Episcopal Children’s Services (ECS) Contract Monitoring:

The 2021/2022 First Quarter Monitoring was performed November 5 - 19, 2021. This monitoring included all DEL required “eligibility” criteria for School Readiness and VPK. One additional area of review was the Annual Data and Data Security Systems Review. From this review, there were six compliance issues that mostly only required staff refresher training sessions. The trainings were held in time for ECS’s response to the draft report.

The 2021/2022 Second Quarter Monitoring is scheduled for February 14 – 28, 2022. This monitoring will include all DEL required “eligibility” criteria for School Readiness and VPK. Additional areas of review will be the School Readiness Plan Compliance II. E. Quality Performance Report review and the Fiscal Non-direct Costs review for 1st and 2nd quarters.

ALL full reports are available upon request.

D. 2nd QUARTER EARLY LEARNING LITERACY REPORT

Highlights:

Teacher of the Year: In December, the 2021 teachers of the year were selected from a very large stack of nominees. The Infant/Toddler winner was Amy Finkley, a 30-year teaching veteran from Deerwood Park Academy in St. Johns and the Pre-School winner was Marisol Buitrago from Green Cove Springs Head Start/VPK center. The winners receive a $500 cash prize thanks to Kaplan Early Learning and the Clay Electric Foundation and were honored by prize patrol and in person at the ELC of N. Florida’s annual Early Educators Conference held January 29, 2022.
Literacy Outreach:
ELC Days at Amazing Grace Crop Maze: The ELCNF hosted two field trip days at the Amazing Grace Crop Maze in Green Cove Springs on October 19 and 21. Twenty two schools came out to enjoy all the farm themed activities including a hay ride, corn maze, farm animal fun and more. ELC staff and volunteers were on hand providing an extra FALL themed craft. Each child received a FREE farm themed book and each school received a bag of assorted FALL books.

Read for the Record: The ELC participated in the 2022 Read for the Record campaign sponsored by JumpStart and the Pearson Foundation. Each year participants all over the world try to break the world record of reading the same book on the same day to the most children. This year’s book was “Amy Wu and the Patchwork Dragon” by Kat Zhang. The ELCNF provided any school that wanted Two FREE copies of the book along with an activity packet of extension ideas to do along with the book. 92 school participated for a total of 6,120 children.

Literacy programs: The ELC launched a new Five Senses Science program in November. It is a very interactive program where the kids explore all of their five senses and even learn about animals with super senses. The children explore sound through playing instruments, they experience many textures by making their own touch book and they get to test their smelling smarts by playing a mystery scents game. Eight programs were put on this quarter in St. Johns County. Each child receives a free book called “My Five Senses” by Aliki and the classroom receives a large resource bag of Five Sense teaching materials for their classroom.

Mother Goose (aka Susan Murphy, outreach assistant) also hit the road this quarter by visiting 10 pre-k classes in the Putnam County School District. This program focuses on rhyming with an emphasis on nursery rhymes.

ELCNF Volunteer Program: This quarter was much better for recruiting and training new volunteers. Ten new volunteers were trained and either placed as a weekly reader in a local preschool or trained to assist in the ELC outreach literacy programs. In December, two Holiday/meetings were held and people came out and were eager to start volunteering again since COVID.
