**INDEPENDENT AUDITOR'S REPORT**

To the Board of Directors of  
Early Learning Coalition of North Florida, Inc.  
St. Augustine, Florida

**Report on the Audit of the Financial Statements**

**Opinion**

We have audited the accompanying financial statements of Early Learning Coalition of North Florida, Inc. (a nonprofit organization) (the "Coalition"), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities and changes in net deficit, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Coalition as of June 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

**Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Coalition and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Coalition's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

### ***Auditor's Responsibilities for the Audit of the Financial Statements (continued)***

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Coalition's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Coalition's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Supplementary Information***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards and state financial assistance, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, State of Florida Chapter 10.650, *Rules of the Auditor General*, and special audit guidance provided by the Division of Early Learning, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards and state financial assistance is fairly stated, in all material respects, in relation to the financial statements as a whole.

### ***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated March 8, 2023, on our consideration of the Coalition's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Coalition's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Coalition's internal control over financial reporting and compliance.

The accompanying notes are an integral part of these financial statements.

Early Learning Coalition of North Florida, Inc.

NOTES TO FINANCIAL STATEMENTS

June 30, 2022

**NOTE A - ORGANIZATION, NATURE OF OPERATIONS, SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

1. Organization and nature of operations

Early Learning Coalition of Putnam and St. Johns Counties, Inc. (the "Coalition") was incorporated on October 6, 2000 as a not-for-profit corporation. The Coalition was formed to operate for the advancement of charity and education particularly by implementing a comprehensive program of school readiness services for Florida's at-risk birth-to-kindergarten population.

On July 1, 2005, the Coalition merged with St. Johns County School Readiness Coalition, Inc., and changed its name to Early Learning Coalition of Putnam and St. Johns Counties, Inc.

On July 1, 2013, the Coalition merged with the Early Learning Coalition of Clay, Nassau, Baker and Bradford Counties, Inc., and changed its name to Early Learning Coalition of North Florida, Inc. The Coalition provides funding for child care programs in Putnam, St. Johns, Nassau, Baker, Bradford and Clay Counties, Florida.

2. Basis of accounting and financial statement presentation

The accompanying financial statements and accompanying schedules have been prepared on the accrual basis of accounting. The Coalition reports information regarding its financial position and activities according to two classes of net assets as follows:

*Net Assets Without Donor Restrictions*

Net assets without donor restrictions are available for use at the discretion of the Board of Directors (the "Board") and/or management for general operating purposes. From time to time the Board designates a portion of these net assets for specific purposes which makes them unavailable for use at management's discretion.

*Net Assets With Donor Restrictions*

Net assets with donor restrictions consist of assets whose use is limited by donor-imposed restrictions, time and/or purpose restrictions.

The Coalition reports gifts of cash and other assets as revenue with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, the net assets are reclassified as net assets without donor restriction and reported in the statement of activities as net assets released from restrictions.

Some net assets with donor restrictions may include a stipulation that assets provided be maintained permanently (perpetual in nature) while permitting the Coalition to expend the income generated by the assets in accordance with the provisions of additional donor imposed stipulations or a Board approved spending policy.

3. Revenue recognition

The Coalition follows Accounting Standards Update (ASU) 2014-09, *Revenue from Contracts with Customers* (ASC 606), which outlines a five-step model whereby revenue is recognized as performance obligations within a contract are satisfied, and ASU 2018-08, *Not-for-Profit Entities: Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made* (ASC 958), which clarifies how transactions should be accounted for as contributions (nonreciprocal transactions) or exchange transactions and whether a contribution is conditional.

Early Learning Coalition of North Florida, Inc.

NOTES TO FINANCIAL STATEMENTS

June 30, 2022

**NOTE A - ORGANIZATION, NATURE OF OPERATIONS, SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

3. Revenue recognition (continued)

Revenue from government grants is recorded when earned, which is generally when the allowable costs of the specific grant provisions have been incurred or the performance of services rendered. Such revenue is subject to audit by the grantor and, if the examination results in a deficiency of allowable expenses, the Coalition will be required to refund any deficiencies. Management is of the opinion that all monies recognized as revenue have been earned as of June 30, 2022. These amounts are reflected as revenue without donor restrictions if received and expended in the same year.

Revenue from program fees are recognized when the earnings process is substantially complete and goods have been delivered or services performed. Revenues from program fees are recognized in the year to which they relate. As part of the Voluntary Pre-Kindergarten grants, the Coalition receives advances on revenue which are to be repaid to the state.

4. Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

5. Cost allocation

The costs of providing the various programs and other activities have been summarized on a functional basis in the Statement of Activities and Changes in Net Deficit. Salaries and other expenses which are associated with a specific program are charged directly to that program. Salaries and other program support service expenses which benefit more than one program are allocated to the various programs based on the relative benefit provided.

