients are exempt from solicitation requirements and must be procured pursuant to an established fee schedule or by any other method that ensures the best price for the state, taking into consideration the needs of the client. Prescriptive assistive devices include, but are not limited to, prosthetics, orthotics, and wheelchairs.
PR601 Bidding Processes

Effective Date: 08/28/07
Revision Date: 02/04/09, 02/02/11, 12/04/13, 12/07/16, 08/07/19, 06/15/22

Basic Bidding Process
1. For amounts over $35,000, a bid process is required. The Coalition may choose either of the following procurement methods in soliciting a contractor:

   REQUEST FOR PROPOSALS (RFP) – used when:
   a. the scope of work or the actual product/outcome can be generally defined;
   b. the scope of work or product/outcome could be provided in a variety of acceptable ways;
   c. the buyer seeks to balance price and quality to achieve the best value;
   d. awards may be either a fixed price or cost reimbursement basis;
   e. there are believed to be more than two vendors who can submit satisfactory offer;
   f. the buyer does not anticipate a need to revise the solicitation and proposals after initial receipt; and,
   g. negotiations are limited to those elements described in the vendor’s proposal.

   INVITATION TO BID (ITB) – used when:
   a. the requirement is well specified
   b. the services contracted to be provided can be accurately detailed and broken down into units of service
   c. only cost will be used to select the contractor/provider

   INVITATION TO NEGOTIATE (ITN) – used when:
   a. purchasing non-standard or customized products/services or systems;
   b. the scope of work or product/outcome could be provided in a variety of acceptable ways;
   c. contractor qualifications and the quality of the product/outcome to be delivered is more important than the price;
   d. responses may contain innovative solutions, which may otherwise not receive consideration;
   e. competitive negotiation is the best way to ensure price or services to match available contract funds or provide most efficient economical services;
   f. award is based on solution or approach, qualifications and/or price;
   g. limited availability of competition;
   h. there is “high” complexity to requirements and project/emphasis on technology;
   i. it’s not known if everything on the “wish list” will be within the budget, so negotiations will be needed; and,
   j. the service or commodity is mission critical for the buyer;

2. Formal solicitations are required to be advertised on the Florida Administrative Register website, and other appropriate state websites, as well as the Coalition website. When applicable, such process will be advertised in a local newspaper of general circulation. All competitive solicitations
must be advertised a minimum of 10 calendar days prior to the opening of the responses to the solicitation.

3. The RFP, ITB, or ITN shall be made available simultaneously to all vendors and will include a detailed description of the commodities or contractual services sought; the time and date for the receipt of proposals/bids/offers and of the public opening; and all contractual terms and conditions applicable to the procurement, including the criteria to be used in determining acceptability of the proposal/bid/offer.

4. If the Coalition contemplates renewal of the contract, that fact shall be stated in the RFP, ITB, or ITN.

   Per F.S. 287.057 (13) (14), “Contracts for commodities or contractual services may be renewed for a period that may not exceed 3 years or the term of the original contract, whichever is longer.”

   General rule – Because ELCs are funded on an annual basis, an ELC’s contract periods/terms are typically limited to one year with three optional renewal years. This means the total possible years are four – per specific contract, before another bid process would be required.

   Exceptions – A few specific transactions may qualify for longer contract periods/terms. Two examples include leases for office space and leases for copiers/scanners, provided the ELC has adequate documentation to support this business decision (i.e., cost savings, best value, ability to obtain negotiated discount, etc.) Please contact DEL for more specific instructions. (Source: DEL instructions and training files; also, see DEL clarification e-mail 07/08/19)

5. The proposal/bid/offer shall include the price for each year for which the renewed.

6. Evaluation of proposals/bids/offers shall include consideration of the total cost for each year as submitted by the vendor. Criteria that were not set forth in the RFP, ITB, or ITN may not be used in determining acceptability of the proposal/bid/offer.

7. The Coalition will not use state or geographical preferences in the evaluation of bids or proposals except where federal statutes mandates or encourages it. [2 CFR Part 200,319(7)(b)]

8. A taskforce composed, at a minimum, of three (3) Coalition members will evaluate the responses if an RFP or ITN is utilized. All reviewers sign a declaration indicating that no conflict of interest exists.

9. The contract shall be awarded with reasonable promptness by written notice to the responsible and responsive vendor that submits the highest scoring proposal, lowest responsive bid, or best offer to negotiate.

10. This proposal/bid/offer shall be determined in writing to meet the requirements and criteria set forth in the RFP, ITB, or ITN.

11. The Coalition reserves the right to reject any and all proposals/bids/offers, if deemed to be in its best interest.
12. Coalition officers, employees, and/or agents are prohibited from soliciting or accept gratuities, favors, or anything of monetary value from sub-recipients or potential sub-recipients.

13. When using an ITN and the contract value is in excess of $1 million in any fiscal year, at least one of the persons conducting negotiations must be certified as a Department of Management Services Certified Contract Negotiator. When using an ITN and the value of the contract is in excess of $10 million in any fiscal year, at least one of the persons conducting negotiations must be a Project Management Professional (PMP) as certified by the Project Management Institute.

14. When using an ITN, a written justification must be kept on file for five years stating why the ITN was a better option than and RFP or ITB.