6. Cash and cash equivalents

For purposes of the statement of cash flows, the Coalition considers all unrestricted, highly liquid investments with an initial maturity of three months or less to be cash equivalents. Financial instruments, which potentially expose the Coalition to concentrations of credit risk, consist principally of cash bank deposits. The Coalition's policy is to place its cash investments with high quality financial institutions insured by the Federal Deposit Insurance Corporation, which provides coverage on balances up to \$250,000 per depositor per institution. At June 30, 2022, the Coalition was fully insured.

7. Income taxes

The Coalition is a not-for-profit corporation and is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. As such, its normal activities do not result in any income tax liability.

Early Learning Coalition of North Florida, Inc.

NOTES TO FINANCIAL STATEMENTS

June 30, 2022

**NOTE A - ORGANIZATION, NATURE OF OPERATIONS, SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

7. Income taxes (continued)

Management has analyzed the Coalition's various federal and state filing positions and believes that its income tax filing positions and deductions are well documented and supported and that no accruals for tax liabilities are necessary. Therefore, no reserves for uncertain income tax positions have been recorded. The Coalition remains subject to examination by the US Internal Revenue Service for the years ended June 30, 2020 through June 30, 2022.

8. Property and equipment

Property and equipment is recorded at historical cost. Property and equipment with a cost in excess of \$5,000 and a useful life of one or more years is capitalized and depreciated using the straight-line method of depreciation over the estimated useful life of 5 years.

Property acquired with governmental funds is considered to be owned by the Coalition while used in the program for which it was purchased or in future authorized programs; however, its disposition as well as the ownership of any proceeds from the sale of assets therefore is subject to applicable regulations.

9. Recent accounting pronouncements

In February 2016, the FASB issued ASU 2016-02, *Leases*, that requires lessees to put most leases on their balance sheets and recognize expenses on their income statements in a manner similar to today's capital lease accounting. For lessors, the guidance modifies the classification criteria for accounting for sales-type and direct financing leases. The new guidance is effective for fiscal years beginning after December 15, 2021.

10. Subsequent events

Management has evaluated the effect subsequent events would have on the financial statements through the date these financial statements were available to be issued on March 8, 2023.

**NOTE B - CONCENTRATIONS**

1. Economic dependency

The Coalition is financially dependent on grant funding and operates in a heavily regulated environment. The operations of the Coalition are subject to the administrative directives, rules and regulations of federal, state, and local regulatory agencies. Such administrative directives, rules and regulations are subject to change by an act of Congress or an administrative change mandated by the State of Florida. Such change may occur with little notice or inadequate funding to pay for the related cost, including the additional burden, to comply with a change.

Early Learning Coalition of North Florida, Inc.

NOTES TO FINANCIAL STATEMENTS

June 30, 2022

**NOTE B – CONCENTRATIONS (continued)**

2. Concentration of credit risk

The activities of the Coalition are conducted in Clay, Nassau, Baker, Bradford, Putnam and St. Johns Counties, Florida and are supported by funding provided by government agencies. Expenditures incurred by the Early Learning Coalition of North Florida, Inc. and the subgrantees associated with the execution of various grants are subject to audit and possible disallowance by the grantor agency. The Coalition would be held responsible for recovery (reimbursement to the grantor agency) of disallowed amounts incurred by the subgrantee if the subgrantee were not able to do so. Management believes that if audited, any adjustment for disallowed expenses would be immaterial in amount.

**NOTE C - PROPERTY AND EQUIPMENT**

Property and equipment and accumulated depreciation at June 30, 2022 is summarized as follows:

Furniture and fixtures	\$	6,498
Less: accumulated depreciation		<u>(6,498)</u>
Property and equipment, net	\$	<u><u>-</u></u>

**NOTE D - RELATED PARTY TRANSACTIONS**

Certain members of the Board are mandated in the “School Readiness Act.” Related party members include representation from Episcopal Children’s Services, a provider of government grants to the Coalition, and other representatives from private and public sector industries. Total payments to these related organizations during the year ended June 30, 2022 were \$45,340,588 and accounts payable to them at June 30, 2022 were \$1,939,483.

**NOTE E - RETIREMENT PLAN**

The Coalition established a tax deferred retirement plan effective for all qualifying employees. All regular full time employees are eligible to participate in the plan. The Coalition will contribute up to a 6% match of the employee’s salary. The Coalition provided matching contributions of \$20,071 for retirement benefits to the plan for the year ended June 30, 2022. Employees are immediately vested in their contributions and the matching contributions.

Early Learning Coalition of North Florida, Inc.

NOTES TO FINANCIAL STATEMENTS

June 30, 2022

**NOTE F - LEASES AND COMMITMENTS**

The Coalition has non-cancelable operating leases for the rental of office space in Palatka, St. Augustine, and Orange Park, Florida, and various office equipment. Rent expense for the year ended June 30, 2022 totaled \$50,902. The future minimum lease payments are as follows:

Years ending June 30:		
2023	\$	33,658
2024		5,136
2025		<u>4,280</u>
	\$	<u>43,074</u>

**NOTE G - FUNCTIONAL EXPENSES**

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries and benefits, professional fees, travel and conferences, rent expense, office expenses, membership subscriptions and postage and printing, which are allocated on the basis of estimates of time and effort.

**NOTE H - LIQUIDITY AND AVAILABILITY OF RESOURCES**

The Coalition's financial assets available within one year of the statement of financial position date for general expenditures are as follows:

Cash and cash equivalents	<u>\$ 2,495,243</u>
Accounts payable	709,600
Accrued expenses	35,530
Due to related parties	<u>1,939,483</u>
Total financial liabilities available within one year	<u>2,684,613</u>
Total net financial assets available within one year	<u>\$ (189,370)</u>

As part of the Coalition's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. The Coalition receives the majority of its funding from federal and state grants passed through DEL which are on a reimbursable basis. Throughout the year, the Coalition receives advances and reimbursements each month to cover incurred expenses. To help manage unanticipated liquidity needs, the Coalition at times receives advances from DEL.

**Early Learning Coalition of North Florida, Inc.**

**NOTES TO FINANCIAL STATEMENTS**

**June 30, 2022**

**NOTE I - RISK AND UNCERTAINTY**

On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency because of a new strain of coronavirus (the "COVID-19 outbreak") and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally.

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. As such, it is uncertain as to the full magnitude that the pandemic will have on the Coalition's financial condition, liquidity, and future results of operations. Management is actively monitoring the global situation on its financial condition, liquidity, operations, suppliers, industry, and workforce.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors of  
Early Learning Coalition of North Florida, Inc.  
St. Augustine, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Early Learning Coalition of North Florida, Inc. (a nonprofit organization) (the "Coalition"), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities and changes in net deficit, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated March 8, 2023

**Report on Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Coalition's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Coalition's internal control. Accordingly, we do not express an opinion on the effectiveness of the Coalition's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

**Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Coalition's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of This Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Coalition's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Coalition's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**Report on Compliance for Each Major Federal Program and State Project**

**Opinion on Each Major Federal Program and State Project**

We have audited Early Learning Coalition of North Florida, Inc.'s (the "Coalition") compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* and the requirements described in the Department of Financial Services' *State Projects Compliance Supplement*, that could have a direct and material effect on each of the Coalition's major federal programs and state projects for the year ended June 30, 2022. The Coalition's major federal programs and state projects are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Coalition's complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the year ended June 30, 2022.

**Basis for Opinion on Each Major Federal Program and State Project**

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), and State of Florida Chapter 10.650, *Rules of the Auditor General* (Chapter 10.650), and special audit guidance provided by the Division of Early Learning. Our responsibilities under those standards, the Uniform Guidance, and Chapter 10.650 are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Coalition's and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program and state project. Our audit does not provide a legal determination of the Coalition's compliance with the compliance requirements referred to above.

**Responsibilities of Management for Compliance**

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Coalition's federal programs and state projects.

**Auditor's Responsibilities for the Audit of Compliance**

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Coalition's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance, and Chapter 10.650, will always detect material noncompliance when it exists.

### ***Auditor's Responsibilities for the Audit of Compliance (continued)***

The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Coalition's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance and Chapter 10.650, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Coalition's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Coalition's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance and Chapter 10.650, but not for the purpose of expressing an opinion on the effectiveness of the Coalition's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

### **Report on Internal Control over Compliance**

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program or state project on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state project will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program or state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and Chapter 10.650. Accordingly, this report is not suitable for any other purpose.

Total Expenditures of State Financial Assistance			<u>\$ 13,940,519</u>	<u>\$ 13,927,817</u>

**Basis of Presentation**

The accompanying schedule of expenditures of federal awards and state financial assistance is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, State of Florida Chapter 10.650, *Rules of Auditor General*, and the Florida *Department of Fiscal Service's State Projects Compliance Supplement*. Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements.

**Indirect Cost Rate**

The Coalition has elected to not use the 10% de minimis indirect cost rate for its federal programs and state projects for the year ended June 30, 2022. The indirect cost rates used on the Coalition's federal programs and state projects are determined by the relevant federal or state agency.

See independent auditor's report.
